The Gold Standard: Historical Facts and Future Prospects

Gold is a hardy perennial. It provides a psychological and material safe haven for people all around the world, and its invocation still produces deep-seated visceral reactions in many. It is not surprising, then, that when economic conditions are unfavorable, proposals to strengthen the role of gold in the monetary system find an audience much wider than the "gold bugs" who have always seen the demise of the gold standard as the negative turning point in Western civilization.

The early 1980s is one of these periods. A number of proposals have been put forward to reinstitute some monetary role for gold, varying from window dressing to a full-fledged revival of the gold standard. These proposals are being treated with a seriousness that would have been astonishing twenty, ten, or even five years ago. An official examination of the subject was undertaken by the Gold Commission, which was established by President Reagan in June 1981 and issued its contentious report in March 1982; and several bills have been submitted to Congress with the objective of reviving a monetary role for gold.¹

1. Establishment of the Gold Commission was not at President Reagan's initiative, however. He was responding to a statutory requirement to study U.S. policy on the role of gold in the domestic and international monetary systems. In 1980 President Carter signed an act to increase U.S. quotas at the International Monetary Fund, to which this requirement had been added as a rider by Senator Jesse Helms.

With much disagreement among its members, the Gold Commission recommended against restoration of any formal monetary role for gold. In its one positive recommendation, the majority of the commission favored issuance of gold coins by the U.S. Mint, denominated by weight, sold at market prices, and exempt from capital gains taxation. See *Report to Congress of the Commission on the Role of Gold in the Domestic and International Monetary Systems* (Government Printing Office, 1982).

Prospects For A Resumption Of The Gold Standard Introduction

In today's digital age, the availability of Prospects For A Resumption Of The Gold Standard books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Prospects For A Resumption Of The Gold Standard books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Prospects For A Resumption Of The Gold Standard books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Prospects For A Resumption Of The Gold Standard versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Prospects For A Resumption Of The Gold Standard books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Prospects For A Resumption Of The Gold Standard books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Prospects For A Resumption Of The Gold Standard books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Prospects For A Resumption Of The Gold Standard books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Prospects For A Resumption Of The Gold Standard books and manuals for download and embark on your journey of knowledge?

FAQs About Prospects For A Resumption Of The Gold Standard Books

1. Where can I buy Prospects For A Resumption Of The Gold Standard books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
