Refugee Women And Their Mental Health Shattered Societies Shattered Lives:

Refugee Women and Their Mental Health Ellen Cole,Oliva M. Espin,Esther D. Rothblum,1992 Explores processes of recovery from the traumas experienced by women refugees from all over the world and offers a variety of models for the application of feminist theory to the plight of women refugees **Refugee Women and Their Mental Health** ,1992

Forced Migration and Mental Health David Ingleby,2006-01-27 Although forced migration is not new in human history it has become in our time one of the world s major problems In the last few decades armed conflict and political unrest have created vast numbers of asylum seekers refugees and displaced persons This has led in turn to increasing involvement of professional care workers and agencies both governmental and nongovernmental While there is no doubt on the part of helping parties that care is necessary there is considerable debate about the kind of care that is needed This book presents a critical review of mental health care provisions for people who have had to leave their homeland and explores the controversies surrounding this topic Providing fresh perspectives on an age old problem this book covers humanitarian aid and reconstruction programs as well as service provision in host countries It is of interest to all those who provide health services create policy and initiate legislation for these populations *Refugee Women, Representation and Education*

Melinda McPherson,2014-10-07 Even with increased attention to refugee women s issues in the late 20th century post colonial discourses have nurtured limiting representations of refugee women predominantly as subjects of charity and as victims Adding to a growing body of work in the field the author challenges this preconception by offering an opportunity for women s voices *Multicentric Identities in a Globalizing World* Sergio Salvatore,Alessandro Gennaro,Jaana

Valsiner,2014-06-01 The volume represents the continuing of a the Yearbook of Idiographic Science project born in 2009 and developed through an annual series of volumes collecting contributes aimed at developing the integration of idiographic and nomothetic approaches in psychology and more in general social science This year s YIS project received many positive feedbacks and signals of interest as well as several submissions from many parts of the world This fifth volume directs attention to relevant and actual psycho social phenomena as the development of identity in terms of self identity social identity and local identity The volume is directed to students researchers and clinicians interested in deepening theoretical and methodological issues and improve clinical practices and research cultures **Women's Studies** Linda Krikos,Cindy

Ingold,2004-08-30 This truly monumental work maps the literature of women s studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women s studies is a must purchase for academic

libraries that support women s studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women s studies in the last decades of the 20th century The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Most reviews cite and describe similar and contrasting titles substantially extending the coverage Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women s studies It is a must purchase for academic libraries that support women s studies programs and a welcome addition to any academic or public library that endeavors to represent the field

Psychological Aspects of Geographical Moves Miranda van Tilburg,Ad Vingerhoets,2007-04 Mobility of mankind has increased enormously in the past few decades People leave their homes and native countries for business and study for vacation or to flee from unsafe conditions like wars and natural disasters In all cases the sojourner faces a dual challenge of breaking with the familiar home environment and adjusting to new surroundings This book deals with the psychological and health consequences of leaving the familiar home and the process of creating a new one The focus is mainly on acculturation stress and homesickness which both are relevant to those who travel Acculturation refers to the process and outcome of a person s encounter with and adaptation to a culturally new and different environment Homesickness is defined as a depression like reaction to leaving one s home The contributions in this book present empirical data as well as theoretical and conceptual discussions Causes consequences moderating variables and theoretical explanations are discussed Both short term e g vacations and long term e g immigration separations from home receive attention By combining these different but related topics this book provides a valuable overview for researchers teachers students and professionals working with people who present with problems related to migration or traveling

A New View of Women's Sexual Problems Ellyn Kaschak,Leonore Tiefer,2014-02-25 Take a new look at women s sexuality This fascinating book looks at the wide ranging therapeutic social and political implications of the new paradigm of women s sexuality International in scope and multidisciplinary in approach *A New View of Women s Sexual Problems* examines the theoretical and practical effects of the landmark document produced by the Working Group on a New View of Women s Sexuality The book brings together gender theory psychology social science and medicine in a powerful cultural critique of the reigning medical approach to women s sexual health International experts from India Costa Rica Israel the US and many other cultures place this revolutionary idea in cultural and political context as well as extrapolating fresh new treatment options for dealing with women s sexual

problems A New View of Women's Sexual Problems analyzes the new paradigm's implications in many fields including family medicine couples counseling for straight and lesbian partners STD prevention and sexual health issues sex therapy sex education feminist theory developmental psychology

Research and Reflections on Southeast Asian American Education and Advancement Wayne E. Wright, Vikrant Chap, Phitsamay S. Uy, Chhany Sak-Humphry, Vichet Chhuon, Bryan Thao Worra, 2025-05-15 This book is in commemoration of the twentieth anniversary of the Journal of Southeast Asian American Education and Advancement JSAAEA and the fiftieth anniversary of Southeast Asian American refugee resettlement in the United States Pivotal research articles reviews and creative works from past issues of JSAAEA have been selected for this volume to document the history and experiences of Cambodian Laotian Hmong and Vietnamese Americans since initial refugee resettlement began in the United States in 1975 as well as the experiences of more recent Southeast Asian immigrant and refugee groups Reviews of academic books novels memoirs children's books and motion pictures further highlight Southeast Asian American perspectives and experiences Creative works including poetry and short stories by Cambodian Laotian Hmong Vietnamese Thai and Burmese American writers provide additional and often intimate insights and reflections on the Southeast Asian American experience

Best Practices for Social Work with Refugees and Immigrants Miriam Potocky, 2002-04-24 Social work practice with refugees and immigrants requires specialized knowledge of these populations and specialized adaptations and applications of mainstream services and interventions Because they are often confronted with cultural linguistic political and socioeconomic barriers these groups are especially vulnerable to psychological problems Among these problems are anxiety depression alienation grief even post traumatic stress disorder as well as biological concerns stemming from inadequate or underutilized medical services Best Practices for Social Work with Refugees and Immigrants is the first book to offer a comprehensive guide to social work with foreign born clients that evaluates many different strategies in light of their methodological strengths and weaknesses Part I sets forth the context for empirically based service approaches to such clients by describing the nature of these populations relevant policies designed to assist them and service delivery systems Part II addresses specific problem areas common to refugees and immigrants and evaluates a variety of assessment and intervention techniques for each area Maintaining a rigorous empirical and broadly pan cultural approach throughout Miriam Potocky Tripodi seeks to identify the most practical best practices to meet the various and pressing needs of uprooted peoples

Immigrant Women Tell Their Stories Roni Berger, 2013-12-16 I felt like an alien who fell down to earth not understanding the rules of the game making all the possible mistakes saying all the wrong things Your whole life is in the hands of other people who do not always mean well and there is nothing you can do about it They can decide to send you away and you have no control The moment I enter the house I shelve my American self and become the little obedient wife that my husband wants me to be The most difficult part is to find myself again At the beginning I lost myself This jargon free book documents and analyzes the experience of immigration from the female

perspective It discusses the unique challenges that women face offers insights into the meanings of their experiences develops gender sensitive knowledge about immigration and discusses implications for the effective development and provision of services to immigrant women With fascinating case studies of immigration to the United States Australia and Israel as well as helpful lists of relevant organizations and Web site Internet addresses Immigrant Women Tell Their Stories is for everyone who wants to learn or teach about immigration especially its female face It was like somebody sawed my heart in two One part remained in Cuba and one part here Immigrant Women Tell Their Stories examines the nature of immigration for women through the eyes of those who have experienced it how they perceive interpret and address the nature of the experience its multiple aspects the issues that it presents and the strategies that immigrant women develop to cope with those issues The women in this extraordinary book came from different spots around the globe speak different languages and dialects and their English comes in different accents They vary in age as well as in cultural ethnic social educational and professional status They represent a rainbow of family types and political opinions In spite of their diversity all these women share immigration experience This book provides an understanding of the journeys they traveled and the experiences they lived to bring you new insights into what it means to immigrate as a woman and to frame effective strategies for working with and for immigrant women My father is the head of the house When he decided to move to America from India my mother and us the daughters did not have much say My mother and I were not happy at all but it did not matter Immigrant Women Tell Their Stories provides you with historical and global perspectives on immigration and addresses legal political economic social and psychological dimensions of immigration and its aftermath deconstructing immigration by age gender and circumstances major issues of immigrant women language mothering relationships and marriage finding employment assimilation how much and how soon loneliness and more resilience in immigrant women immigration from a lesbian perspective guidelines for the development and delivery of services to immigrant women You may say that I am the bridge the desert generation that lost the chance to have it my way But I will do my best to raise my daughters to have more choices than I In this well referenced book immigrant women from Austria Bosnia Cuba various parts of the former Soviet Union Guatemala India Israel Lebanon Mexico Pakistan and the Philippines tell us their stories recount what their experiences entailed and what challenges they posed and teach us ways to help them cope successfully This was the best decision we could have made and the best thing we had ever done

Voices of Guatemalan Women in Los Angeles Gabriele Kohpahl, 2018-10-24 First published in 1999 Guatemalan immigration is part of a trend where more women in an increasing number of countries than men participate in transnational migration This research attempts to clarify the causes for this phenomenon First it evaluates which Guatemalan women initiators and pioneers in the decision to migrate Second it looks at women's diverse reasons for leaving Guatemala and third what are the conditions particular to women left behind This study will also contribute to an understanding of the increasing diversification of the Latin American immigrant

population in the United States

Key Words in Multicultural Interventions Patricia Arredondo, Harold E.

Cheatham, Jeffery Scott Mio Ph.D., David Sue, Joseph E. Trimble, 1999-11-30 An essential resource for those interested in multicultural issues this dictionary presents common terms used in multicultural counseling and research The terms are not only denotatively defined but connotations are also included as well as historical information and important writings about the terms The dictionary is thus not only a straightforward compendium of definitions but also a resource for further investigation This is intended to be a resource for those interested in the area of multiculturalism Important publications investigating and or explicating these terms are also discussed and referenced Moreover authors define these terms with a point of view many terms are defined in a manner that connects them with perspectives commonly expressed by scholars and practitioners in the field Thus connotations are included as well as denotations of the terms

The Psychosocial Wellness of Refugees Frederick L. Ahearn, Jr., 2000-04-01 In recent years scholars in the fields of refugee studies and forced migration have extended their areas of interest and research into the phenomenon of displacement human response to it and ways to intervene to assist those affected increasingly focusing on the emotional and social impact of displacement on refugees and their adjustment to the traumatic experiences In the process the positive concept of psychosocial wellness was developed as discussed in this volume In it noted scholars address the strengths and limitations of their investigations citing examples from their work with refugees from Afghanistan Cambodia Vietnam Palestine Cuba Nicaragua Haiti Eastern Europe Bosnia and Chile The authors discuss how they define psychosocial wellness as well as the issues of sample selection measurement reliability and validity refugee narratives and voices and the ability to generalize findings and apply these to other populations The key question that has guided many of these investigations and underlies the premise of this book is what happens to an ordinary person who has experienced an extraordinary event This volume also highlights the fact that those involved in such research must also deal with their own emotional responses as they hear victims tell of killing torture humiliation and dispossession The volume will therefore appeal to practitioners of psychology psychiatry social work nursing and anthropology However its breadth and the evaluation of the strengths and disadvantages of both qualitative and quantitative methods also make it an excellent text for students

Handbook of Community-Based Clinical Practice

Anita Lightburn, Phebe Sessions, 2006 Bridges community practice and clinical practice by collecting 33 chapters from social workers psychologists and psychiatrists that outline and illustrate the state of the art Designed specifically for clinicians making the transition to community based work Provided by publisher

Preventing Heterosexism and Homophobia

Esther D. Rothblum, Lynne A. Bond, 1996-08-06 In addition to the stresses of everyday life gay men lesbians and bisexuals experience multiple pressures and constraints related to their chosen lifestyles This volume examines the gay and lesbian experience in light of this additional tension which can result in psychopathology and points towards a future free of heterosexism The internationally renowned contributors argue that the stress of coming out uncertainties concerning

parenting children and the difficulties facing ethnic minority lesbians gay men and bisexuals cannot be adequately addressed without confronting the heterosexual bias in society They propose methods geared towards eliminating heterosexual bias in a number of settings including health

Women in Global Migration, 1945-2000 Eleanore O. Hofstetter, 2001-03-30 With large numbers of people migrating to other countries after World War II a substantial amount of scholarship has focused on the status problems and successes of women immigrants since 1945 The first comprehensive compilation of the international literature on these women this bibliography with over 5 100 entries reveals the breadth of scholarship on feminist immigration issues Focusing particularly on sources from North America and Western Europe where most immigrant women settled the book includes feminist analyses bibliographies demographic studies economic comparisons educational research health and medical reports legal discussions biographies and autobiographies psychological case studies religious reports sociological investigations and publications dealing with general aspects of female immigration The book covers such legal issues as citizenship international conventions on contract workers the traffic in women and services and government benefits to immigrants Medical entries include such topics as female genital mutilation comparative obstetric results and equity of treatment Education entries cover such subjects as adult education and the second language programs necessary for assimilation With entries in several languages the bibliography includes books journal articles essays and chapters in books dissertations ERIC reports national and international government documents and statistical sources With immigration a major political and social issue in most countries today the book provides an important research tool

Gendered Experiences of Genocide Choman Hardi, 2016-04-22 Between February and September 1988 the Iraqi government destroyed over 2000 Kurdish villages killing somewhere between 50 000 and 100 000 civilians and displacing many more The operation was codenamed Anfal which literally means the spoils of war For the survivors of this campaign Anfal did not end in September 1988 the aftermath of this catastrophe is as much a part of the Anfal story as the gas attacks disappearances and life in the camps This book examines Kurdish women s experience of violence destruction the disappearance of loved ones and incarceration during the Anfal campaign It explores the survival strategies of these women in the aftermath of genocide By bringing together and highlighting women s own testimonies Choman Hardi reconstructs the Anfal narrative in contrast to the current prevailing one which is highly politicised simplified and nationalistic It also addresses women s silences about sexual abuse and rape in a patriarchal society which holds them responsible for having been a victim of sexual violence

Strengths and Challenges of New Immigrant Families Rochelle L. Dalla, John Defrain, Julie M. Johnson, Douglas A. Abbott, 2009-07-16 Immigration to America is an issue that often sparks intense emotional reactions from passion and compassion to anger and even rage Often missing from the dialogue however is discussion of the strengths of immigrant newcomers the abilities and positive characteristics they bring as individuals and families to our country and how these contribute to the agency growth and vitality of America This book was intended to move the discussion of immigration

generally speaking and of immigrant families specifically to include how and in what ways new immigrants to America those arriving within the past thirty years have changed the social and geocultural landscape of this country in positive beneficial and valuable ways The book is comprised of nineteen chapters written by scholars with expertise on immigrant families representing every corner of the globe from Africa and India to Europe and Central America In each chapter the unique factors processes and worldviews which help shape and mold the immigrant experience are articulated as are the strengths immigrant newcomers bring to America In addition beyond explicating the strengths of immigrant families each of the nineteen contributing chapters focuses on the implications of these strengths for families communities and the culture Thus the book provides a springboard from which to answer the application and what now questions for those who work with immigrant families in a variety of capacities from academicians and researchers to educators and human service providers

Women Without Men Marlene Epp, 2000-01-01 The story of thousands of Mennonite women who having lost their husbands and fathers assumed altered gender roles in their adopted homeland and created a culture of women refugees with its own distinctive historical narrative
