

THE SILENT SYNDICATE

Samuel Adedotum Ishmael is a talented writer who was the publisher of *Divulge Magazine*. He has series of unpublished classic stories that are under review and would soon be available.

He is a passionate writer and loves reading too. He is currently working on the second part of this novel.

When Fred walked into the wedding of his girlfriend Sonia to confirm if it was true he'd been jilted, he never knew he had walked into trouble. Things got dramatic when he was blackmailed into sleeping with the same woman who was the wife of a mob boss, Mike Escobar, a criminal under imminent arrest.

Things took a dangerous turn when Sonio's best friend Kate, also got jilted by her fiancée and found solace in the arms of Fred, meanwhile Fred's friend-with-benefit, Amber never thought things could get serious with Fred, but she found out she was wrong.

But these three ladies were just the beginning of a bigger and deadly plot that may claim Fred's life. The Mob was about to send Fred on a journey of no return to Mexico, a corrupt cop and one of the ladie's betrayal turned the situation into a dangerous experience that will lead many to their death.

But there was a real and more chilling plan behind it all, double crossing, brave manouevre and near death attempts made the book what no one will drop until the end!
