Hospitality Freddy James Clark, 2007-07-18 The term hospitality describes a state of generosity accommodation and consideration towards others The Shalom Church which views hospitality as a gift seeks not to control the gift but to share and celebrate it in practice When the practice is intentional it will become embedded in one's lifestyle This adherence is reached when one considers hospitality as a biblical and moral obligation where every encounter with the other will be viewed through the lens of hospitableness Fortunately humanity always moves from host stranger to stranger host In Christian theology the giver and receiver are one of equal regard Since there are no permanent positions in life persons are always moving in and out of situations where they sometimes experience being the host and other times the stranger Hospitality becomes the means by which equal regard and moral obligation are exercised Proclamation is the tool that shapes the practice and develops a committed relationship with hospitality **A Ministry of Christian Hospitality** Eugene Foster Thomas, 1993 **Being Transformed Through the Ministry of Hospitality** Rev.
