Religious Sects A Sociological Study World University Library

Mark Grundeken

Religious Sects A Sociological Study World University Library:

Religious Sects Bryan R. Wilson, 1970 Social Identity and Sectarianism in the Qumran Movement Jutta Jokiranta, 2012-12-07 Identity and sectarianism two crucial and frequently used concepts on the study of the Qumran movement are problematized praised and redefined in this book Sociology of sectarianism and social identity approach inform the investigation of the serakhim rule documents and pesharim biblical commentaries Religious Identities and the Global South Felix Wilfred, 2021-01-04 This book offers a comprehensive and interdisciplinary account of religious identities in the Global South Drawing on literature in various fields Felix Wilfred analyzes how religious identities intersect with the processes of globalization modernity and postmodernity He illustrates how the study of religion in the Global North often revolves around questions of secularism and fundamentalism whereas a neo Orientalist quality often attends study of religion in the Global South These approaches and theorizing fail to incorporate the experiences of lived religion in the South especially in Asia Historically the religions in the South have played a highly significant role in resistance to the domination by the colonial forces an important reason for the continued attachment of the peoples of the South to their religious universe This book puts the two regions and their scholarly norms in conversation with one another exploring the social political cultural and economic implications *Echoes from the Caves: Qumran and the New Testament* Florentino García Martínez, 2010-01-01 In spite of the amount of literature on the relationship between the Dead Sea Scrolls and the New Testament no consensus among the scholars has emerged as yet on how to explain both the similarities and the differences among the two corpora of religious writings This volume contains a revised form of the contributions to an experts meeting held at the Catholic University of Leuven on December 2007 dedicated to explore the relationship among the two corpora and to understand both the commonalities and the differences between the two corpora from the perspective of the common ground from which both corpora have developed the Hebrew Bible *Routledge Library Editions: Sociology of Religion* Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class **Experimentation in American Religion** Robert Wuthnow, 2023-11-15 Experimentation in American Religion The New Mysticism and Their Implications for the Churches explores the emergence of new religious movements in America particularly those outside the traditional Judeo Christian framework Wuthnow examines these movements in the context of the societal shifts during the 20th century focusing on why they gained popularity especially among groups that traditional religions had struggled to engage such as college students young people and the educated These new religions often draw from Eastern spiritual practices the occult and humanistic ideals challenging the dominance of conventional Western religious traditions The book uses a sociological approach relying on random sample surveys to analyze patterns in religious commitment focusing on social factors such as education age and

background Although the study acknowledges the limitations of sociological data in fully capturing the nuances of religious belief it aims to provide insight into the social context of these new religious movements and why certain individuals are attracted to them The author avoids adhering to any single sociological theory recognizing that different types of new religious movements such as yoga astrology and psychic phenomena require distinct explanations This work is part of a larger project to understand the changing religious landscape in America building on the research conducted by Wuthnow and others at the Survey Research Center This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978 **Handbook of Early Christianity** Anthony

J. Blasi, Jean Duhaime, Paul-André Turcotte, 2002-08-27 The Christian movement emerged amidst complex social tensions power politics ethnic diversity economic stress and cultural changes Both biblical scholars and social scientists find that a social scientific study of early Christian phenomena yields fascinating results However biblical scholars are sometimes unaware of the breadth of the useful social scientific concepts and techniques and social scientists sometimes lack the most basic background in literary research methods The Handbook of Early Christianity provides a much needed overview for biblical scholars and social scientists alike Drawing on perspectives from anthropology archaeology economics history literary analysis psychology political science and sociology the Handbook shows the myriad and complementary approaches that shed light on Christianity s formation and early development Twenty seven chapters from leading scholars along with a comprehensive bibliography make this an essential reference for anyone wishing to understand the social dynamics of Christianity s birth Historical Dictionary of the Seventh-Day Adventists Gary Land, 2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ s imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of Historical Dictionary of the Seventh Day Adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism **A Public and Political Christ** Bart B. Bruehler, 2011-08-05 Was Jesus a public figure A political figure Yes according to Luke s gospel Jesus was a Christ who was both public and political Recent developments in the theory and practice of the study of

space have provided tools to classify ancient social spatial spheres with greater nuance and depth A broad survey of literary and archaeological resources in the ancient world as well as an in depth look at Plutarch's Political Precepts and Philostratus's Life of Apollonius reveals that the familiar dichotomy of public and private does not suffice to describe the Hellenistic Roman milieu that shaped the author and audience of the third gospel This study employs social spatial analysis to explore how Luke uses the power of place to portray Jesus frequently engaging the unofficial public sphere and local politics specifically in 18:35-19:43 the public healing of the blind beggar the unexpected impact of Zacchaeus's hospitality the political implications of the parable of the king and his subjects and the publicity and politics of Jesus' entry into Jerusalem The result is an illuminating look at the overall spatial character of Luke's gospel the development of Christianity in the latter half of the first century and the role of place in contemporary Christianity

A Comparative Study of Social and Religious Movements in Norway, 1780s-1905 Inger Furseth, 2002 This study includes three social movements the Lofthus revolt the Thrane movement and the early labor movement and two religious movements the Hauge movement and Norwegian Methodism The analysis examines how they mobilized resources to reach their goals the external and internal factors that influenced their degrees of success and failure and the interactions and exchanges between them It uses a combination of resource mobilization theory and political process theory for analysis

The Qumran Paradigm Gwynned de Looijer, 2015-10-29 A fundamentally revisionist approach that leaves behind the constructed social reality of a sectarian paradigm Gwynned de Looijer reexamines the key hypotheses that have driven scholars' understandings of the Dead Sea Scrolls the archaeological site of Khirbet Qumran and the textual descriptions of the Essenes She demonstrates that foundational hypotheses regarding a sect at Qumran have heavily influenced the way the texts found in the surrounding caves are interpreted De Looijer's approach abandons those assumptions to illustrate that the Dead Sea Scrolls reflect a wider range of backgrounds reflecting the many diverse forms of Judaism that existed in the Second Temple period Features In depth analysis of 4QMMT Reevaluation of the concept of dualism as it has been applied to Qumran texts Charts and tables illustrate complex theories concepts and connections

Social Science and the Cults John A. Saliba, 2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults

Nigeria's Christian Revolution Richard Burgess, 2008 Nigeria has become the arena of one of the most remarkable religious movements of recent times reflecting the shift in the global center of Christianity from the North to the South This book tells the story of one sector of this movement from its root in the Nigerian civil war to the turn of the new millennium It describes a revival that occurred among the Igbo people of

Eastern Nigeria and the new Pentecostal churches it generated and documents the changes that have occurred as the movement has responded to global flows and local demands As such it explores the nature of revivalist and Pentecostal experience but does so against the backdrop of local socio political and economic developments such as decolonization and civil war as well broader processes such as modernization and globalization

Dynamics of Identity in the World of the Early Christians Philip A. Harland, 2009-11-19 This study sheds new light on identity formation and maintenance in the world of the early Christians by drawing on neglected archaeological and epigraphic evidence concerning associations and immigrant groups and by incorporating insights from the social sciences The study s unique contribution relates in part to its interdisciplinary character standing at the intersection of Christian Origins Jewish Studies Classical Studies and the Social Sciences It also breaks new ground in its thoroughly comparative framework giving the Greek and Roman evidence its due not as mere background but as an integral factor in understanding dynamics of identity among early Christians This makes the work particularly well suited as a text for courses that aim to understand early Christian groups and literature including the New Testament in relation to their Greek Roman and Judean contexts Inscriptions pertaining to associations provide a new angle of vision on the ways in which members in Christian congregations and Jewish synagogues experienced belonging and expressed their identities within the Greco Roman world The many other groups of immigrants throughout the cities of the empire provide a particularly appropriate framework for understanding both synagogues of Judeans and groups of Jesus followers as minority cultural groups in these same contexts Moreover there were both shared means of expressing identity including fictive familial metaphors and peculiarities in the case of both Jews and Christians as minority cultural groups who like other foreigners were sometimes characterized as dangerous alien anti associations By paying close attention to dynamics of identity and belonging within associations and cultural minority groups we can gain new insights into Pauline Johannine and other early Christian communities

The Hebrew Bible in Light of the Dead Sea Scrolls Armin Lange, Kristin De Troyer, Shani Tzoref, Nóra Dávid, 2013-06-11 Until recently most non biblical manuscripts attested in the Qumran library were regarded as copies of texts that were composed after the books of the Hebrew Bible were written Students of the Hebrew Bible found the Dead Sea Scrolls therefore mostly of interest for the textual and interpretative histories of these books The present collection confirms the importance of the Dead Sea Scrolls for both areas by showing that they have revolutionized our understanding of how the text of the biblical books developed and how they were interpreted Beyond the textual and interpretative histories though many texts attested in the Qumran library illuminate the time in which the later books of the Hebrew Bible were composed and reworked as well as Jewish life and law in the time when the canon of the Hebrew Bible developed This volume gives important examples as to how the early texts attested in the Dead Sea Scrolls help to better understand individual biblical books and as to how the later texts among them illustrate Jewish life and law when the canon of the Hebrew Bible evolved In order to find an adequate expertise for the seminar The Dead Sea Scrolls and

the Hebrew Bible the editors invited both junior and senior specialists in the fields of Hebrew Bible Second Temple Judaism Dead Sea Scrolls and Rabbinics to Rome **Community Building in the Shepherd of Hermas** Mark

Grundeken,2015-06-02 In *Community Building in the Shepherd of Hermas* Mark Grundeken investigates key aspects of Christian community life as reflected upon in the early Christian writing the Shepherd of Hermas 2nd century C E Grundeken s thematic study deals with various topics the community s identity including its alleged Jewish Christianness lack of resurrection belief sectarian tendencies and its relation to the authorities and to the emperor cult social features encompassing gender roles and charity and rituals such as baptism metanoia Eucharistic meals the Sunday collection dancing and singing the holy kiss and reading of Scripture The many fruitful entries prove Hermas to be one of the main texts for studying the development of community building in the early church *The Oxford Handbook of the Dead Sea Scrolls* Timothy H. Lim,John J. Collins,2012-10-11 In 1946 the first of the Dead Sea Scroll discoveries was made near the site of Qumran at the northern end of the Dead Sea Despite the much publicized delays in the publication and editing of the Scrolls practically all of them had been made public by the time of the fiftieth anniversary of the first discovery That occasion was marked by a spate of major publications that attempted to sum up the state of scholarship at the end of the twentieth century including *The Encyclopedia of the Dead Sea Scrolls* OUP 2000 These publications produced an authoritative synthesis to which the majority of scholars in the field subscribed granted disagreements in detail A decade or so later *The Oxford Handbook of the Dead Sea Scrolls* has a different objective and character It seeks to probe the main disputed issues in the study of the Scrolls Lively debate continues over the archaeology and history of the site the nature and identity of the sect and its relation to the broader world of Second Temple Judaism and to later Jewish and Christian tradition It is the Handbook s intention here to reflect on diverse opinions and viewpoints highlight the points of disagreement and point to promising directions for future research **Voluntary Associations in the Graeco-Roman World** John S.

Kloppenborg,Stephen G. Wilson,2002-09-11 Based upon a series of detailed case studies of associations such as early synagogues and churches philosophical schools and pagan mystery cults this collection addresses the question of what can legitimately be termed a voluntary association Employing modern sociological concepts the essays show how the various associations were constituted the extent of their membership why people joined them and what they contributed to the social fabric of urban life For many those groups were the most significant feature of social life beyond family and work All of them provided an outlet of religious as well as social commitments Also included are studies of the way in which early Jewish and Christian groups adopted and adapted the models of private association available to them and how this affected their social status and role Finally the situation of women is discussed as some of the voluntary associations offered them a more significant recognition than they received in society at large *Modelling Early Christianity* Philip Esler,2002-11 Explores the fascinating and foreign social context of first century Palestine and the Greco Roman East in which the Christian faith was

first proclaimed and the New Testament written so enabling a better understanding of the texts The Social Setting of the Ministry as Reflected in the Writings of Hermas, Clement and Ignatius Harry O. Maier, 2006-01-01 Focussing on three first and early second century documents the Shepherd of Hermas 1 Clement and the Ignatian epistles this work contributes to a growing body of literature concerned with the social setting of early Christianity Maier argues that the development of structures of leadership in the early Christian church is best accounted for by reference to the hospitality patronage and leadership of wealthy hosts who invited local Christian groups to meet in their homes Sociological models and types are employed to analyze the tensions that arose from excesses of patronage and leadership by the well to do Recognizing the socio economic setting of these conflicts corrects the interpretation of early Christian conflicts over the ministry as purely theological and doctrinal

Religious Sects A Sociological Study World University Library Introduction

Religious Sects A Sociological Study World University Library Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Religious Sects A Sociological Study World University Library Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Religious Sects A Sociological Study World University Library : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Religious Sects A Sociological Study World University Library : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Religious Sects A Sociological Study World University Library Offers a diverse range of free eBooks across various genres. Religious Sects A Sociological Study World University Library Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Religious Sects A Sociological Study World University Library Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Religious Sects A Sociological Study World University Library, especially related to Religious Sects A Sociological Study World University Library, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Religious Sects A Sociological Study World University Library, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Religious Sects A Sociological Study World University Library books or magazines might include. Look for these in online stores or libraries. Remember that while Religious Sects A Sociological Study World University Library, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Religious Sects A Sociological Study World University Library eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Religious Sects A Sociological Study World University Library full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a

wide range of Religious Sects A Sociological Study World University Library eBooks, including some popular titles.

FAQs About Religious Sects A Sociological Study World University Library Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religious Sects A Sociological Study World University Library is one of the best book in our library for free trial. We provide copy of Religious Sects A Sociological Study World University Library in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religious Sects A Sociological Study World University Library. Where to download Religious Sects A Sociological Study World University Library online for free? Are you looking for Religious Sects A Sociological Study World University Library PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Religious Sects A Sociological Study World University Library. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Religious Sects A Sociological Study World University Library are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Religious Sects A Sociological Study World University Library. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access

Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Religious Sects A Sociological Study World University Library To get started finding Religious Sects A Sociological Study World University Library, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Religious Sects A Sociological Study World University Library So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Religious Sects A Sociological Study World University Library. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Religious Sects A Sociological Study World University Library, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Religious Sects A Sociological Study World University Library is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Religious Sects A Sociological Study World University Library is universally compatible with any devices to read.
