Los Angeles Without A Map:

Los Angeles Without a Map Richard Rayner, 2013-10-25 Barbara a Playboy bunny is delectable Richard loves her He abandons his life in London a steady girlfriend and a job and flies to Los Angeles in search of Barbara and the romanticized America he s seen only in the movies Richard obsessively pursues Barbara through a series of misadventures that take him from photography sessions in the desert to encounters with men in gorilla suits and surf Nazis Eventually he succeeds in wooing her and they marry bathed in the neon lights of Las Vegas But their happiness unravels and Barbara skips out Richard determines to win her back then he too takes flight as the happy ending he had envisioned for their lives fades to black in the film capital of the world Brilliantly candid and comedic Richard Rayner s ironic first book is a cult favorite later filmed starring David Tennant Julie Delpy and Johnny Depp and a dazzling travelogue of love loss and all destinations in between Los Angeles Without a Map ,1999* **The Films of Johnny Depp** William B. Parrill, 2017-02-10 Since his rise to fame in the television series 21 Jump Street in 1987 and his subsequent transition to film acting Johnny Depp has received constant criticism for his choice of roles at least until his popular turn in the Pirates of the Caribbean series This book aims to reveal the ways in which Depp s choices of film roles though often considered eccentric allowed him to develop into the representative film actor of his time It organizes all of Depp s films chronologically narrating in the process his transition from underestimated teenage pretty boy to bona fide Hollywood hotshot Along the way the book addresses Depp s relationship to earlier film actors especially to Marlon Brando and the silent comics the influence of Depp s androgynous sexuality on both his choice of roles and his acting and his relationships with directors Terry Gilliam and Tim Burton
