Roman Wölfel

Religious Ambiguity And Religious Diversity:

Religious Ambiguity and Religious Diversity Robert McKim, 2001-03-08 The religious ambiguity of the world has many aspects one of which is the hiddenness of God Theists have proposed a number of explanations of God's hiddenness Some putative explanations contend that the advantages of God's hiddenness goods of mystery outweigh whatever benefits would result if God's existence and nature were clear to us goods of clarity Goods of mystery that have received a lot of discussion include human moral autonomy and the ability on our part to exercise control over whether we believe in the existence of God The extent of the ambiguity that surrounds God's existence and indeed all important religious matters combined with our lack of an obviously correct and adequate explanation of this lack suggest that even if God exists it is not important that people believe in God Another central theme in the book is the significance of religious diversity for religious belief The character of this diversity is such that it provides people who take a position on religious matters with reason to adopt the Critical Stance which requires people in all the religious traditions to subject their religious beliefs to critical scrutiny and hold those beliefs in a tentative way Some contend that religious faith requires complete confidence in what is believed but tentative belief actually is sufficient to sustain many forms of religious commitment

Religious Ambiguity and Religious Diversity, 2001 *On Religious Diversity* Robert McKim, 2011-06-01 In *On Religious Diversity* Robert McKim distinguishes and examines a number of possible responses to the knowledge of diverse religious traditions that is available to all of us today There is no escaping the fact that the presence of competing traditions now confronts each of the traditions in a new and forceful way And there is widespread if inchoate recognition of genuine religious sensibilities and genuine religious seriousness in others How might and how should an awareness of other traditions affect a member of a particular religious tradition What attitudes should be taken to the beliefs and salvific prospects of members of other traditions McKim examines several proposed answers to these questions offering the deepest analysis to date of such options as exclusivism and inclusivism He argues that what look like well defined and discrete positions dissolve somewhat under scrutiny revealing significantly different possibilities McKim suggests where best to look for the most plausible answers and makes a case for the attractiveness of inclusivist options He pays particular attention to the religiously ambiguous nature of our circumstances and to the implications of this ambiguity

Religious Perspectives on Religious Diversity, 2016-11-07 *Religious Perspectives on Religious Diversity* addresses fundamental and controversial questions raised by religious diversity What are members of religious traditions to say about outsiders their views and their salvific status And what are they to say about the religions of outsiders about say whether those religions are inspired or salvifically effective or worthwhile or legitimate Discussion of some Muslim Christian and Jewish perspectives is combined with more methodological work The authors of these ground breaking and original yet readable and accessible essays include established scholars and younger scholars whose reputation is growing Contributors are Imran Aijaz David Basinger Paul Rhodes Eddy Jerome Gellman

Mohammad Hassan Khalil Eugene Korn Daniel A Madigan Robert McKim John Sanders and Diego R Sarri Cucarella Judaism Christianity and Islam's attitudes to other religions are thoughtfully examined in this collection both with fine historical sensibility as well as original constructive contributions from leading scholars in the field A series of helpful meta reflections follow on typologies in theology of religions the act of comparison between traditions and a plea for informed tolerance when difference is confronted A rare treat an edited collection that is of uniformly high quality throwing immense light on the subject It will help specialists and undergraduate students approaching the subject of religious pluralism Professor Gavin D Costa University of Bristol September 2016

Religious Tolerance through Humility David Basinger, 2016-12-05 The acclaimed scholars contributing to this volume place under scrutiny a fascinating alternative proposal for a pathway to religious tolerance that serious consideration of religious diversity tends to reveal the weakness of support many have for their religious commitments and the humility produced tends to result in religious tolerance The authors illuminate the debate within philosophy about the way beliefs are supported the controversy between internalism and externalism and disagreement about how humility and tolerance are related Critical and supportive views are represented so that the main lines of agreement and disagreement rise to the surface and are mapped out for the first time The collection honours Philip Quinn who advocated the pathway so rigorously that the special attention given to his views focuses and deepens the critical discussion Original essays by some of the most respected contemporary intellectuals in this field make this collection especially attractive

Religious Diversity and Religious Progress Robert McKim, 2019-01-10 What is someone who has a perspective on religious matters to say about those who endorse other perspectives What should they say about other religions For example might some of their beliefs be true What stage are we human beings at in our religious development Are we close to maturity religiously speaking so that most of the important religious ideas and innovations there will ever be have already appeared Or are we starting out in our religious evolution so that religious developments to date are merely the first rude efforts of a species in its religious infancy

Religious Diversity Roger Trigg, 2014-04-21 Should we merely celebrate diversity in the sphere of religion What of the social cohesion of a country There is a constant tug between belief in religious truth and the need for respect for other religions Religious Diversity Philosophical and Political Dimensions examines how far a firm faith can allow for toleration of difference and respect the need for religious freedom It elucidates the philosophical credentials of different approaches to truth in religion ranging from a dogmatic fundamentalism to a pluralism that shades into relativism Must we resort to a secularism that treats all religion as a personal and private matter with nothing to contribute to discussions about the common good How should law approach the issue of religious freedom Introducing the relevance of central discussions in modern philosophy of religion the book goes on to examine the political implications of increasing religious diversity in a democracy

On Religious Diversity Robert McKim, 2012-01-23 In On Religious Diversity Robert McKim distinguishes and examines a number of possible responses to the knowledge of diverse

religious traditions that is available to all of us today There is no escaping the fact that the presence of competing traditions now confronts each of the traditions in a new and forceful way And there is widespread if inchoate recognition of genuine religious sensibilities and genuine religious seriousness in others How might and how should an awareness of other traditions affect a member of a particular religious tradition What attitudes should be taken to the beliefs and salvific prospects of members of other traditions McKim examines several proposed answers to these questions offering the deepest analysis to date of such options as exclusivism and inclusivism He argues that what look like well defined and discrete positions dissolve somewhat under scrutiny revealing significantly different possibilities McKim suggests where best to look for the most plausible answers and makes a case for the attractiveness of inclusivistic options He pays particular attention to the religiously ambiguous nature of our circumstances and to the implications of this ambiguity

A Comparative Doxastic-Practice Epistemology of Religious Experience Mark Owen Webb, 2014-08-18 This book takes a theoretical enterprise in Christian philosophy of religion and applies it to Buddhism thus defending Buddhism and presenting it favorably in comparison Chapters explore how the claims of both Christianity and Theravada Buddhism rest on people's experiences so the question as to which claimants to religious knowledge are right rests on the evidential value of those experiences The book examines mysticism and ways to understand what goes on in religious experiences helping us to understand whether it is good grounds for religious belief The author argues that religious language in both Christian and Buddhist traditions is intelligible as factual discourse and so reports of mystical experience are true or false The book contends that those experiences can be fruitfully thought of as perceptual in kind and that they are therefore good prima facie grounds for religious belief in the absence of defeating conditions The work goes on to explore Christian and Buddhist testimony and how the likelihood of self deception self delusion imaginative elaboration and the like constitutes a defeating condition It is shown that this defeater has less scope for operation in the Buddhist case than in the Christian case and therefore Theravada Buddhism is better grounded This work will appeal to students and scholars of philosophy and philosophy of religion and those interested in the study of religious experience

Faith, Philosophy and the Reflective Muslim Z. Ali, 2013-05-07 Most modern literature on the rationality of religious belief is primarily written from Christian and Secular perspectives the introduction of a reflective Muslim perspective provides a fresh and alternative perspective This work aims to pioneer an engagement with contemporary philosophical scholarship from the perspective of a reflective Muslim

The Epistemology of Religious Disagreement J. Kraft, 2012-05-21 Many assume falsely that religious disagreements engage rules of evidence presentation and belief justification radically different than the ordinary disagreements people have every day whether those religious disagreements are in Sri Lanka between Hindus and Buddhists or in the Middle East among Jews Christians and Muslims

Realism and Religion Michael Scott, 2017-09-29 This book draws together a distinguished group of philosophers and theologians to present new thinking on realism and religion The

religious realism antirealism debate concerns the questions of God's independence from human beings the nature of religious truth and our access to religious truths Although both philosophers and theologians have written on these subjects there has been little sustained investigation into these issues akin to that found in comparable areas of research such as ethics or the philosophy of science In addition the absence of any agreed approach to the problem underlines both the need for fresh thought on it and the fruitfulness of this area for further research The editors introduction sets the context of the realism debate traces connections amongst the essays which follow and proposes lines for future development and enquiry The contributors present a variety of contrasting positions on key issues in the religious realism debate and each opens up new and important themes Gordon Kaufman Peter Lipton and Simon Blackburn provide the opening chapters and the context for the collection Alexander Bird John Hare Graham Oppy and Nick Trakakis Merold Westphal and John Webster explore topics that are central to the debate This volume of original essays will both introduce newcomers to the field and suggest new lines of research for those already familiar with it

Introducing Philosophy of Religion Chad Meister, 2009-02-13 Does God exist What about evil and suffering How does faith relate to science Is there life after death These questions fascinate everyone and lie at the heart of philosophy of religion Chad Meister offers an up to date introduction to the field focussing not only on traditional debates but also on contemporary concepts such as the intelligent creator Key topics such as divine reality and the self and religious experience are discussed in relation to different faiths Introducing Philosophy of Religion offers a lucid overview of contemporary philosophy of religion introduces the key figures in the history of philosophy of religion explores the impact of religious diversity and pluralism examines the main arguments for and against the existence of God and the nature of the divine looks at science and issues of faith and reason explores how the different religions approach the concept of life after death The wealth of textbook features including tables of essential information questions for reflection summaries glossary and recommendations for further reading make the book ideal for student use Along with its accompanying Reader this is the perfect introductory package for undergraduate philosophy of religion courses Visit the book's companion website at www.routledge.com/textbooks/9780415403276 Features include an interactive glossary a timeline powerpoint slides on all the chapters chapter outlines lists of objectives for study

The God Beyond Belief Nick Trakakis, 2006-11-03 This study of Professor William Rowe's defense of atheism on the basis of evil assesses the literature that has developed in response to Rowe's work closely examining two strategies mystery the idea that God may have reasons beyond our comprehension for permitting evil and theodicy explanations as to why God allows evil to flourish The book unearths difficulties in both concluding that the God of theism must be beyond belief

Problems of Religious Luck Guy Axtell, 2020-07-07 To speak of being religious lucky certainly sounds odd But then so does My faith holds value in God's plan while yours does not This book argues that these two concerns with the concept of religious luck and with asymmetric or sharply differential ascriptions of religious value are inextricably connected It argues that religious luck attributions can

profitably be studied from a number of directions not just theological but also social scientific and philosophical. There is a strong tendency among adherents of different faith traditions to invoke asymmetric explanations of the religious value or salvific status of the home religion vis vis all others. Attributions of good bad religious luck and exclusivist dismissal of the significance of religious disagreement are the central phenomena that the book studies. Part I lays out a taxonomy of kinds of religious luck a taxonomy that draws upon but extends work on moral and epistemic luck. It asks: What is going on when persons' theologies or purported revelations ascribe various kinds of religiously relevant traits to insiders and outsiders of a faith tradition in sharply asymmetric fashion? I am saved but you are lost. My religion is holy but yours is idolatrous. My faith tradition is true and valued by God but yours is false and valueless. Part II further develops the theory introduced in Part I pushing forward both the descriptive explanatory and normative sides of what the author terms his inductive risk account. Firstly, the concept of inductive risk is shown to contribute to the needed field of comparative fundamentalism by suggesting new psychological markers of fundamentalist orientation. The second side of what is termed an inductive risk account is concerned with the epistemology of religious belief but more especially with an account of the limits of reasonable religious disagreement. Problems of inductively risky modes of belief formation problematize claims to religion specific knowledge. But the inductive risk account does not aim to set religion apart or to challenge the reasonableness of religious belief tout court. Rather, the burden of the argument is to challenge the reasonableness of attitudes of religious exclusivism and to demotivate the polemical apologetics that exclusivists practice and hope to normalize.

Religious Diversity in Contemporary Philosophy of Religion Amir Dastmalchian, 2010 Disagreeing Virtuously Vainio, Olli-Pekka, 2017

Disagreement is inevitable particularly in our current context marked by the close coexistence of conflicting values and perspectives in politics, religion, and ethics. How can we deal with disagreement ethically and constructively in our pluralistic world? In *Disagreeing Virtuously* Olli Pekka Vainio presents a valuable interdisciplinary approach to that question drawing on insights from intellectual history, the cognitive sciences, philosophy of religion, and virtue theory. After mapping the current discussion on disagreement among various disciplines, Vainio offers fresh ways to understand the complicated nature of human disagreement and recommends ways to manage our interpersonal and intercommunal conflicts in ethically sustainable ways.

The Biographical Encyclopedia of Islamic Philosophy Oliver Leaman, 2015-07-16

Philosophy flourished in the Islamic world for many centuries and continues to be a significant feature of cultural life today. Now available in paperback, *The Biographical Encyclopedia of Islamic Philosophy* covers all the major and many minor philosophers, theologians, and mystics who contributed to its development. With entries on over 300 thinkers and key concepts in Islamic philosophy, this updated landmark work also includes a timeline, glossary, and detailed bibliography. It goes beyond philosophy to reference all kinds of theoretical inquiry which were often linked with philosophy such as the Islamic sciences, grammar, theology, law, and traditions. Every major school of thought from classical Peripatetic philosophy to Sufi mysticism is represented and entries

range across time from the early years of the faith to the modern period Featuring an international group of authors from South East Asia the Indian Subcontinent the Middle East and North Africa Europe and North America The Biographical Encyclopedia of Islamic Philosophy provides access to the ideas and people comprising almost 1400 years of Islamic philosophical tradition **Perspectives on the Philosophy of William P. Alston** Heather D. Battaly, Michael P.

Lynch, 2005-04-06 One of the most influential analytic philosophers of the late twentieth century William P Alston is a leading light in epistemology philosophy of religion and the philosophy of language In this volume twelve leading philosophers critically discuss the central topics of his work in these areas including perception epistemic circularity justification the problem of religious diversity and truth Together with Alston's vigorous responses these articles make significant new contributions to the literature and will be of interest to a wide range of philosophers and students In addition the volume contains a comprehensive introduction and overview of Alston's work and a complete bibliography of his publications

The Church and the Problem of Divine Hiddenness Derek King, 2022-12-30 This book offers a theological and more specifically ecclesiological response to the philosophical problem of divine hiddenness It engages with philosopher J L Schellenberg's argument on hiddenness and sets out a theologically rich and fresh response drawing on the ecclesiological thought of Gregory of Nyssa With careful attention to Gregory's work the book shows how certain ecclesiological problems and themes are critical to the hiddenness argument It looks to the gathered church the church as the body of Christ and the scattered church the church as the image of God for relevance to the hiddenness problem The volume will be of interest to scholars of theology and philosophy particularly analytic theologians and philosophers of religion

This is likewise one of the factors by obtaining the soft documents of this **Religious Ambiguity And Religious Diversity** by online. You might not require more become old to spend to go to the books introduction as competently as search for them. Religious Ambiguity And Religious Diversity Introduction

Religious Ambiguity And Religious Diversity Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Religious Ambiguity And Religious Diversity Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Religious Ambiguity And Religious Diversity : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Religious Ambiguity And Religious Diversity : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Religious Ambiguity And Religious Diversity Offers a diverse range of free eBooks across various genres. Religious Ambiguity And Religious Diversity Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Religious Ambiguity And Religious Diversity Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Religious Ambiguity And Religious Diversity, especially related to Religious Ambiguity And Religious Diversity, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Religious Ambiguity And Religious Diversity, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Religious Ambiguity And Religious Diversity books or magazines might include. Look for these in online stores or libraries. Remember that while Religious Ambiguity And Religious Diversity, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you

can borrow Religious Ambiguity And Religious Diversity eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Religious Ambiguity And Religious Diversity full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religious Ambiguity And Religious Diversity eBooks, including some popular titles.

FAQs About Religious Ambiguity And Religious Diversity Books

What is a Religious Ambiguity And Religious Diversity PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religious Ambiguity And Religious Diversity PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religious Ambiguity And Religious Diversity PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religious Ambiguity And Religious Diversity PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religious Ambiguity And Religious Diversity PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
