**The Visual Culture of Chabad** Maya Balakirsky Katz, 2010-10-11 This book is the first full length study of a complex visual tradition associated with the Hasidic movement of Chabad

*Power and Pilgrimage* Sanne Derks, 2009 Power and Pilgrimage is an in depth anthropological study of life at a Bolivian pilgrimage site It focuses on the experiences of pilgrims and how in their Marian devotion they express and learn to live with the various inequalities they experience in everyday life Issues of poverty and class inequality lead them to approach the Virgin of Urkupina to support them in their quest for economic betterment Another social inequality that comes to the fore is based on gender in particular Bolivian women seek Mary s support to deal with violence and oppression in their homes Finally ethnic inequalities are discussed by analysing the dance processions in honour of the Virgin since these reflect contested ethnic identities

**Walter Benjamin, Religion, and Aesthetics** S. Brent Plate, 2005 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company

*The Routledge Handbook of Research Methods in the Study of Religion* Steven Engler, Michael Stausberg, 2013-06-17 This is the first comprehensive survey in English of research methods in the field of religious studies It is designed to enable non specialists and students at upper undergraduate and graduate levels to understand the variety of research methods used in the field The aim is to create awareness of the relevant methods currently available and to stimulate an active interest in exploring unfamiliar methods encouraging their use in research and enabling students and scholars to evaluate academic work with reference to methodological issues A distinguished team of contributors cover a broad spectrum of topics from research ethics hermeneutics and interviewing to Internet research and video analysis Each chapter covers practical issues and

challenges the theoretical basis of the respective method and the way it has been used in religious studies illustrated by case studies

**Religion and the Arts: History and Method** Diane Apostolos-Cappadona, 2017-11-06 In *Religion and the Arts History and Method* Diane Apostolos Cappadona presents an overview of the 19th century origins of this discrete field of study and its methodological journey to the present day through issues of repatriation museum exhibitions and globalization Apostolos Cappadona suggests that the fluidity and flexibility of the study of religion and the arts has expanded like an umbrella since the 1970s and the understanding that art was simply a visual exegesis of texts to now support the study of material popular and visual culture as well as gender She also delivers a careful analysis of the evolution of thought from traditional iconographies to the transformations once scholars were influenced by response theory and challenged by globalization and technology *Religion and the Arts History and Method* offers an indispensable introduction to the questions and perspectives essential to the study of this field

Reel Spirituality (Engaging Culture) Robert K. Johnston, 2006-12-01 Increasingly thinking Christians are examining the influential role that movies play in our cultural dialogue *Reel Spirituality* successfully heightens readers sensitivity to the theological truths and statements about the human condition expressed through modern cinema This second edition cites 200 new movies and encourages readers to ponder movie themes that permeate our culture as well as motion pictures that have demonstrated power to shape our perceptions of everything from relationships and careers to good and evil *Reel Spirituality* is the perfect catalyst for dialogue and discipleship among moviegoers church based study groups and religious film and arts groups The second edition cites an additional 200 movies and includes new film photos

The Hebrew Orient Jessica L. Carr, 2020-12-01 In the decades before the establishment of the State of Israel striking images of Palestine circulated widely among Jewish Americans These images visualized the Orient for American viewers creating the possibility for Jewish Americans to understand themselves through imagining Oriental counterparts In *The Hebrew Orient* Jessica L Carr shows how images of the Holy Land made Jewish Americans feel at home in the United States by imagining the Orient as heritage Carr s analyses of periodicals from Hadassah and the Zionist Organization of America art calendars from the National Federation of Temple Sisterhoods the Jewish Encyclopedia and the Jewish exhibit at the 1933 World s Fair are richly illustrated What emerges is a new understanding of the place of Orientalism in American Zionism Creating a narrative about their origins Jewish Americans looked east to understand themselves as Westerners

*Sacred Stories* Mark D. Steinberg, Heather J. Coleman, 2007-01-24 *Sacred Stories* brings together the work of leading scholars writing on the history of religion and religiosity in late imperial Russia during the critical decades preceding the 1917 revolutions Embodying new research and new methodologies this book reshapes our understanding of the place of religion in modern Russian history Topics examined include miraculous icons and healing pilgrim narratives confessions women and Orthodox domesticity marriage and divorce conversion and tolerance Jewish folk beliefs mysticism in Russian art and philosophical aspects of Orthodox religious thought *Sacred Stories* demonstrates that

belief spirituality and the sacred were powerful and complex cultural expressions central to Russian political social economic and cultural life Contributors are Nicholas B Breyfogle Heather J Coleman Gregory L Freeze Nadieszda Kizenko Alexei A Kurbanovsky Roy R Robson Bernice Glatzer Rosenthal Gabriella Safran Vera Shevzov Sarah Abrevaya Stein Mark Steinberg Paul Valliere William G Wagner Paul W Werth and Christine D Worobec      **Preaching Islamic Renewal** Jacqueline G. Brinton, 2015-10-27 The book is an in depth study of Muhammad Mitwall Sha rawi one of the most important religious figures in late twentieth century Egypt Sha rawi was an advisor to the rulers of Egypt as well as being the first Arab television preacher At the height of his career it was estimated that up to 30 000 000 people tuned in to his show each week Much of the academic literature that focuses on Islam in modern Egypt repeats the claim that traditionally trained Muslim scholars suffered the loss of religious authority Sha rawi however is an example of a well trained Sunni scholar who became a national media sensation He used television for the purpose of renewing religion by popularizing long held theological and ethical beliefs Provided by publisher      **The Routledge Handbook of Religion and Cities** Katie Day, Elise M. Edwards, 2020-12-31 Like an ecosystem cities develop change thrive adapt expand and contract through the interaction of myriad components Religion is one of those living parts shaping and being shaped by urban contexts The Routledge Handbook of Religion and Cities is an outstanding interdisciplinary reference source to the key topics problems and methodologies of this cutting edge subject Representing a diverse array of cities and religions the common analytical approach is ecological and spatial It is the first collection of its kind and reflects state of the art research focusing on the interaction of religions and their urban contexts Comprising 29 chapters by a team of international contributors the Handbook is divided into three parts Research methodologies Religious frameworks and ideologies in urban contexts Contemporary issues in religion and cities Within these sections emerging research and analysis of current dynamics of urban religions are examined including housing economics and gentrification sacred ritual and public space immigration and the refugee crisis political conflicts and social change ethnic and religious diversity urban policy and religion racial justice architecture and the built environment religious art and symbology religion and urban violence technology and smart cities the challenge of climate change for global cities and religious meaning making of the city The Routledge Handbook of Religion and Cities is essential reading for students and researchers in religious studies and urban studies The Handbook will also be very useful for those in related fields such as sociology history architecture urban planning theology social work and cultural studies      *A Theology for a Mediated God* Dennis Ford, 2015-10-08 A Theology for a Mediated God introduces a new way to examine the shaping effects of media on our notions of God and divinity In contrast to more conventional social scientific methodologies and conversations about the relationship between religion and media Dennis Ford argues that the characteristics we ascribe to a medium can be extended and applied metaphorically to the characteristics we ascribe to God just as earlier generations attempted to comprehend God through the metaphors of father shepherd or mother As a result his

work both challenges and bridges the gap between students of religion and media and theology     *The Cambridge Companion to Religious Studies* Robert A. Orsi, 2011-12-19 The Cambridge Companion to Religious Studies is both informative and provocative introducing readers to key debates in the contemporary study of religion and suggesting future research possibilities A group of distinguished scholars takes up some of the most pressing theoretical questions in the field What is a religious tradition How are religious texts read What takes place when a religious practitioner stands before a representation of gods or goddesses ghosts ancestors saints and other special beings What roles is religion playing in contemporary global society The volume emphasizes religion as a lived practice stressing that people have used and continue to use religious media to engage the circumstances of their lives The volume's essays should prove valuable and interesting to a broad audience including scholars in the humanities and social sciences and a general readership as well as students of religious studies     *Spiritual Traces* Aaron Rosen, 2025-09-23 Some of the most compelling spiritual insights today come from artists both through their art and what they say about it Yet interviewers and critics rarely ask artists searching questions about their spiritual interests missing a key feature in the landscape of contemporary art With a fresh jargon free style Aaron Rosen a leading scholar writer and curator addresses this gap He takes readers into studios galleries and worship spaces as he paints a compelling picture of art and spirituality today through essays and interviews As the title suggests Rosen pays special attention to places where spiritual traces might appear hidden fleeting or on the edge of possibility which creates room for readers to ruminate on their own spiritual leanings and interests Rosen focuses on close engagements with individual artists from established names to emerging talents drawing upon close relationships with artists from across the globe and many traditions With more than sixty color images of works ranging from paintings to performances this volume is essential reading for those looking to see art today in a new light     Religious Statues and Personhood Amy R. Whitehead, 2013-09-12 Objects such as statues and icons have long been problematic in the study of religion especially in European Christianities Through examining two groups the contemporary Pagan Glastonbury Goddess religion in the Southwest of England and a cult of the Virgin Mary in Andalusia Spain Amy Whitehead asserts that objects can be more than representational or symbolic In the context of increasing academic interest in materiality in religions and cultures she shows how statues or things are not always interacted with as if they are inert material against which we typically define ourselves as modern humans Bringing two distinct cultures and religions into tension animism and the fetish are used as ways in which to think about how humans interact with religious statues in Western Europe and beyond Both theoretical and descriptive the book illustrates how religions and cultural practices can be re examined as performances that necessarily involve not only human persons but also objects     **Approaches to the Visual in Religion** Daria Pezzoli-Olgati, Christopher Rowland, 2011-06-16 The authors of this volume investigate the analysis of visual sources and their indispensable role for understanding and interpreting religions their symbol systems and the wider traditions of which

they are a part A particular interest in this study is the focus on the methodological challenge of images from a comparative perspective The common concern that ranges over all the contributions is the search for a methodological perspective where images may be analysed in a comprehensive way with particular regard for the social and wider intellectual settings as well as the religious in which the images are embedded Accordingly we seek to show that visual sources need to be interpreted from different angles In the last decades a broad range of publications has contributed to highlight the significance of images and visual media in general for understanding religious traditions communities and discourses in both historical and contemporary perspective In more recent research streams focussing on visual media in religious traditions and symbol systems various avenues have opened up and been explored focussing on the status of images and of the gaze of the viewer as central aspects Furthermore there are illuminating contributions dealing with the theoretical premises and settings with which to approach the visual as a central component of religion on the one hand giving an overview of essential definitions and implications on the other hand concentrating on specific techniques and or media

*The Intimacy of Images* Myriam Lamrani, 2025-05-13 La Santa Muerte becomes a lens for understanding how Oaxacans relate to saints loved ones and other special dead In Oaxaca images of saints and loved ones as well as of victims of political or criminal violence are seemingly everywhere While Oaxacans relate to all sorts of special dead they are particularly devoted to La Santa Muerte Saint Death a female reaper like figure whose popularity has risen in tandem with violence throughout Mexico The Intimacy of Images recontextualizes Oaxacans relationships with their special dead through the lens of La Santa Muerte examining how devotees closely interact with what Lamrani terms intimate images not only devotional effigies but also photographs films tattoos and murals and even dreams and visions Though Mexicans have a well known cultural familiarity with death Lamrani argues that devotion to La Santa Muerte builds upon this intimacy even as it also participates in the production of terror and reflects political and criminal violence Ultimately Lamrani finds that these human image interactions represent more than Catholic devotion they reveal the secrets of Oaxacan political religious and social life embody changing relationships to mortality and violence and even offer insight into the practice of anthropology itself

Devotional Visualities Karen Pechilis, Amy-Ruth Holt, 2023-09-21 This book is the first to focus on material visualities of bhakti imagery that inspire shape convey and expand both the visual practices of devotional communities as well as possibilities for extending the reach of devotion in society in new and often unexpected ways Communities of interpreters of bhakti images discussed in this book include not only a number of distinctive Hindu bhakti groups but also artisans diaspora women South Asian Sufis businessmen dancers and filmmakers This book s identification of devotional practices of looking such as materializing memory mirroring and immaterializing portraits and shaping the return look connect material and visual cultures as well as illustrate modes of established and experimental image usage Bhakti is one of the most studied aspects of Indic devotionism on account of its expression through emotive poetry song and vivid hagiographies of saints The diverse devotional visualities analyzed in this

book meaningfully circulate bhakti images in past and present generating their renewed relationship to contemporary concerns
