Lila and The Island of Lost Thoughts Robin Wickens,2024-11-08 The Island of Lost Thoughts On the edge of Starling Bay where the waves whispered secrets to the shore and the stars cast a gentle glow over the sea eight year old Lila sat by her bedroom window gazing out at the vast shimmering night Tonight something felt different She could almost sense a mystery hiding in the air like an unspoken thought waiting to be discovered Lila s grandmother had once told her about a magical place far beyond the village a place where thoughts and wishes floated free unclaimed and unspoken She d called it the Island of Lost Thoughts a world only found in dreams Not all thoughts are made for the waking world Lila her grandmother had whispered her eyes twinkling with the memory of her own adventures Some get lost along the way just waiting for someone brave enough to find them It was a story Lila had always loved though she never thought it could be real But tonight a soft glowing light appeared outside her window swirling gently in the moonlight The light was small like a firefly made of stardust and it moved with purpose beckoning her to follow Heart pounding with excitement Lila threw on her coat and slipped quietly out the front door careful not to wake her parents The light guided her through the village and down to the rocky shore where a small enchanted boat awaited her glowing faintly in the dark The moment she stepped inside the

boat drifted out into the open sea gliding smoothly over the water as if it were drawn by an unseen force Lila watched in awe as the stars above seemed to grow brighter their reflections dancing on the waves around her The night was filled with a quiet magic a feeling that she was crossing into another world And then just as dawn began to edge over the horizon she saw it a small mist covered island hidden in the morning haze The boat glided to a gentle stop at the island's shore Lila stepped onto the soft sand and as she looked around she noticed tiny glowing petals drifting through the air like delicate snowflakes Each one shimmered faintly carrying words and images that seemed to whisper to her in the softest of voices They weren't ordinary petals they were lost thoughts With a thrill of wonder Lila realized she had arrived at the Island of Lost Thoughts the very place her grandmother had spoken of Here thoughts drifted like flowers in the breeze each one a wish a memory or a dream left unfulfilled She reached out letting one of the glowing petals settle in her hand feeling its warmth as if it held a tiny piece of someone's soul Welcome Lila a gentle voice called She turned to see a small shimmering creature a guide for the island with wings like translucent leaves and eyes that glowed with the light of a thousand dreams You are here to help these thoughts find their way back into the world to give them a chance to inspire once more As Lila took her first steps onto the island she knew she was beginning an adventure unlike any other one that would bring her closer to the magic hidden in every forgotten wish and unspoken dream

We Aren't Broke Mark Elsdon,2021-06-01 What if everything you need is already there Many Christian churches and related institutions in the United States are struggling or in some cases facing imminent crisis especially in the wake of the COVID 19 pandemic Attendance is down Funding is harder to come by People are no longer drawn to traditional church services and programming in the ways that they once were Often we feel broke and powerless to do much about it We settle for doing more with less Less money Fewer people Fewer churches But if we reexamine our perceived limits and our assumptions

about how resources are supposed to be used then something remarkable and beautiful comes into view we aren't broke at all but have enormous resources at our disposal Church and missional organizations nationwide own billions of dollars of prime property and investment assets which when combined with social enterprise and new expressions of mission can be put to work for innovation and transformation And these resources are often available to us right now This book is an invitation to envision a different way of putting God's gifts to work in the world It draws upon a remarkable story of rebirth at a Presbyterian affiliated campus ministry center at the University of Wisconsin along with profiles of other creative social enterprises to describe how church property and investment assets can be put to work for innovation transformation and financial sustainability Theologically rooted but practically minded it provides guidance and tools for church and nonprofit leaders entrepreneurs and investors of all kinds who are seeking new ways to fund and participate in God's work in the world
