## STEPS TO REBUILD AFTER A MIDLIFE AFFAIR

### SEEK COUNSELING

Both partners need counseling to understand why it happened and how to move forward.

### FOCUS ON REBUILDING TRUST

Trust is the foundation of a healthy relationship. An affair breaks trust, so the focus should be on rebuilding.

### PRACTICE OPEN COMMUNICATION

Talking about what happened is a big part of the healing process. This is part of the accountability process.

### RESPECT EACH OTHERS FEELINGS

Taking the time to understand each other's emotions can also help couples move forward together in a healthy way.

### FORGIVE AND LET GO

This can only happen once the wounds are healed. But it must happen for the marriage to work.

Seventh Edition is the most accessible and engaging text available to students today      *Hollywood and the End of the Cold War* Bryn Upton, 2014-08-26 From the late 1940s until the early 1990s the Cold War was perhaps the most critical and defining aspect of American culture influencing television music and movies among other forms of popular entertainment Films in particular were at the center of the battle for the hearts and minds of the American public Throughout this period the Cold War influenced what movies got produced how such movies were made and how audiences understood the films they watched In the post Cold War era some genres of film suffered from the shift in our national narratives while others were quickly reimagined for an audience with different political and social fears In *Hollywood and the End of the Cold War Signs of Cinematic Change* Bryn Upton compares films from the late Cold War era with movies of similar themes from the post Cold War era In this volume Upton pays particular attention to shifts in narrative that reflect changes in American culture attitudes and ideas In exploring how the absence of the Cold War has changed the way we understand and interpret film this volume seeks to answer several key questions such as Has the end of the Cold War altered how we tell our stories Has it changed how we perceive ourselves In what ways has our popular culture been affected by the absence of this once dominant presence With its focus on themes that are central to the concerns of many historians including civil religion social fracture and the culture wars *Hollywood and the End of the Cold War* will serve as a useful tool for those seeking to integrate film into the classroom as well as for film scholars exploring representations of sociopolitical change on screen
