Politics in Advanced Nations: Modernization, Development, and Contemporary Change Rodney Stiefbold, 1974 Politics in advanced nations Norman J. Vig, Rodney P. Stiefbold, 1974 Political Value Change in Western Democracies Neil Nevitte, 2024-01-08 The European Values Study is a large scale cross national and longitudinal survey research program on basic human values initiated by the European Value Systems Study Group EVSSG in the late 1970s at that time an informal grouping of academics Now it is carried on in the setting of a foundation using the abbreviated name of the group European Values Study EVS The EVSSG aimed at designing and conducting a major empirical study of the moral and social values underlying European social and political institutions and governing conduct A rich academic literature has now been created around the original survey and numerous other works have made use of the findings A Man of Several Worlds: Stein Rokkan, 1921-1979 Arild Stubhaug, 2025-02-06 Stein Rokkan 1921 1979 introduced the concepts of centre and periphery and counterculture He also formulated the idea that votes count but resources decide in elections Rokkan was a founder of Norwegian social science who became a world leader in the discipline This biography offers an intimate portrait of the scientist and the man Born in Lofoten and raised in Narvik he rapidly became a star talent at Oslo University He was courted by the great American universities and universities in Manchester London and Paris but opted to stay in Bergen accepting only sporadic visiting professorships Rokkan was a powerhouse in the political science discipline especially in the relatively new field of comparative politics When he died in 1979 aged only 58 his contribution drew praise from all sides he had become a role model the epitome of the international scholar Who was he *Political Attitudes in Venezuela* Enrique A. Baloyra, John D. Martz, 2014-06-23 Here is a benchmark study of voter attitudes in a Latin American country This volume is based on extensive survey research conducted during the Venezuelan elections of 1973 The methods employed by Baloyra and Martz to poll an unpollable society successfully challenge previously established paradigms The authors interviewed a representative sample of over 1 500 voters to determine relationships between class status community context religion ideology and partisanship on the one hand and political attitudes and preferences on the other They found that the Venezuelan electorate is defined by a series of contradictory tendencies and they place their conclusions in the context of contemporary political science literature regarding class and party ideology and party and inequality and participation

The Mobilization Party Beyond Modernity Craig William McCaughrin, 1975 **Theories Of Comparative Politics** Ronald H Chilcote, 2018-02-12 Extensively revised and updated this classic text revisits the central problem of searching for mainstream and alternative paradigms to guide us in comparative political inquiry Building upon the first edition s comprehensive and systematic overview of frameworks ideologies and theories the second edition highlights new directions and developments over the past decade including the continuation of an ideological political science methodological innovations such as rational choice historical and postbehavioural approaches new emphases on and links between political

culture and participation the recasting of modernization theory and the revitalization of class analysis and a thoroughgoing post Keynesian political economy point of view The second edition continues the tradition of the first in updating what one reviewer commended as outstanding excellent annotated bibliographies at the end of each chapter and the thorough survey of the general literature of comparative politics at the end of the book In addition the new edition includes an appendix of definitions that facilitate clarity and understanding of political science terminology important for students at every level from the introductory on up In a post Cold War world in which challenges to comparative inquiry abound ethnic conflict authoritarian repression state building and disintegration new industrialization and postindustrialization security systems redefined the search for new paradigms that Theories of Comparative Politics represents gains in importance daily

Political Modernization in the Gulf Shahid Jamal Ansari,1998 The entire Gulf is passing through a transitional phase The member states of the Gulf Cooperation Council GCC are witnessing change in varying degrees The change has become too evident from the 1960s It was oil more than any other factor which was responsible for a rapid transition Control over oil production and marketing have led to the strengthening of governmental role as owner and distributor of oil income The regions tribal society is being transformed into a modern society Political modernization is a recent phenomenon if the nature and extent of structural and informal transformations are taken into account Three broadly defined phases of political change can be discerned in the Arabian Peninsula the traditional the neo traditional and the modernizing or post traditional The modernizing phase was initiated by radical policies of socio economic development including the necessary restructuring of replacement of regimes and a redefinition or expansion of the scope and role of the state However the pace and direction of change is not clear enough The coming few decades are crucial in this regard **Area Handbook for Austria** Eugene K. Keefe,1976 General study of Austria covers historical and geographical aspects demographic aspects and social structures religion education the fine arts communication the political system political partys international relations foreign policy the economic structure economic planning public finance the gross national product agriculture industry trade the balance of payments defence etc Bibliography pp 249 to 261 glossary maps and statistical tables Regime Change and the Coherence of European Governments Mark Irving Lichbach,1984 **Politics in a Changing World** Mr. Rohit Manglik,2024-02-16 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels **Rethinking in Political Development** Somjee,2023-07-24 **Chasing Progress in the Irish Republic** John Kurt Jacobsen,1994-04-14 This book first published in 1994 investigates the political causes and consequences of economic policy in Ireland addressing key debates in political economy State, Nation and Ethnicity in Contemporary South Asia Ishtiaq Ahmed,1998-01-01 Preface Developmental Change Allan A.
