Judaism, Christianity, and Islam: The Classical Texts and Their Interpretation, Volume III F. E. the present The hardcover edition of the work is bound in one volume and in the paperback version the identical material is broken down into three smaller but self contained books The third The Works of the Spirit focuses on spirituality and worship and contains material on monasticism theology mysticism and the End Time Throughout the work we hear an amazing variety of voices some familiar some not all of them central to the primary and secondary canons of their own tradition alongside the Scriptural voice of God are the words of theologians priests visionaries lawyers rulers and the ruled The work ends as does the same author s now classic Children of Abraham in what Peters calls the classical period that is before the great movements of modernism and reform that were to transform Judaism Christianity and Islam
