Johann Sebastian Bach's Christmas Oratorio Markus Rathey,2016-08-04 In the last decades of the 17th century the
feast of Christmas in Lutheran Germany underwent a major transformation when theologians and local governments waged
an early modern war on Christmas discouraging riotous pageants and carnivalesque rituals in favor of more personal and
internalized expressions of piety Christmas rituals such as the Heilig Christ plays and the rocking of the child Kindelwiegen
were abolished and Christian devotion focused increasingly on the metaphor of a birth of Christ in the human heart John
Sebastian Bach's Christmas Oratorio composed in 1734 both reflects this new piety and conveys the composer's experience
living through this tumult during his own childhood and early career Markus Rathey's book is the first thorough study of this
popular masterpiece in English While giving a comprehensive overview of the Christmas Oratorio as a whole the book
focuses on two themes in particular the cultural and theological understanding of Christmas in Bach's time and the
compositional process that led Bach from the earliest concepts to the completed piece The cultural and religious context of
the oratorio provides the backdrop for Rathey's detailed analysis of the composition in which he explores Bach's
compositional practices for example his reuse and parodies of movements that had originally been composed for secular
cantatas The book analyzes Bach's original score and sheds new light on the way Bach wrote the piece how he shaped
musical themes and how he revised his initial ideas into the final composition **Two-part Inventions** Willard A.

Palmer, 2004-11 These frequently taught works are presented in a carefully researched edition that includes Bach's own guidelines for ornamentation Dr Palmer adds an excellent discussion of how the ornaments are used in each work Suggested fingerings and interpretive suggestions appear in light gray print The Alfred Masterwork Audio Editions conveniently combine each exceptional volume with professionally recorded audio that is sure to inspire artistic performances Pianist Valery Lloyd Watts studied at the Conservatory of Music in Toronto and the Royal College of Music in London She earned a Master of Music degree from the University of Wisconsin where she studied with Paul Badura Skoda
