

A photograph of a long, straight wooden walkway with railings, leading into a dense forest. The walkway is made of wooden planks and has wooden railings on both sides. The forest is lush with green trees and foliage, creating a canopy overhead. The lighting is soft and natural, suggesting a daytime setting. The walkway leads the viewer's eye deep into the forest, creating a sense of journey and exploration.

Move to a new country and you quickly see that visiting a place as a tourist, and actually moving there for good, are two very different things.
