Notes From The Minefield United States Intervention In Lebanon And The Middle East 1945 1958:

Notes From The Minefield Irene L Gendzier,2019-03-08 Irene Gendzier s critically acclaimed wide reaching analysis of post World War II U S policy in Lebanon posits that the politics of oil and pipelines figured far more significantly in U S relations with Lebanon than previously believed In 1958 the United States sent thousands of troops to shore up the Lebanese regime in the face of domestic opp

Arab Intellectuals and American Power M.D. Walhout,2020-10-01 Edward Said the famous Palestinian American scholar and activist was one of the twentieth century s most iconic public intellectuals whose pioneering and to some controversial work on Orientalism shaped Middle Eastern and postcolonial studies and beyond But how exactly did he arrive at his famous maxim to speak truth to power This dual biographical study examines the lives of Edward Said and the eminent Lebanese philosopher and diplomat Charles Malik a distant relative 30 years his senior whom Said knew from childhood as Uncle Charles To Said Malik was no ordinary relative in his memoir he called Malik the great negative intellectual lesson of my life and was to describe him as an ideal as I was growing up only to later claim Malik went through an ugly transformation that I could never come to terms with M D Walhout charts the development of these two remarkable figures reconstructing in the process the way in which American power in the Middle East came to have a defining effect on Arab intellectuals in the twentieth century Exploring issues of religion and nationalism Walhout shows how Said came to reject much of what Malik stood for Christian faith hardline anti Communism and the benign nature of American power He argues that the example of Malik was instrumental in the development of Said s later belief that the true vocation of the intellectual was not to compromise with power but to resist it

Modern Conflict in the Greater Middle East Spencer C. Tucker,2017-04-17 This reference work covers the history of Middle East nations addressing military political diplomatic and ideological trends in each respective country and enabling readers to better understand the factors behind the crises shaping the Middle East today *Modern Conflict in the Greater Middle East A Country By Country Guide* is a concise reference for students exploring the importance of each nation state in the Middle East and their level of involvement in major conflicts in the region It supplies the broad historical background necessary for readers to understand each country s unique role in the conflicts that have characterized the region since the end of World War I The book also enables readers to grasp the various motives and ideologies that have shaped each nation s military objectives and to appreciate the political and social climates of each of these countries that propelled them into various wars The book presents a chapter by chapter discussion of the origins and impacts of war on specific Middle Eastern countries giving readers an in depth understanding of the global importance of the conflicts within the region These chapters along with detailed timelines sidebars and primary source documents will help readers grasp the connections between individuals developments and conflicts in the Middle East and events and developments such as European imperialism World Wars I and II U S foreign policy during and after the Cold War the formation of the state of Israel Arab nationalism the emergence of the oil industry in the region and the origins of

radical Islam **Eisenhower** P G. Boyle,2015-11-17 Eisenhower is the president who established America as a superpower He had already launched his reputation as the leading US military figure in the Second World War and then as supreme commander of the land forces of the newly created NATO This book looks at how Eisenhower held power in the political field and to what extent his political career was a success This text is ideal for undergraduate courses in 20th Century American History and American Studies A Military History of the Cold War, 1944-1962 Jonathan M. House,2014-04-28 The Cold War did not culminate in World War III as so many in the 1950s and 1960s feared yet it spawned a host of military engagements that affected millions of lives This book is the first comprehensive multinational overview of military affairs during the early Cold War beginning with conflicts during World War II in Warsaw Athens and Saigon and ending with the Cuban Missile Crisis A major theme of this account is the relationship between government policy and military preparedness and strategy Author Jonathan M House tells of generals engaging in policy confrontations with their governments political leaders among them Anthony Eden Nikita Khrushchev and John F Kennedy many of whom made military decisions that hamstrung their own political goals In the pressure cooker atmosphere of atomic preparedness politicians as well as soldiers seemed instinctively to prefer military solutions to political problems And national security policies had military implications that took on a life of their own The invasion of South Korea convinced European policy makers that effective deterrence and containment required building up and maintaining credible forces Desire to strengthen the North Atlantic alliance militarily accelerated the rearmament of West Germany and the drive for its sovereignty In addition to examining the major confrontations nuclear and conventional between Washington Moscow and Beijing including the crises over Berlin and Formosa House traces often overlooked military operations against the insurgencies of the era such as French efforts in Indochina and Algeria and British struggles in Malaya Kenya Cyprus and Aden Now more than fifty years after the events House describes understanding the origins and trajectory of the Cold War is as important as ever By the late 1950s the United States had sent forces to Vietnam and the Middle East setting the stage for future conflicts in both regions House s account of the complex relationship between diplomacy and military action directly relates to the insurgencies counterinsurgencies and confrontations that now occupy our attention across the globe *When Parliaments Ruled the Middle East* Matthieu Rey,2022-02-02 An essential study of parliamentary politics in postwar Iraq and Syria before the consolidation of authoritarian rule under the Ba th Party When Parliaments Ruled the Middle East explores three main interrelated issues to clarify what happened between 1946 and 1963 in Iraq and Syria how and why a parliamentary system prevailed in both countries in the aftermath of the Second World War what social effects this system triggered and in turn how these changes affected the system and finally why the elites in both countries were unable to overcome the unrest that brought an end to both a liberal era and to a certain kind of political game Drawing on a vast array of sources and rich archival research in French English and Arabic Matthieu Rey highlights the processes of the parliamentary system in the

modern era which are very common to post independence countries and to any representative regime He tackles the intersection of multifaceted political phenomena that were present in that moment in Iraq and Syria including regular elections the implementation of emergency law the freedom of the press the open expression of opinions the formation of new political parties frequent military coups and the joint exercise of power by members of the old classes and reformist newcomers Treating this period as neither an epilogue of the liberal order nor a prelude to authoritarianism and stressing the contingent improvisatory aspects of political history Rey fundamentally questions the transitional nature of the period and in doing so proposes new ways and tools of examining it **Sowing Crisis** Rashid Khalidi,2009 From the foremost U S historian of the modern Middle East L A Times comes a powerful argument that the global conflicts now playing out explosively in the Middle East were significantly shaped by the Cold War era **Empire and Revolution** Peter L. Hahn,Mary Ann Heiss,2001 The ten essays in this volume represent state of the art surveys of ten singular episodes in U S interaction with the Third World since 1945 Each author seeks to present a unique approach to a specific topic within U S Third World relations The essays cover the globe and include studies of the Middle East Latin America Africa and Asia They make use of a variety of source material and employ a wide range of analytical devices such as the national security paradigm the idea of economic development and culture The essays present a multihued portrait of the different ways policy makers in the United States dealt with Third World problems The essays make clear the multitude of considerations that affected policy making the many different actors both official and nonofficial who came to influence the policy making process and the possibilities for future research into U S relations with the nations of the Third World They are designed not only to present the current state of the literature but also to suggest some avenues for future research *Modernizing Repression* Jeremy Kuzmarov,2012 A probing analysis of the impact of American policing operations abroad

Decolonization and the Cold War Leslie James,Elisabeth Leake,2015-02-26 The Cold War and decolonization transformed the twentieth century world This volume brings together an international line up of experts to explore how these transformations took place and expand on some of the latest threads of analysis to help inform our understanding of the links between the two phenomena The book begins by exploring ideas of modernity development and economics as Cold War and postcolonial projects and goes on to look at the era s intellectual history and investigate how emerging forms of identity fought for supremacy Finally the contributors question ideas of sovereignty and state control that move beyond traditional Cold War narratives Decolonization and the Cold War emphasizes new approaches by drawing on various methodologies regions themes and interdisciplinary work to shed new light on two topics that are increasingly important to historians of the twentieth century **Faith Misplaced** Ussama Makdisi,2011-06-28 A provocative account of the decayed relationship between the U S and Arab world and a powerful recommendation for how it can be salvaged *A Companion to Harry S. Truman* Daniel S. Margolies,2012-07-30 With contributions from the most accomplished scholars in the field this fascinating

companion to one of America's pivotal presidents assesses Harry S. Truman as a historical figure, politician, president, and strategist. Assembles many of the top historians in their fields who assess critical aspects of the Truman presidency. Provides new approaches to the historiography of Truman and his policies. Features a variety of historiographic methodologies.

The Middle East in International Relations Fred Halliday, 2005-01-24. The international relations of the Middle East have long been dominated by uncertainty and conflict. External intervention, interstate war, political upheaval, and interethnic violence are compounded by the vagaries of oil prices and the claims of military nationalist and religious movements. The purpose of this book is to set this region and its conflicts in context, providing on the one hand a historical introduction to its character and problems and on the other a reasoned analysis of its politics. In an engagement with both the study of the Middle East and the theoretical analysis of international relations, the author, who is one of the best known and most authoritative scholars writing on the region today, offers a compelling and original interpretation. Written in a clear, accessible, and interactive style, the book is designed for students, policymakers, and the general reader.

Israel and Hizbollah Clive Jones, Sergio Catignani, 2009-12-04. Since the end of the Cold War, academic debate over the nature of war in the contemporary world has focused upon the asymmetric nature of conflict among a raft of failed or failing states, often held together by only a fragile notion of a shared communal destiny. Little scholarly attention has been paid, however, to one such conflict that predates the ending of the Cold War yet still appears as intractable as ever: Israel's hostile relationship with Lebanon, and in particular its standoff with the Lebanese Shi'a militia group Hizbollah. As events surrounding the Second Lebanon War in the summer of 2006 demonstrate, the clear potential for further cross-border violence, as well as the potential for a wider regional conflagration that embraces Damascus and Tehran, remains as acute as ever. This book focuses on the historical background of the conflict while also considering the role that other external actors, most notably Syria, Iran, and the United Nations, play in influencing the conduct and outcomes of the Israeli-Lebanese conflict. In addition, it also looks at Hizbollah's increasing sway in Lebanese domestic politics, its increased military cooperation with Iran and Syria, and the implications of such developments.

Civil and Uncivil Violence in Lebanon Samir Khalaf, 2002. Khalaf argues that historically internal grievances have been magnified or deflected to become the source of international conflict. From the beginning, he shows, foreign interventions have consistently exacerbated internal problems.

BOOK JACKET **Forging the Shield** Donald A. Carter, 2015. This illustrated book, that includes tables, charts, and maps, primarily discusses the role of USAREUR (US Army Europe) in rearming and training the new German Army, which was perhaps the Army's single greatest contribution toward maintaining security in Western Europe. Likewise, the relationship between American soldiers and their French and West German hosts evolved over time and is a critical element in telling the story of the US Army in Europe.

American Diplomacy Toward Lebanon David Hale, 2024-02-08. Lebanon's significance to the Middle East and the global arena is greater than its small size suggests. Bordering Israel and Syria, it holds a geo-strategic role as the playing field

for their competition as well as for their allies America and Iran This book examines how American diplomacy has responded to the intersection of local regional and international factors in Lebanon David Hale examines several key episodes in US diplomatic history with Lebanon starting with the country s independence in 1943 up until the present moment Crucial events such as the Lebanese Civil War the Cedar Revolution and more recently the spillover from the Syrian Civil War are examined within the context of the respective US government administrations of the time and their foreign policy strategies Hale asks whether policy makers had realistic and compelling goals the right strategy sufficient means and capable diplomats in its diplomatic approaches towards Lebanon through the years Crucially this study focuses on how during these critical periods American diplomacy toward Lebanon had consequences beyond the country itself and on the narrative lines and lessons for the broader conduct of American foreign policy A History of Modern Lebanon Fawwaz

Traboulsi,2012-06-14 This is the first history of Lebanon from the Ottoman Empire to the modern period Based on previously inaccessible archives it is a fascinating account of one of the world s most fabled countries Starting with the formation of Ottoman Lebanon in the 16th century Traboulsi covers the growth of Beirut as a capital for trade and culture through the 19th century it s independence and experiences as a republic before moving onward to Lebanon s development in the late 20th century and the conflicts that led up to the major wars in the 1970s and 1980s and beyond This is a stunning history of Lebanon over five centuries bringing to life its politics its people and the crucial role that it has always played in world affairs

Détente in Cold War Europe Elena Calandri,Daniele Caviglia,Antonio Varsori,2015-12-03 The Mediterranean sea has been a key geopolitical territory in the global international relations of the twentieth century of crucial importance to the US the Middle East and in the history of the EU As Cold War documents become declassified and these archives become accessible to western historians this volume reassesses the secret war waged over three decades for control of the Mediterranean Sea An American lake in the 1950s a battlefield for influence in the Cold War of the 1960s and an increasingly important political arena for the oil rich Gulf States in the 1970s the Mediterranean offers a focal point around which the major themes and narratives of Cold War history were constructed Detente in Cold War Europe draws together detailed analyses of the major moments of post WWII history through the prism of the Mediterranean including the signing of the Helsinki Accords in 1975 the Jordan crisis of 1970 the Soviet role in the Yom Kippur war the Cyprus emergency of 1974 US Soviet detente and US Israeli relations under President Nixon This book is a vital work for historians of the twentieth century and for those seeking to understand the importance of the Mediterranean in the political history of the Cold War **France,**

the United States, and the Algerian War Irwin M. Wall,2001-07-20 Departing from widely held interpretations of the Algerian war Wall approaches the conflict as an international diplomatic crisis whose outcome was primarily dependent on French relations with Washington the NATO alliance and the United Nations rather than on military engagement BOOK

JACKET

Notes From The Minefield United States Intervention In Lebanon And The Middle East 1945 1958: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. Notes From The Minefield United States Intervention In Lebanon And The Middle East 1945 1958 : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Notes From The Minefield United States Intervention In Lebanon And The Middle East 1945 1958 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Notes From The Minefield United States Intervention In Lebanon And The Middle East 1945 1958 : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
