# WORLD RELIGION 1AD TO 2100

# Religion In The Rebel Ranks

**J. Boone Bartholomees**

## Religion In The Rebel Ranks:

*Religion in the Rebel Ranks* Sidney J. Romero, 1953      **Both Prayed to the Same God** Robert J. Miller, 2007-01-01 Both Prayed to the Same God offers a popular yet scholarly overview of the most ignored aspect of the American Civil War—the absolutely crucial role that religion played before during and after this deadliest of American wars This fascinating book outlines how religion and faith paved the way to division were the greatest forces maintaining wartime morale and helped shape forever how America's Civil War would be remembered      *Answering the Call* William E. Dickens, Jr., 1999-04 This book argues that the standardization of the American military chaplaincy occurred during the Civil War It shows that the chaplains of the North and South provided the model on which the modern chaplaincy is based This model is seen in both the regulations which were established during this war and the actual ministry of the chaplains with the men of their assigned units To accomplish this task the book traces the history of the military chaplaincy from the American Revolution through the American Civil War This analysis relies heavily on official documents and reports as well as personal accounts letters and diaries It also incorporates appropriate secondary source material      **Religion on the Battlefield** Ron E. Hassner, 2016-05-18 How does religion shape the modern battlefield Ron E Hassner proposes that religion acts as a force multiplier both enabling and constraining military operations This is true not only for religiously radicalized fighters but also for professional soldiers In the last century religion has influenced modern militaries in the timing of attacks the selection of targets for assault the zeal with which units execute their mission and the ability of individual soldiers to face the challenge of war Religious ideas have not provided the reasons why conventional militaries fight but religious practices have influenced their ability to do so effectively In Religion on the Battlefield Hassner focuses on the everyday practice of religion in a military context the prayers rituals fasts and feasts of the religious practitioners who make up the bulk of the adversaries in bystanders to and observers of armed conflicts To show that religious practices have influenced battlefield decision making Hassner draws most of his examples from major wars involving Western militaries They include British soldiers in the trenches of World War I U S pilots in World War II and U S Marines in Iraq and Afghanistan Hassner shows that even modern rational and bureaucratized military organizations have taken and must take religious practice into account in the conduct of war      *Buff Facings and Gilt Buttons* J. Boone Bartholomees, 1998 The staff system of the Army of Northern Virginia demonstrates one of the peculiar traits of the Civil War That war occurred on a cusp of military history it had elements both ancient and modern and it reflected the struggle of soldiers trying to reconcile the two Civil War military institutions had their roots firmly planted in the traditions and doctrine of the past while they confronted modern problems The story of the disconnection between linear tactics that would have been recognizable to either Alexander or Frederick the Great and deadly rifled muskets is familiar The story of ill trained and ill prepared staffs trying to coordinate all the intricate details of a vast semimodern army operating in a huge theater of war with doctrine and procedures that would soon be if they were not

already outmoded is less familiar That is the story of staff work in the Army of Northern Virginia

**The Gospel Working Up** Beth Barton Schweiger, 2000 This book offers a history of three generations of Baptist and Methodist clergymen in nineteenth century Virginia and through them of the congregations and communities in which they lived and worked Unlike previous scholars who examined Southern Protestantism as only a proslavery and pro Confederate ideology Schweiger takes a wider view and finds a broad transformation of the social and cultural context of religious experience in the region She traces several major themes such as the contrast between rural and urban experience or the Methodist and Baptist schisms of the 1840 s through the lives and careers of 800 clergy

**Rebuilding Zion** Daniel W. Stowell, 2001-09-20 Both the North and the South viewed the Civil War in Christian terms Each side believed that its fight was just that God favored its cause Rebuilding Zion is the first study to explore simultaneously the reaction of southern white evangelicals northern white evangelicals and Christian freedpeople to Confederate defeat As white southerners struggled to assure themselves that the collapse of the Confederacy was not an indication of God s stern judgment white northerners and freedpeople were certain that it was Author Daniel W Stowell tells the story of the religious reconstruction of the South following the war a bitter contest between southern and northern evangelicals at the heart of which was the fate of the freedpeople s souls and the southern effort to maintain a sense of sectional identity Central to the southern churches vision of the Civil War was the idea that God had not abandoned the South defeat was a Father s stern chastisement Secession and slavery had not been sinful rather it was the radicalism of the northern denominations that threatened the purity of the Gospel Northern evangelicals armed with a vastly different vision of the meaning of the war and their call to Christian duty entered the post war South intending to save white southerner and ex slave alike The freedpeople however drew their own providential meaning from the war and its outcome The goal for blacks in the postwar period was to establish churches for themselves separate from the control of their former masters Stowell plots the conflicts that resulted from these competing visions of the religious reconstruction of the South By demonstrating how the southern vision eventually came to predominate over but not eradicate the northern and freedpeople s visions for the religious life of the South he shows how the southern churches became one of the principal bulwarks of the New South a region marked by intense piety and intense racism throughout the twentieth century

**A Shattered Nation** Anne Sarah Rubin, 2009-06-16 Those interested in the nature of American nationalism will find much food for thought in this accomplished discussion of the way Southerners rejected their American identities during the Civil War and developed a sense of themselves as Confederates Foreign Affairs Historians often assert that Confederate nationalism had its origins in pre Civil War sectional conflict with the North reached its apex at the start of the war and then dropped off quickly after the end of hostilities Anne Sarah Rubin argues instead that white Southerners did not actually begin to formulate a national identity until it became evident that the Confederacy was destined to fight a lengthy war against the Union She also demonstrates that an attachment to a symbolic or sentimental Confederacy existed independent of the

political Confederacy and was therefore able to persist well after the collapse of the Confederate state White Southerners redefined symbols and figures of the failed state as emotional touchstones and political rallying points in the struggle to retain local and racial control Rubin argues even as former Confederates took the loyalty oath and applied for pardons in droves

**A Shattered Nation (Volume 2 of 2) (EasyRead Super Large 20pt Edition) , The Indian Rebellion, 1857-1859** Kaushik Roy, 2024-12-30 The Indian Rebellion 1857 1859 A Military History in the Global Context focuses on the military dimension of this conflict in which Indian rebels waged both conventional and unconventional warfare against the British In the summer of 1857 British rule almost disintegrated in north India due to the rebellion of the Indians in the Bengal Army The military mutiny was followed by large scale peasant uprising But by mid 1859 the Indian Rebellion collapsed with the military defeat of the rebels This book is the first one based on archival sources both from India and the United Kingdom dealing with the military history of the mid nineteenth century Indian Rebellion The volume wrestles with the questions of why and how the British won ipso facto and why and how the rebels lost The book also situates the military experience of the mid nineteenth century Indian subcontinent within a global context Besides traditional themes like strategy tactics technology command and logistics the topics introduced by new military history such as experiences of war impact on society and the construction of identities are addressed throughout The Indian Rebellion 1857 1859 is essential for students and researchers of military history modern Indian history and British Imperial history

**Subversion as Foreign Policy** Audrey Kahin, George McTurnan Kahin, 1997 Based on access to secret documents and interviews with many of the participants Subversion as Foreign Policy is an extraordinary account of civil war in Indonesia provoked by President Eisenhower and Secretary of State John Foster Dulles and resulting in the killing of thousands of Indonesians and the destruction of much of the country's air force and navy This startling new book reveals a covert intervention by the United States in Indonesia in the late 1950s involving among other things the supply of thousands of weapons the creation and deployment of a secret CIA air force and logistical support from the Seventh Fleet The intervention occurred on such a massive scale that it is difficult to believe it has been kept almost totally secret from the American public for nearly 40 years And this CIA operation proved to be even more disastrous than the Bay of Pigs San Francisco Chronicle An exemplary study of an ignominious chapter of the Cold War in Southeast Asia Journal of Asian Studies Subversion as Foreign Policy is a remarkable book The Kahins have provided a rare insight into the workings of U S policy towards Indonesia both clandestine and official London Times Literary Supplement

**The American Civil War** Ethan S. Rafuse, 2017-11-28 The largest and most destructive military conflict between the Napoleonic Wars and the First World War the American Civil War has inspired some of the best and most intriguing scholarship in the field of United States history This volume offers some of the most important work on the war to appear in the past few decades and offers compelling information and insights into subjects ranging from the organization of armies historiography the use of intelligence and the challenges faced by civil and military

leaders in the course of America's bloodiest war      The Last Generation Peter S. Carmichael, 2015-12-01 Challenging the popular conception of Southern youth on the eve of the Civil War as intellectually lazy violent and dissipated Peter S. Carmichael looks closely at the lives of more than one hundred young white men from Virginia's last generation to grow up with the institution of slavery He finds them deeply engaged in the political economic and cultural forces of their time Age he concludes created special concerns for young men who spent their formative years in the 1850s Before the Civil War these young men thought long and hard about Virginia's place as a progressive slave society They vigorously lobbied for disunion despite opposition from their elders then served as officers in the Army of Northern Virginia as frontline negotiators with the non-slaveholding rank and file After the war however they quickly shed their Confederate radicalism to pursue the political goals of home rule and New South economic development and reconciliation Not until the turn of the century when these men were nearing the ends of their lives did the mythmaking and storytelling begin and members of the last generation recast themselves once more as unreconstructed Rebels By examining the lives of members of this generation on personal as well as generational and cultural levels Carmichael sheds new light on the formation and reformation of Southern identity during the turbulent last half of the nineteenth century      **God's Almost Chosen Peoples** George C. Rable, 2010

Throughout the Civil War soldiers and civilians on both sides of the conflict saw the hand of God in the terrible events of the day but the standard narratives of the period pay scant attention to religion Now in God's Almost Chosen Peoples Li      The Civil War Soldier Michael Barton, Larry M Logue, 2002-09-01 An anthology of landmark scholarship on the histories of the common soldier in the U.S. Civil War In 1943 Bell Wiley's groundbreaking book Johnny Reb launched a new area of study the history of the common soldier in the U.S. Civil War This anthology brings together landmark scholarship on the subject from a 19th century account of life as a soldier to contemporary work on women who disguised as men joined the army One of the only available compilations on the subject The Civil War Soldier answers a wide range of provocative questions What were the differences between Union and Confederate soldiers What were soldiers' motivations for joining the army their will to combat How can we evaluate the psychological impact of military service on individual morale Is there a basis for comparison between the experiences of Civil War soldiers and those who fought in World War II or Vietnam How did the experiences of black soldiers in the Union army differ from those of their white comrades And why were southern soldiers especially drawn to evangelical preaching Offering a host of diverse perspectives on these issues The Civil War Soldier is the perfect introduction to the topic for the student and the Civil War enthusiast alike Contributors Michael Barton Eric T Dean David Donald Drew Gilpin Faust Joseph Allen Frank James W Geary Joseph T Glatthaar Paddy Griffith Earl J Hess Thomas Wentworth Higginson Perry D Jamieson Elizabeth D Leonard Gerald F Linderman Larry Logue Pete Maslowski Carlton McCarthy James M McPherson Grady McWhiney Reid Mitchell George A Reaves Jr James I Robertson Fred A Shannon Maris A Vinovskis and Bell Irvin Wiley      Diverging Loyalties Bruce T. Gourley, 2011 While many white Baptists from Middle

Georgia marched off to war others stayed behind and voiced their thoughts from pulpits in associational meetings and in the pages of newspapers and journals While historians have often portrayed white southern Baptists with few exceptions as firmly supportive of the Confederacy the experience of Middle Georgia Baptists is much more dynamic Far from being monolithic Baptists at the local church and associational level responded in a myriad of ways to the Confederacy

**Shattered Nation** Edwin Hanton Robertson,1967      **Faith in the Fight** John Wesley Brinsfield,2003 For both the Union and Confederate soldiers religion was the greatest sustainer of morale in the Civil War and faith was a refuge in times of need Guarding and guiding the spiritual well being of the fighters the army chaplain was a voice of hope and reason in an otherwise chaotic military existence The clerics duties did not end after Sunday prayers rather many ministers could be found performing daily regimental duties and some even found their way onto fields of battle      **Rebel Rank and File**

Aaron Brenner,Cal Winslow,Robert Brenner,2020-05-05 Often considered irredeemably conservative the US working class actually has a rich history of revolt **Rebel Rank and File** uncovers the hidden story of insurgency from below against employers and union bureaucrats in the late 1960s and 1970s From the mid 1960s to 1981 rank and file workers in the United States engaged in a level of sustained militancy not seen since the Great Depression and World War II Millions participated in one of the largest strike waves in US history There were 5 716 stoppages in 1970 alone involving more than 3 million workers Contract rejections collective insubordination sabotage organized slowdowns and wildcat strikes were the order of the day Workers targeted much of their activity at union leaders forming caucuses to fight for more democratic and combative unions that would forcefully resist the mounting offensive from employers that appeared at the end of the postwar economic boom It was a remarkable era in the history of US class struggle one rich in lessons for today s labor movement

**The Future of Religion** Rodney Stark,William Sims Bainbridge,1985 Religion is alive and well in the modern world and the social scientific study of religion is undergoing a renaissance For much of this century respected social theorists predicted the death of religion as inevitable consequence of science education and modern economics But they were wrong Stark and Bainbridge set out to explain the survival of religion Using information derived from numerous surveys censuses historical case studies and ethnographic field expeditions they chart the full sweep of contemporary religion from the traditional denominations to the most fervent cults This wealth of information is located within a coherent theoretical framework that examines religion as a social response to human needs both the general needs shared by all and the desires specific to those who are denied the economic rewards or prestige enjoyed by the privileged By explaining the forms taken by religions today Stark and Bainbridge allow us to understand its persistence in a secular age and its prospects for the future

Publisher description

This is likewise one of the factors by obtaining the soft documents of this **Religion In The Rebel Ranks** by online. You might not require more epoch to spend to go to the ebook start as capably as search for them. In some cases, you likewise accomplish not discover the message Religion In The Rebel Ranks that you are looking for. It will agreed squander the time.

However below, in the same way as you visit this web page, it will be appropriately completely simple to acquire as well as download guide Religion In The Rebel Ranks

It will not assume many epoch as we tell before. You can realize it even though work something else at house and even in your workplace. suitably easy! So, are you question? Just exercise just what we find the money for under as with ease as review **Religion In The Rebel Ranks** what you similar to to read!

## **Religion In The Rebel Ranks Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Religion In The Rebel Ranks has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion In The Rebel Ranks has opened up a world of possibilities. Downloading Religion In The Rebel Ranks provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion In The Rebel Ranks has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion In The Rebel Ranks. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion In The Rebel Ranks. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion In The Rebel Ranks, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion In The Rebel Ranks has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Religion In The Rebel Ranks Books**

**What is a Religion In The Rebel Ranks PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion In The Rebel Ranks PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion In The Rebel Ranks PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion In The Rebel Ranks PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion In The Rebel Ranks PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering

information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
