author highlights stories from various people who in their ordinary lives discerned His voice and His love for them. Sometimes God's voice was audible; other times it was through Scripture or a divine revelation. No matter what form God chose to communicate, it was every bit as meaningful. One person shares how he listened to God's voice through divine intervention, guiding him to make a life-changing decision for his family. Another heard the voice of God through a series of events as she visited patients in hospitals and nursing homes. Still another meets God through the beauty of nature. God spoke to the saints and prophets of the past, and He continues to speak to us today. Not all voices are from God. It is important to discern that which brings peace and that which divides and causes unrest. *When God Speaks* is a series of uplifting and personal stories that will help the reader to discern the difference. The author's hope is that you will recall similar occurrences of unexplainable joy in your own lives or a strong passion calling you to service. This book can be used by small faith groups in churches and by book clubs. It would appeal to youth groups, senior groups, Cursillo or Emmaus groups, pastors, and those wanting to deepen their prayerful relationship with God.

**Daily Meditations** George Bowen, 1865 *The Voice of God* Lambert C. Nwoke, 2006-04 Nwoke emphasizes that God still speaks today, and he illustrates different methods by which God speaks to his children. Whether dreams, prophecies, visions, the word of God, or audible voice, he can only be heard by those who create the atmosphere to enable them to hear him.

*Doors of the Church Are Open: Smoke & Mirrors* by Sonya Shuman Sonya Shuman, 2015-04-01 Welcome to the life of the Golden family. Al Golden, a man, a reformed drug dealer, turned entrepreneur and pastor of the largest church in Newark, New Jersey. The Goldenes have it all: looks, fame, fortune, faith, and God's favor. Another thing they have that is not so apparent to the untrained eye of the public that praises them is flaws. Lauded and loved by the residents of the city of Newark, they can do no wrong. Or so it seems from the outside, looking in. The invisible dome that had surrounded the Golden family for so long begins to crack beneath the weight of unresolved issues and grief at the passing of their beloved Carla Golden, the matriarch. The Goldenes' shiny exterior begins to tarnish before everyone's very eyes as their past comes back to haunt them, and bad habits hidden in the darkness, secrets held behind the closed doors, and the velvet rope of the pulpit of the church are brought to light. Will they survive under the weight of the pressure of exposure? In mid-fall off of the religious pedestals set so high by the community, do they have the strength to keep their composure? A microcosm for the hypocrisy that lies underneath the covers of American society, the Golden family is a

sleeping giant is about to be exposed A tale of truth and lies loss lust love life and grace and humanity They are left to wonder if their faith has failed them or if they are their own undoing Can this Golden family survive the impending implosion that is their lives This is a barrier breaking story about the rise and fall of the kings of the church A narrative that depicts reality in the raw It is humanity heaven hell and high water for the reader Not for the faint of heart it is an adventurous drama that reflects the real lives of the haves and the have nots Dispelling religious dogma this deep read serves salvation and nakedness A must read This work will change the life of every reader and make you rethink your relationship with yourself God and others You are guaranteed to never be the same after ingesting this soul food I wrote this book to dispel myths about God salvation people and life What influenced the journey to The Doors were my experiences at various churches over the years Me being a confused Christian having been trapped by religion Having been beaten into submitting to man s will not that of God Fortunately enough I was not raised in a religious household In hindsight I believe that as a youth I may have enjoyed too much freedom Because of such libertarian rearing or lack thereof depending upon view worshipping authoritative figures has never been a priority on my list I have always been rebellious in that aspect Keeping in mind I believe in giving respect where it is due in the same token I am also a firm believer that God is no respecter of persons not withstanding there is a time and place for everything Even Jesus encouraged people to render to Caesar what was his Give respect and honor where it is indeed due There is a way to come before kings as God is a God of order As there is God ordained authority and leadership where in fact we must submit in many instances We must bear in mind dominion and authority are not given exclusively to men as in the sex per se Often times where we see man or men in biblical text it means the whole of humanity Not just males Not just leadership We all have something to bring to the table As equally we are all very flawed creatures who ourselves need to submit to the leadership of God s Holy Spirit     The Will of God Charles F. Stanley,2020-10-06 What is God s will for your life and how can you be sure you re following His path Trusted pastor and bestselling author of The Gift of Prayer helps you discover God s purpose in this practical and insightful guide to hearing His voice We hear so much about God s great purpose for our lives but what exactly does that mean Does the Lord really care about the course we take Is His path really better than what we can figure out on our own And if so how do we discover what He desires regarding the decisions and challenges we face every day especially when the road ahead appears so confusing God s will for you doesn t have to remain a mystery In fact your heavenly Father wants to reveal the plans He has for your life In this book Dr Charles Stanley beloved pastor and respected Bible teacher teaches you how to discern what it is see the different ways God communicates His plans shares wisdom on how to know you re really hearing Him and gives specific steps to walking in God s will for your life Whether you re facing a major life decision planning for the future or simply trying to walk with the Lord day by day The Will of God can help you draw closer to God and discover His awesome plan for your life     Out of the Darkness Came Light Carena Loreza,2021-01-19 This book is about life situations and solutions backed up

with the word of God that it will enrich people's lives and help them identify when something is not right in their life. As well as to encourage them not to give up on their destiny. This book was inspired by the Spirit of God. Out Of Darkness Came Light. For we all were once in the dark. I have Site this Bible Gateway Kings James Version 1 Peter 2:9 KJV. But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into the marvelous light. For Jesus is the light of the world. Reintegration Kathy Barnett, Carrie Daws, 2015-05-29. Deployments are inevitable in military life. Short or long, relatively safe or extremely dangerous, time away from our men is standard issue. How can the family left behind best deal with the transition before and after deployment? And what should we do if he comes home different? Those who deal with long separations due to a career know that the first weeks back can be trickier than when you first began living together as a couple, particularly if the mission was stressful or life threatening. While the Bible doesn't specifically mention reintegration, God still gives us great advice on preparing our hearts and minds so that our marriage can thrive even through Reintegration. *The Living Church*, 1976. **Notes From Grandma** Dr. Ella L. Moore, 2023-03-07. Notes from Grandma is a collection of various Scripture verses and expository thoughts which originated as notes to the author's oldest granddaughter in an effort to encourage her each day. Notes from Grandma consists of 365 inspirational and spiritually motivational vignettes intended to inform, uplift, encourage, and edify the reader. **Prayers from God** Edward Woodville Dorrell Jr., 2014-01-03. Prayers from God ups the ante on how to pray out loud at church. A methodology is described whereby you can pray prayers that not only glorify God and edify the church but change lives and change the church. The book includes two hundred prayers that have been prayed out loud as part of the life of one evangelical church by one layman in worship services, prayer meetings, etc. over a period of twenty years. What makes these prayers unique is the author's justification for calling them Prayers from God. These prayers display a passion and a concern for the lost you'll find nowhere else and give a glimpse into the life of evangelical church life. You'll not find prayers that cause controversy and make people uncomfortable in most books of prayers, but you will here. You can't just read these prayers; you pray these prayers as you read them. **Isaiah the Gospel Prophet** M. L. Andreasen, Milian Lauritz Andreasen, 2001. From the third quarter of 1928 through the first quarter of 1929, M. L. Andreasen authored three books on the Gospel Prophet Isaiah. Included along with the three volumes are the corresponding Sabbath School Lesson Quarterlies for the same time period.
