Notes on the Life and Works of Bernard Romans, by P. Lee Phillips,... Philip Lee Phillips, 1924 **Notes on the Life and Works of Bernard Romans** P. Lee Phillips, 2018-02-26 The books in the Florida and the Caribbean Open Books Series demonstrate the University Press of Florida's long history of publishing Latin American and Caribbean studies titles that connect in and through Florida highlighting the connections between the Sunshine State and its neighboring islands Books in this series show how early explorers found and settled Florida and the Caribbean They tell the tales of early pioneers both foreign and domestic They examine topics critical to the area such as travel migration economic opportunity and tourism They look at the growth of Florida and the Caribbean and the attendant pressures on the environment culture urban development and the movement of peoples both forced and voluntary The Florida and the Caribbean Open Books Series gathers the rich data available in these architectural archaeological cultural and historical works as well as the travelogues and naturalists sketches of the area in prior to the twentieth century making it accessible for scholars and the general public alike The Florida and the Caribbean Open Books Series is made possible through a grant from the National Endowment for the Humanities and the Andrew W Mellon Foundation under the Humanities Open Books program **Notes on the Life and Works of Bernard Romans** Philip Lee Phillips, 1975 **Notes on the Life and Works of Bernard Romans** Philip Lee Phillips, 1924 *A Concise Natural History of East and West Florida* Bernard Romans, 1999-11-15 Braund presents the only annotated edition of Bernard Romans's rare and valuable 18th century account of his observations in the southeastern United States Bernard Romans's *A Concise Natural History of East and West Florida* William Bartram's *Travels* and James Adair's *History of the American Indian* are the three most significant accounts of the southeastern United States published during the late 18th century This new edition of Romans's *Concise Natural History* edited by historian Kathryn Braund provides the first fully annotated edition of this early and rare description of both the European settled areas and the adjoining Indian lands in what are now the states of Florida Georgia Alabama Mississippi and Louisiana Romans's purpose in producing his *Concise Natural History* was twofold to aid navigators and shippers by detailing the sailing passages of the region and to promote trade and settlement in the region To those ends he provided detailed scientific observations on the natural history of the area a summary of the region's political history and an assessment of the potential for economic growth in the Floridas based on the area's natural resources A trained surveyor and cartographer and a self-taught naturalist Romans supplied detailed descriptions of the region's topography and environment including information about the climate and weather patterns plants animals and diseases He provided information about the state of scientific inquiry in the South and touched on many of the most important intellectual arguments of the day such as the origin of the races the practice of slavery and the benefits and drawbacks of monopoly on trade In addition *Concise Natural History* can be placed firmly in the genre of colonial promotional literature Romans's book was an enthusiastic guide aimed at those

seeking to establish modest holdings in the region What a field is open here No country ever had such inexhaustible resources no empire had ever half so many advantages combining in its behalf Romans explained how settlers should travel to the area what they would need in terms of provisions and tools and what it would cost to have their land surveyed In addition to providing an abundance of practical advice Romans also offered information about the history of earlier settlements including the earliest and most complete account of New Smyrna near St Augustine Romans also presented unique information about the various Indian tribes he encountered In fact historians agree that among the most useful portions of the book are Romans s descriptions of the largest Indian tribes in the 18th century Southeast the Creeks Choctaws and Chickasaws Romans s account of the diet of the Creeks and Choctaws is one of the most complete available And his description of the location of Choctaw village sites is one of the best sources for this information

The Peasant Prince Alex Storozynski,2009-04-28 Thaddeus Kosciuszko a Polish Lithuanian born in 1746 was one of the most important figures of the modern world Fleeing his homeland after a death sentence was placed on his head when he dared court a woman above his station he came to America one month after the signing of the Declaration of Independence literally showing up on Benjamin Franklin s doorstep in Philadelphia with little more than a revolutionary spirit and a genius for engineering Entering the fray as a volunteer in the war effort he quickly proved his capabilities and became the most talented engineer of the Continental Army Kosciuszko went on to construct the fortifications for Philadelphia devise battle plans that were integral to the American victory at the pivotal Battle of Saratoga and designed the plans for Fortress West Point the same plans that were stolen by Benedict Arnold Then seeking new challenges Kosciuszko asked for a transfer to the Southern Army where he oversaw a ring of African American spies A lifelong champion of the common man and woman he was ahead of his time in advocating tolerance and standing up for the rights of slaves Native Americans women serfs and Jews Following the end of the war Kosciuszko returned to Poland and was a leading figure in that nation s Constitutional movement He became Commander in Chief of the Polish Army and valiantly led a defense against a Russian invasion and in 1794 he led what was dubbed the Kosciuszko Uprising a revolt of Polish Lithuanian forces against the Russian occupiers Captured during the revolt he was ultimately pardoned by Russia s Paul I and lived the remainder of his life as an international celebrity and a vocal proponent for human rights Thomas Jefferson with whom Kosciuszko had an ongoing correspondence on the immorality of slaveholding called him as pure a son of liberty as I have ever known A lifelong bachelor with a knack for getting involved in doomed relationships Kosciuszko navigated the tricky worlds of royal intrigue and romance while staying true to his ultimate passion the pursuit of freedom for all This definitive and exhaustively researched biography fills a long standing gap in historical literature with its account of a dashing and inspiring revolutionary figure

The Lakes of Pontchartrain Robert W. Hastings,2010-03-02 A vital and volatile part of the New Orleans landscape and lifestyle the Lake Pontchartrain Basin actually contains three major bodies of water Lakes Borgne Pontchartrain and

Maurepas These make up the Pontchartrain estuary Robert W Hastings provides a thorough examination of the historical and environmental research on the basin with emphasis on its environmental degradation and the efforts to restore and protect this estuarine system He also explores the current biological condition of the lakes Hastings begins with the geological formation of the lakes and the relationship between Native Americans and the water they referred to as Okwa ta the wide water From the historical period he describes the forays of French explorer Pierre Le Moyne D Iberville in 1699 and traces the environmental history of the basin through the development of the New Orleans metropolitan area Using the lakes for transportation and then recreation the surrounding population burgeoned and this growth resulted in severe water pollution and other environmental problems In the 1980s the Lake Pontchartrain Basin Foundation led a concerted drive to restore the lakes an ongoing effort that has proved significant

The Commerce of Cartography Mary Sponberg Pedley, 2022-06-30 Though the political and intellectual history of mapmaking in the eighteenth century is well established the details of its commercial revolution have until now been widely scattered In The Commerce of Cartography Mary Pedley presents a vivid picture of the costs and profits of the mapmaking industry in England and France and reveals how the economics of map trade affected the content and appearance of the maps themselves Conceptualizing the

relationship between economics and cartography Pedley traces the process of mapmaking from compilation production and marketing to consumption reception and criticism In detailing the rise of commercial cartography Pedley explores qualitative issues of mapmaking as well Why for instance did eighteenth century ideals of aesthetics override the modern values of accuracy and detail And what to an eighteenth century mind and eye qualified as a good map A thorough and engaging study of the business of cartography during the Enlightenment The Commerce of Cartography charts a new cartographic landscape and will prove invaluable to scholars of economic history historical geography and the history of publishing

In the digital age, access to information has become easier than ever before. The ability to download Notes On The Life Works Of Bernard Romans has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Notes On The Life Works Of Bernard Romans has opened up a world of possibilities. Downloading Notes On The Life Works Of Bernard Romans provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Notes On The Life Works Of Bernard Romans has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Notes On The Life Works Of Bernard Romans. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Notes On The Life Works Of Bernard Romans. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Notes On The Life Works Of Bernard Romans, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Notes On The Life Works Of Bernard Romans has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
