Remembering Bradman:

Remembering Bradman Margaret Geddes,2003 Despite all the words written about him Sir Donald Bradman has long been something of an enigma A prisoner of his own fame he valued his privacy more than anything else yet as a point of honour answered every letter he received Only after his death could his diverse friends and colleagues feel free to share their personal reminiscences of the world s greatest batsman In his life both within and beyond cricket Bradman s foibles and obsessive pursuit of perfection are revealed as well as his private moments seemingly at odds with his public persona

Harold Larwood Duncan Hamilton,2017-02-02 Winner of the William Hill Sports Book of the Year this is the first ever

biography of Harold Larwood Larwood one of the most talented accurate and intimidating fast bowlers of all time is mainly remembered for his role in the infamous Bodyline series of 1932-3 which brought Anglo Australian diplomatic relations to the brink of collapse Larwood was made the scapegoat and despite the fact he was simply following his captain's instructions he never played cricket for England again Devastated by this betrayal he eventually emigrated to Australia where he was accepted by the country that had once despised him Acclaimed author Duncan Hamilton has gained unprecedented access to the late sportsman's family and archives to tell the story of a true working class hero and cricketing legend The Bulletin, 2006 *Sir Donald Bradman Memorabilia* James Merchant, 2015-10-01 Sir Donald has always encapsulated a lot of what inspires me He was a remarkable sportsman and an Australian Legend who handled his fame with class His cricket prowess and longevity of life meant that a lot of memorabilia was produced since around 1930 and there is always a market for it As a person inflicted with the collecting bug and a strong sense of National pride I couldn't help myself There are many collectors and museums in the cricketing world but there is very little reference material relating to their treasures I have always kept the sales advertisements brochures certificates and boxes pertaining to the items in my collection because they give it more meaning An item of memorabilia can give you visual stimulus and even prompt some feelings relating to its procurement or your journey to see it However I've learnt that a little bit of knowledge can also transcend an item of memorabilia from an object to something more of a friend or family member For the statistically minded there are 209 A4 pages featuring 141 different items 214 colour images 381 references and 89 different cricketers are mentioned in connection with the items

Bradman & the Summer that Changed Cricket Christopher Hilton, 2014-08-14 Sir Donald Bradman is widely considered to be the greatest batsman who has ever lived In 1930 he arrived in England a callow youth whose lack of technique or so the English thought would be mercilessly exposed By summer's end he had redefined the possibilities of the game and changed it forever This fascinating book reconstructs that Australian tour from the first day to the last in the most lively detail including every run in Bradman's legendary 300 scored in one day during the Leeds Test This is a must for every cricket lover Using a host of contemporary sources from regional Australian newspapers and original score sheets to English provincial and national newspapers and players' memories Christopher Hilton brings all aspects of the 1930 summer tour vividly to life He revisits every controversy surrounding one of the sport's most momentous occasions in a way that will bring great enjoyment and a sense of history to readers young and old Christopher Hilton worked for national newspapers notably the Daily Express for 25 years He has since written more than sixty books on a variety of sports as well as history and politics This is his third cricket book Married with a daughter he lives in Hertfordshire **Remembering Richie** Richie Benaud, 2015-10-22 A tribute to Richie Benaud and a celebration of his life Remembering Richie is a compilation of the very best writing from Richie's books along with the best tributes and obituaries from those who knew and worked with him As a player Richie was one of the greatest of cricket's all-rounders As a commentator and thinker on the game he became the

leading figure of his generation As a man he was revered by cricket s multitude of followers and as a friend he was both loved and admired by his close circle of friends This celebratory book brings together the best of Richie s writing on a range of subjects from his love of cricket as a child to his all time XIs from his thoughts on T20 to insight into his family life along with his most loved sayings and best known pieces of commentary All perfectly complemented with tributes from his friends and colleagues Bradman's Band Ashley Alexander Mallett,2000 Don Bradman is the Eternal Flame of cricket As the greatest batsman of them all Bradman consumed bowlers like a firestorm Such a fabled and long career cast an immense shadow over Bradman s peers and opponents alike Their stories are gathered here to make up Bradman s Band the cricket legends who played alongside or against him in the Test arena Among them are Larwood Miller Compton Hutton Headley Allen O Reilly Mailey and Kippax Author Ashley Mallett skilfully rekindles the Bodyline Ashes conflict and the great religious divide Down Under of the 1930s His description of the vendettas and jealousies among Bradman s peers are fascinating reflections on the players and the game Bringing us closer to home is a profile of what The Don describes as his greatest partnership his sixty five year marriage to Jessie Bradman The is a fascinating story of the cricket legends in Bradman s Band **Bradman** Charles Williams,2013-07-11 A masterly portrait of cricket s supreme batsman and Australia s greatest hero Uniquely among biographers of Don Bradman Charles Williams sets his subject s cricketing achievements within the context of a crucial period in the history of modern Australia a time when as the country felt her way towards something that the world would recognise as nationhood Bradman became a focus for national aspirations a figure of unique status Brilliantly revealing the phenomenon of Bradman s cricketing genius and the tensions that genius created for the man his family team mates and the game s administrators Williams story is as much about Australia as it is a great Australian **The Great Romantic** Duncan Hamilton,2019-07-25 Neville Cardus described how one majestic stroke maker made music and spread beauty with his bat Between two world wars he became the laureate of cricket by doing the same with words In The Great Romantic award winning author Duncan Hamilton demonstrates how Cardus changed sports journalism for ever While popularising cricket while appealing in Cardus words to people who didn t know a leg break from the pavilion cat at Lord s he became a star in his own right with exquisite phrase making disdain for statistics and a penchant for literary and musical allusions Among those who venerated Cardus were PG Wodehouse John Arlott Harold Pinter JB Priestley and Don Bradman However behind the rhapsody in blue skies green grass and colourful characters this richly evocative biography finds that Cardus mother was a prostitute he never knew his father and he received negligible education Infatuations with younger women ran parallel to a decidedly unromantic marriage And astonishingly the supreme stylist s aversion to factual accuracy led to his reporting on matches he never attended Yet Cardus also belied his impoverished origins to prosper in a second class conscious profession becoming a music critic of international renown The Great Romantic uncovers the dark enigma within a golden age

Pinter's World William Baker,2018-09-15 Pinter s World Pinter and Company is not a full scale biography but a series of

illuminating chapters about Pinter's life, character and thought, employing new information found in his Appointment Diaries, recent biographical sources such as Simon Gray's memoirs and Henry Woolf's reminiscences, in addition to personal discussions with several in Pinter's world. This book provides a fresh illumination of Pinter's life and art, his friendships, obsessions and concerns. Material is arranged around themes: key concerns, Pinter's activities, Pinter's meetings and endeavors, for instance, with whom he met and when, when he wrote what and when, and his perspective at the time, are documented. This work explores Pinter's writing: drama, poetry, prose, journalism, and letters, which are here regarded as part of his aesthetic achievement. Pinter's World and Company presents a pointillist portrait of him through examining central concerns in his life. These encompass an obsession with the theater and games, delight in restaurants, demonstrating that Pinter is far removed from the socially awkward, isolated figures populating his early work, and the women in Pinter's world. Other areas examined include Pinter's political engagement from his adolescence to his last years, and the literary and other creative influences upon him. This work draws upon consultation of his papers at the British Library, including letters to others, especially close friends, with whom he kept close contact for over half a century. These letters should be regarded on par with his other creative accomplishments. Pinter was a fascinating letter writer whose letters reveal thoughts at the time of writing, often in abrupt, most colorful, idiomatic language. His Appointment Diaries cannot reveal what actually occurred during his meetings, but they do provide a guide to what he did on a daily basis and whom he met. Memories from his friends, his professional colleagues, cricket players, and his second wife, Antonia Fraser, illuminate Pinter's personality and actions. Pinter's first literary love was poetry, and unlike most other Pinter studies, this one gives attention to his neglected poetic output that often reveals the real Pinter and the enigma that is at the heart of every great artist.

The Promise of Endless Summer The Daily Telegraph, 2013-04-04. Whenever an august figure departs the world of cricket, The Daily Telegraph records a decorous tribute. There will certainly be an obituary, in days of yore, penned by the doyen of cricket writers, E. W. Swanton, in recent times, unafraid to be a lot more whimsical, waspish, and even extremely funny. There will often be an appreciation by one of the paper's stable of cricket correspondents, such as Derek Pringle, Michael Henderson, or Scyld Berry, most likely drawing on their memories of having played against the subject or watched his deeds. And sometimes a hero's demise will prompt a heartfelt tribute from someone whose only qualification as an elegist is their own eloquence, as John Major displays on Denis Compton, and Michael Parkinson on Keith Miller. And those cricket lives deemed worthy of memorialising need not be illustrious Test careers, though all the great names, from Bradman to Bedser, Cowdrey to D. A. Lloyd, are here. They can also be quixotic county mavericks like Bomber Wells, self-effacing professionals like Tom Cartwright, and Derek Shackleton, or charismatic one-offs like Colin Milburn or the Nawab of Pataudi. They may not even be cricketers, but rather much-loved commentators and broadcasters like Brian Johnston and Christopher Martin Jenkins, players turned umpires like David Shepherd and Bill Alley, or like the Bishop of Liverpool who previously opened for Sussex and England.

have made their name equally elsewhere Their achievements are often hymned by their peers Mark Nicholas on his Hampshire team mate Malcolm Marshall Tony Lewis on John Arlott Colin Croft on Alf Valentine and Simon Hughes on facing the fearsome Sylvester Clarke Here then are more than eighty greats of the game Australians and South Africans alongside Somerset yeomen and Yorkshire s finest For any cricket lover this little book is an endlessly browsable testament to the sheer richness and variety of the cricketing life **A Last English Summer** Duncan Hamilton,2011-04-28 From matches played on a village green to the high church splendour of Lord s in A Last English Summer award winning author Duncan Hamilton preserves the 2009 cricket season a seminal convulsive time in the sport s history In prose by turns reflective and glorious he remembers all we have lost whilst displaying an overwhelming love for the game that stands out on every page

Deconstructing Sport History Murray G. Phillips,2012-02-01 This groundbreaking collection challenges the accepted principles and practices of sport history and encourages sport historians to be more adventurous in their representations of the sporting past in the present Encompassing a wide range of critical approaches leading international sport historians reflect on theory practice and the future of sport history They survey the field of sport history since its inception examine the principles that have governed the production of knowledge in sport history and address the central concerns raised by the postmodern challenge to history Sharing a common desire to critique contemporary practices in sport history the contributors raise the level of critical analysis of the production of historical knowledge provide examples of approaches by those who have struggled with or adapted to the postmodern challenge and open up new avenues for future sport historians to follow The Daffodil Blooms Andrew Hignell ,Brian Halford,2018-02-01 The third book in the Cricket Witness series is a celebration of Glamorgan winning the 1948 County Championship Not only was it their first ever title it was achieved just four years after the heartbreak of losing their inspirational captain Maurice Turnbull who was killed shortly after the Normandy invasion whilst serving King and Country Maurice had steered the county through a series of difficult seasons when defeats were more common than success and the committee was regularly contemplating a return to Minor County status Elevated into first class cricket in 1921 Glamorgan CCC were the Cinderella of the county game with opponents travelling to South Wales only booking two nights accommodation instead of the normal three given the Welsh county s dreadful form As defeat followed defeat during their first two decades Glamorgan s selection committee often found it difficult to raise a strong team as talented amateurs declined invitations to play and in 1922 they had to draft in a virtually unknown 15 year old schoolboy for what proved to be his one and only county game There were calls for the debt ridden club to wind up but to the delight of their loyal band of supporters they continued and in 1948 Wilf Wooller the former Welsh rugby international led the county to the Championship title This rags to riches tale is recounted with the use of contemporary quotes and extracts from the memoirs of the players themselves It is also lavishly illustrated with many previously unpublished images to celebrate the 70th anniversary of the club s first Championship winning season and a

special moment in Welsh sporting history Men In White (pb) Mukul Kesavan, Keshwani Mukul, 2010-06 You watch drifting surrounded by the thing It's like living underwater Men in White describes the experience of living with cricket in a country consumed by the game Mukul Kesavan is keen on cricket in a non playing way With a top score of 14 in neighbourhood cricket and a lively distaste for fast bowling his credentials for writing about the game are founded on the assumption that distance brings perspective The book recalls the Pandara Park cricket of Kesavan's childhood examines the current health of Test cricket the problem of chucking the growing influence of technology on the game and as he puts it the wickedness of the ICC In between he profiles his cricketing heroes and denounces modern cricket's villains First published in 2007 this updated edition includes a profile of M S Dhoni India's first adult captain since Pataudi a celebration of the freakishly talented Muttiah Muralitharan and a chronicle of the Symonds Affair which revealed more about the racism of the Indian fan than we wanted to acknowledge Written with a novelist's talent for making things vivid and a fan's unwinking commitment to his team Men in White is an indispensable book for cricket lovers everywhere
