*Spitter* David Vaught,2022-11-17 Finalist for the 2023 CASEY Award Gaylord Jackson Perry was born in 1938 as the younger son of a tobacco sharecropper in Martin County North Carolina He and his older brother Jim grew up against a background of backbreaking work six days a week in a community that boasted not a single paved road until the 1950s Their only relaxation was playing baseball first with their father and later at school While both brothers would go on to succeed as pitchers in major league baseball for Gaylord success would require a lot of perseverance and an almost equal amount of subterfuge After a couple of lackluster seasons with the San Francisco Giants he learned from bullpen mate Bob Shaw how to throw the illegal spitball More importantly he learned to control the tricky pitch and to conceal it from suspicious umpires opposing managers and baffled batters When he finally broke out the spitter in a victory by attrition in a marathon 32 inning nine hour doubleheader against the Mets in May 1964 his destiny was set The Hall of Famer would go on to a 314 265 win loss record with a 3 11 earned run average and 3 534 career strikeouts becoming the first pitcher in major league history to win the Cy Young Award in both leagues Sports historian David Vaught

has mined archival and public records game statistics media accounts and previously published works including Perry's 1974 autobiography to compile the first critical biography of a player as famous for his wry humor and downhome banter as for his trademark illegal pitch Written for baseball fans and American sports historians Spitter Baseball's Notorious Gaylord Perry provides new insights and genuine enjoyment of the game for a wide range of readers Crossing the Line Larry Moffi, Jonathan Kronstadt, 1994 From 1947 when Jackie Robinson joined the Brooklyn Dodgers through 1959 when the Boston Red Sox became the last major league team to integrate more than a hundred African American baseball players crossed the color line and made it to the major leagues Each of these players is profiled in this comprehensive book which includes their statistics and capsule biographies their triumphs and their on and off field trials as they integrated the game Some of these players became superstars of the game and eventual Hall of Famers Jackie Robinson Ernie Banks Hank Aaron Roberto Clemente Roy Campanella and Bob Gibson but most fine journeymen like Frank Barnes Willie Kirkland Billy Bruton and Harry Simpson were average players However all were pioneers facing down the enormous difficulties of integrating organized baseball

*Play Harder* Gerald Early, National Baseball Hall of Fame, 2025-04-29 An authoritative exploration of how Black Americans have shaped baseball from its emergence after the Civil War to the Negro Leagues and Jackie Robinson s breaking of the color barrier up to today s game by award winning author Gerald Early in collaboration with the National Baseball Hall of Fame No sport has been more associated with America s sense of itself with its identity than baseball No sport has been so inextricably bound with America s traditions with its notions of democracy and fair play than baseball And no professional sport in America has been as dramatically connected to social change as Major League Baseball when it became racially integrated the moment Jackie Robinson took the field with the Brooklyn Dodgers on April 15 1947 *Play Harder* comes at a time when the history of Black baseball has become especially relevant following MLB s recent recognition of the Negro Leagues as major leagues and the effort to incorporate statistics from the Negro Leagues into those for all players Before Robinson as *Play Harder* shows Black athletes played baseball as far back as the 1800s even before the establishment of the Negro Leagues But once founded in 1920 the Negro Leagues gave Black Americans an inroad to baseball that would be enduring and profound The leagues were an instrument of community building during a time when discrimination separated Black people from all white enterprises including baseball and they paved the way for racial integration that Black players hoped would come *Play Harder* showcases the Black stars of the game those from baseball s early years such as Moses Fleetwood Walker and Rube Foster Negro Leagues stars like Satchel Paige and Cool Papa Bell Jackie Robinson and those who crossed the color line after him like Hank Aaron and Willie Mays followed by Frank Robinson and Curt Flood and the stars who ushered in today s game such as Reggie Jackson Dave Winfield Barry Bonds and Ken Griffey Jr Playing out against the cultural and political events of 150 years the story bears witness to the richness of this country s diversity while remaining clear eyed about the racial injustice endured by Black Americans In the end *Play Harder* celebrates the triumph of some of baseball s greatest players and their remarkable contributions to the game we know and love today
