Poems Short Stories and Things Remembered Gloria G. Blakeney, 2011-02-15 This book is a collection of poems, short stories, and things remembered from the author's years of growing up. The poems were started when while watching tv I started writing down stuff about angels. The next thing I knew I had three poems written about angels. Things just kept going from there. The book of Ruth has always been a favorite of mine. Before I got through writing the story about Ruth I felt led to write the story on Ester. A dear friend who is a retired school teacher read these poems and stories and encouraged me to continue and put all my writings into a book. Many of the stories are from family experiences so one could say they really are true stories. I hope something in this book will touch and change someone's life.
