Phyllis A. Bird, 2020-01-16 Harlot or Holy Woman presents an exhaustive study of qede ah a Hebrew word meaning consecrated woman but rendered prostitute or sacred prostitute in Bible translations Reexamining biblical and extrabiblical

texts Phyllis A Bird questions how qede ah came to be associated with prostitution and offers an alternative explanation of the term one that suggests a wider participation for women as religious specialists in Israel's early cultic practice Bird's study reviews all the texts from classical antiquity cited as sources for an institution of sacred prostitution alongside a comprehensive analysis of the cuneiform texts from Mesopotamia containing the cognate qadi tu and Ugaritic texts containing the masculine cognate qd Through these texts Bird presents a portrait of women dedicated to a deity engaged in a variety of activities from cultic ritual to wet nursing and sharing a common generic name with the qede ah of ancient Israel In the final chapter she returns to biblical texts reexamining them in light of the new evidence from the ancient Near East Considering alternative models for constructing women's religious roles in ancient Israel this wholly original study offers new interpretations of key texts and raises questions about the nature of Israelite religion as practiced outside the royal cult and central sanctuary
