Nourishing The Liberty Tree Liberals And Labour In Leeds 18801914:

Socialist Women June Hannam, Karen Hunt, 2012-11-12 This fascinating new study examines the experiences of women involved in the socialist movement during its formative years in Britain and the active role they played in campaigning for the vote By giving full attention to this much neglected group of women *Socialist Women* examines and challenges the orthodox views of labour and suffrage history Torn between competing loyalties of gender class and politics socialist women did not have a fixed identity but a number of contested identities June Hannam and Karen Hunt probe issues that created divisions between these women as well as giving them the opportunity to act together In three fascinating case studies they explore women s suffrage women and internationalism the politics of consumption Believing above all that being a woman was vital to their politics these individuals sought to develop a woman focused theory of socialism and to put this new politics into practice The Politics of Hospital Provision in Early Twentieth-Century Britain Barry M Doyle, 2015-10-06 Doyle examines

the role of local and national politics on hospitals Ultimately Doyle argues that social and economic diversity created a number of models for future health care which rested on a combination of voluntary and municipal provision Labour Inside the Gate Matthew Worley, 2005-03-24 In 1906 a confident Labour Party felt that it was already rattling the governing classes Its campaigning cartoon which gives this book its title showed the party wielding an axe towards the gates of Parliament cutting through the special interests protecting the old system to aid the working classes What followed was the remarkable transformation of a parliamentary pressure group into a credible governing force The inter war years were a crucial stage in the development of the Labour Party as it grew from pressure group status to national opposition to party of government At the end of the Great War 1914 1918 Labour had a developing national organisation and a fledgling constitution By 1922 it rivalled the war ravaged Liberals as the party of opposition a fact that was affirmed with the formation of the first minority Labour government in January 1924 The second Labour administration of 1929 collapsed amidst the whirlwind of the great depression but the organisational basis of the party remained solid allowing Labour to reinvent itself over the 1930s By the Second World War the foundations had been laid for the landslide victory that brought in the Attlee government of 1945 Matthew Worley has written the first study dedicated solely to this crucial period in Labour s development In an accessible style he provides a comprehensive account of all aspects of the movement Using a wide range of sources he explores this often marginalised period in Labour s history both looking at the parliamentary party and the growing network of constituency parties Worley s approach unites high politics and issues that cross local and national boundaries He combines policy social history and economics with broader themes such as gender and culture *Labour inside the Gate* will appeal to students and scholars as well as all those interested in Labour s history Its new insights into the 1945 landslide victory illuminate this important period in the growth of the Labour Party as it continues to redefine and realign itself as the new party of government Claiming the City Shelton Stromquist, 2023-02-14 How workers fought for

municipal socialism to make cities around the globe livable and democratic and what the lessons are for today Winner of the International Labor History Association ILHA 2023 Book of the Year Award for labor history For more than a century municipal socialism has fired the imaginations of workers fighting to make cities livable and democratic At every turn propertied elites challenged their right to govern Prominent US labor historian Shelton Stromquist offers the first global account of the origins of this new trans local socialist politics He explains how and why cities after 1890 became crucibles for municipal socialism Drawing on the colorful stories of local activists and their social democratic movements in cities as diverse as Broken Hill Christchurch Malm Bradford Stuttgart Vienna and Hamilton OH the book shows how this new urban politics arose Long governed by propertied elites cities in the nineteenth century were transformed by mass migration and industrialization that tore apart their physical and social fabric Amidst massive strikes and faced with epidemic disease fouled streets unsafe water decrepit housing and with little economic security and few public amenities urban workers invented a local politics that promised to democratize cities they might themselves govern and reclaim the wealth they created This new politics challenged the class power of urban elites as well as the centralizing tendencies of national social democratic movements Municipal socialist ideas have continued to inspire activists in their fight for the right of cities to govern themselves *The Local Historian* ,1996 Issues for autumn 1961 include the Standing Conference for Local History Bulletin **Royal Historical Society Annual Bibliography of British and Irish History** Royal historical society (GB).,1998 The Royal Historical Society s Annual Bibliography of British and Irish History provides a comprehensive and authoritative survey of books and articles on historical topics published in a single calendar year The volume covers all periods of British and Irish history from Roman Britain to the late twentieth century and also includes a section on imperial and commonwealth history It is the most complete and up to date bibliography of its type and an indispensable tool for historians **Current Contents, April 12, 1999** ,1999 Cumulative Bibliography of Victorian Studies ,1970 **New Statesman Society** ,1995-10 **Whitaker's Books in Print** ,1998 **Nourishing the Liberty Tree** Tom Woodhouse,1996 Labour politics in Leeds 1880 1914 A Political History of the Leeds Labour Movement, 1880-1914 Thomas Woodhouse,University of Leeds,1982
