Textiles Jinming Chen,Lili Zhang,2007 Designs contained in this book are divided into six chapters according to their visual qualities Passion Refinements Pleasure Mystery Animation and Order The featured patterns impart a fondness for contemporary graphics and palette choices while decidedly not eschewing altogether traditional themes and aesthetics creating an attractive collection of intriguing and pleasing designs to gaze upon These patterns can be used in the textiles directly and also can be developed and produced for clothing footwear accessories bedding curtains and numerous other housewares **Twentieth-Century Pattern Design** Lesley Jackson,2007-02-08 Twentieth Century Pattern Design combines

photographs including many newly published images with soundly researched text creating an essential resource for enthusiasts and historians of modern design The book also serves as a creative sourcebook for students and designers inspiring new flights of fancy in pattern design Jacket **Textile Designs** Susan Meller,Joost Elffers,1991 **Interpreting the Evolution of Atayal Tribal Textile Patterns** Po Hsun Wang,Jie Li,2025-07-02 This book elucidates findings from an anthropological study that analyzes the patterns of Taiwan s Atayal tribe s fabric in their ethnic dress codes By analyzing the

changes and development of the patterns over time the authors draw fascinating conclusions regarding the geographical migration and intermarriage practices between indigenous minority groups in Taiwan's history The book brings new insights within East Asian linguistic anthropology in theorizing about the origins of legends and broader patterns of ethnic migration integrating the characteristics and relationships among Atayal fabrics and interpreting these relationships in connection with the flow of sub ethnic groups In doing so the book provides rich empirical evidence for anthropologists and migration scholars to better understand the movement of ethnic groups in Taiwan while also establishing a model for how studying textile design can be employed to establish such linkages The book shows that the composition and changes of ethnic minority patterns have their own internal logic and causes By studying this the authors demonstrate how such work might translate intangible and tangible culture into explicit and shareable knowledge and provide a compass for other anthropologists and researchers in the fields of visual and linguistic anthropology migration studies and ethnic and indigenous cultures in Asia and beyond
