

Mr Justice And Mrs Black

David Andrew Schultz

Mr Justice And Mrs Black:

Mr. Justice and Mrs. Black Hugo LaFayette Black, Elizabeth Seay Black, 1986 Published to honor the centennial of Suoreme Court Justice Hugo Black s birth this memior is both a revealing look at life in and around the Supreme Court and a moving love story of devoted spouses *Mr Justice and Mrs Black* Outlet, Outlet Book Company Staff, Random House Value Publishing Staff, 1987-05-01 *Abe Fortas: a Biography* Laura Kalman, 1990-01-01 **Justice for All** Jim Newton, 2007-10-02 One of the most acclaimed and best political biographies of its time Justice for All is a monumental work dedicated to a complicated and principled figure that will become a seminal work of twentieth century U S history In Justice for All Jim Newton an award winning journalist for the Los Angeles Times brings readers the first truly comprehensive consideration of Earl Warren the politician turned Chief Justice who refashioned the place of the court in American life through landmark Supreme Court cases whose names have entered the common parlance Brown v Board of Education Griswold v Connecticut Miranda v Arizona to name just a few Drawing on unmatched access to government academic and private documents pertaining to Warren s life and career Newton explores a fascinating angle of U S Supreme Court history while illuminating both the public and the private Warren *Alabama Justice* Steven P. Brown, 2020-10-06 WINNER OF THE ANNE B JAMES B MCMILLAN PRIZE IN SOUTHERN HISTORY Examines the legacies of eight momentous US Supreme Court decisions that have their origins in Alabama legal disputes Unknown to many Alabama has played a remarkable role in a number of Supreme Court rulings that continue to touch the lives of every American In Alabama Justice The Cases and Faces That Changed a Nation Steven P Brown has identified eight landmark cases that deal with religion voting rights libel gender discrimination and other issues all originating from legal disputes in Alabama Written in a concise and accessible manner each case law chapter begins with the circumstances that created the dispute Brown then provides historical and constitutional background for the issue followed by a review of the path of litigation Excerpts from the Court s ruling in the case are also presented along with a brief account of the aftermath and significance of the decision The First Amendment New York Times v Sullivan racial redistricting Gomillion v Lightfoot the Equal Protection Clause of the Fourteenth Amendment Frontiero v Richardson and prayer in public schools Wallace v Jaffree are among the pivotal issues stamped indelibly by disputes with their origins in Alabama legal political and cultural landscapes By examining such landmark twentieth century milestones and eras such as the Scottsboro Boys trial the Civil Rights movement and the fight for women s rights through a legal lens Brown sheds new and unexpected light on the ways that events in Alabama have shaped the nation In addition to his analysis of cases Brown discusses the three associate Supreme Court justices from Alabama to the Supreme Court John McKinley John Archibald Campbell and Hugo Black Their cumulative influence on constitutional interpretation the institution of the Court and the day to day rights and liberties enjoyed by every American is impossible to measure A closing chapter examines the careers and contributions of these three Alabamians *The Battle Over School*

Prayer Bruce J. Dierenfield, 2007 A concise and readable guide to the first and still most important case that tackled the constitutionality of prayer in public schools The decision evoked an enormous outcry from a wide spectrum of society concerned about protecting religious practice in America and curbing an activist Supreme Court that many perceived to be too liberal and out of control

Courtwatchers Clare Cushman, 2011-10-16 In the first Supreme Court history told primarily through eyewitness accounts from Court insiders Clare Cushman provides readers with a behind the scenes look at the people practices and traditions that have shaped an American institution for more than 200 years Each chapter covers one general thematic topic and weaves a narrative from memoirs letters diaries and newspaper accounts by the Justices their spouses and children court reporters clerks oral advocates court staff journalists and other eyewitnesses These accounts allow readers to feel as if they are squeezed into the packed courtroom in 1844 as silver tongued orator Daniel Webster addresses the court eavesdropping on an exasperated Oliver Wendell Holmes Jr in 1930 as he snaps at a clerk's critique of his draft opinion or sharing a taxi with future Chief Justice John G Roberts Jr in 2005 as he rushes home from the airport in anticipation of a phone call from President Bush offering him the nomination to the Supreme Court This entertaining and enlightening tour of the Supreme Court's colorful personalities and inner workings will be of interest to all readers of American political and legal history

Freedom of Speech: Volume 21, Part 2 Ellen Frankel Paul, Fred D. Miller, Jr, Jeffrey Paul, 2004-07-05 Whether free speech is defended as a fundamental right that inheres in each individual or as a guarantee that all of society's members will have a voice in democratic decision making the central role of expressive freedom in liberating the human spirit is undeniable Freedom of expression will as the essays in this volume illuminate encounter new and continuing controversies in the twenty first century Advances in digital technology raise pressing questions regarding freedom of speech and with it intellectual property and privacy rights Campaign finance reform limits the formerly sacrosanct category of political speech Expressive liberties may face their greatest challenge from government efforts to thwart terrorism The twelve legal scholars and philosophers whose work appears in this volume examine the history of free speech doctrine its relevance to other social and personal values and the radical critiques it has withstood in recent years

District and County Reports Pennsylvania. Courts, 1923

Justice Brennan Seth Stern, Stephen Wermiel, 2013-02-27 In this sweeping and revealing insider study Seth Stern and Stephen Wermiel shine a bright light on the life career and thought of William Brennan 1906-1997 widely considered the Supreme Court's most influential twentieth century justice as well as its greatest liberal and preeminent strategist Stern and Wermiel make available for the first time a striking new view of Brennan based on what Jeffrey Toobin has called a coveted set of documents Justice Brennan's very personal case histories of the major battles that confronted the Supreme Court during the past half century *Roe v Wade* affirmative action the death penalty obscenity law and the constitutional right to privacy are among the many controversial and hotly contested big picture issues covered in the Brennan annals But they also provide more intimate glimpses of

Brennan's surprising refusal to hire female clerks even as he wrote groundbreaking opinions relating to women's rights the complex tension between his commitment to law and his Catholic beliefs and new details on his unprecedented working relationship with Chief Justice Earl Warren Drawing upon Wermiel's rare access to the Brennan case histories half of which will not be released to the public until 2017 and his more than sixty hours of one on one interviews with Justice Brennan himself the authors have crafted a compelling portrait of a judicial giant filled with details and insights that will further cement Brennan's reputation as an epic playmaker during the Court's most liberal era

Judges and Their Audiences

Lawrence Baum, 2009-01-10 What motivates judges as decision makers Political scientist Lawrence Baum offers a new perspective on this crucial question a perspective based on judges' interest in the approval of audiences important to them The conventional scholarly wisdom holds that judges on higher courts seek only to make good law good policy or both In these theories judges are influenced by other people only in limited ways in consequence of their legal and policy goals In contrast Baum argues that the influence of judges' audiences is pervasive This influence derives from judges' interest in popularity and respect a motivation central to most people Judges care about the regard of audiences because they like that regard in itself not just as a means to other ends *Judges and Their Audiences* uses research in social psychology to make the case that audiences shape judges' choices in substantial ways Drawing on a broad range of scholarship on judicial decision making and an array of empirical evidence the book then analyzes the potential and actual impact of several audiences including the public other branches of government court colleagues the legal profession and judges' social peers Engagingly written this book provides a deeper understanding of key issues concerning judicial behavior on which scholars disagree identifies aspects of judicial behavior that diverge from the assumptions of existing models and shows how those models can be strengthened

Leaving the Bench David Neal Atkinson, 1999 Examining each of the nearly 100 men who have left the US Supreme Court explores their resignations and retirements from the lifetime tenure Considers the diverse circumstances under which they leave and clarifies why they often are reluctant to do so finding factors such as pensions party loyalty and personal pride Also relates physical ailments to mental faculties to explain how a justice's disability can affect Court decisions Annotation copyrighted by Book News Inc Portland OR

Of Courtiers and Kings

Clare Cushman, Todd C. Peppers, 2015-12-03 Supreme Court justices have long relied on law clerks to help process the work of the Court Yet few outside the Court are privy to the behind the scenes bonds that form between justices and their clerks In *Of Courtiers and Kings* Todd C. Peppers and Clare Cushman offer an intimate new look at the personal and professional relationships of law clerks with their justices Going beyond the book's widely acclaimed predecessor *In Chambers* the vignettes collected here range from reflections on how serving as clerks at the Supreme Court impacted the careers of such justices as Stephen Breyer Elena Kagan William Rehnquist John G. Roberts Jr and John Paul Stevens to personal recollections written by parents and children who have both served as Supreme Court clerks While individual essays often focus on a single justice and his or

her corps of clerks including how that justice selected and utilized the clerks taken as a whole the volume provides a macro level view of the evolution of the role of the Supreme Court law clerk Drawing on a rich repository of such anecdotes insights and experience the volume relates in a clear and accessible style how the clerking function has changed over time and what it is like for law clerks to be witnesses to history Offering a rare glimpse into a normally unseen world Of Courtiers and Kings reveals the Court s increasing reliance on law clerks and raises important questions about the selection utilization and influence of law clerks Praise for In Chambers An excellent book It s interesting for many different reasons not the least of which as a reminder of how much of a bastion of elitism the Court has always been Atlantic Monthly The best parts of the book are the behind the scenes descriptions of life at the court A n impressive and comprehensive book Associated Press

Democratic Justice: Felix Frankfurter, the Supreme Court, and the Making of the Liberal Establishment Brad Snyder, 2022-08-23 The definitive biography of Felix Frankfurter Supreme Court justice and champion of twentieth century American liberal democracy The conventional wisdom about Felix Frankfurter Harvard law professor and Supreme Court justice is that he struggled to fill the seat once held by Oliver Wendell Holmes Scholars have portrayed Frankfurter as a judicial failure a liberal lawyer turned conservative justice and the Warren Court s principal villain And yet none of these characterizations rings true A pro government pro civil rights liberal who rejected shifting political labels Frankfurter advocated for judicial restraint he believed that people should seek change not from the courts but through the democratic political process Indeed he knew American presidents from Theodore Roosevelt to Lyndon Johnson advised Franklin Roosevelt and inspired his students and law clerks to enter government service Organized around presidential administrations and major political and world events this definitive biography chronicles Frankfurter s impact on American life As a young government lawyer he befriended Theodore Roosevelt Louis Brandeis and Holmes As a Harvard law professor he earned fame as a civil libertarian Zionist and New Deal power broker As a justice he hired the first African American law clerk and helped the Court achieve unanimity in outlawing racially segregated schools in Brown v Board of Education In this sweeping narrative Brad Snyder offers a full and fascinating portrait of the remarkable life and legacy of a long misunderstood American figure This is the biography of an Austrian Jewish immigrant who arrived in the United States at age eleven speaking not a word of English who by age twenty six befriended former president Theodore Roosevelt and who by age fifty was one of Franklin Roosevelt s most trusted advisers It is the story of a man devoted to democratic ideals a natural orator and often overbearing justice whose passion allowed him to amass highly influential friends and helped create the liberal establishment

A Storm Over this Court Jeffrey D. Hockett, 2013 On the way to offering a new analysis of the basis of the Supreme Court s iconic decision in Brown v Board of Education Jeffrey Hockett critiques an array of theories that have arisen to explain it and Supreme Court decision making generally Drawing upon justices books articles correspondence memoranda and draft opinions A Storm over This Court demonstrates that the puzzle of Brown s basis cannot be explained

by any one theory Borrowing insights from numerous approaches to analyzing Supreme Court decision making this study reveals the inaccuracy of the popular perception that most of the justices merely acted upon a shared liberal preference for an egalitarian society when they held that racial segregation in public education violates the equal protection clause of the Fourteenth Amendment A majority of the justices were motivated instead by institutional considerations including a recognition of the need to present a united front in such a controversial case a sense that the Court had a significant role to play in international affairs during the Cold War and a belief that the Court had an important mission to counter racial injustice in American politics A Storm over This Court demonstrates that the infusion of justices personal policy preferences into the abstract language of the Constitution is not the only alternative to an originalist approach to constitutional interpretation Ultimately Hockett concludes that the justices decisions in *Brown* resist any single elegant explanation To fully explain this watershed decision and by implication others it is necessary to employ a range of approaches dictated by the case in question

Newsworthy Samantha Barbas,2017-01-18 In 1952 the Hill family was held hostage by escaped convicts in their suburban Pennsylvania home The family of seven was trapped for nineteen hours by three fugitives who treated them politely took their clothes and car and left them unharmed The Hills quickly became the subject of international media coverage Public interest eventually died out and the Hills went back to their ordinary obscure lives Until a few years later the Hills were once again unwillingly thrust into the spotlight by the media with a best selling novel loosely based on their ordeal a play a big budget Hollywood adaptation starring Humphrey Bogart and an article in *Life* magazine *Newsworthy* is the story of their story the media firestorm that ensued and their legal fight to end unwanted embarrassing distorted public exposure that ended in personal tragedy This story led to an important 1967 Supreme Court decision *Time Inc v Hill* that still influences our approach to privacy and freedom of the press *Newsworthy* draws on personal interviews unexplored legal records and archival material including the papers and correspondence of Richard Nixon who prior to his presidency was a Wall Street lawyer and argued the Hill family s case before the Supreme Court Leonard Garment Joseph Hayes Earl Warren Hugo Black William Douglas and Abe Fortas Samantha Barbas explores the legal cultural and political wars waged around this seminal privacy and First Amendment case This is a story of how American law and culture struggled to define and reconcile the right of privacy and the rights of the press at a critical point in history when the news media were at the peak of their authority and when cultural and political exigencies pushed free expression rights to the forefront of social debate *Newsworthy* weaves together a fascinating account of the rise of big media in America and the public s complex ongoing love hate affair with the press

Encyclopedia of the United States Constitution David Andrew Schultz,2010-05-18 Covers the people court cases historical events and terms relating to one of the most studied political documents in schools across the country the United States Constitution

One Nation Under God Kevin M. Kruse,2015-04-14 The provocative and authoritative history of the origins of Christian America in the New Deal era We re often told that the United States is was

and always has been a Christian nation But in One Nation Under God historian Kevin M Kruse reveals that the belief that America is fundamentally and formally Christian originated in the 1930s To fight the slavery of FDR s New Deal businessmen enlisted religious activists in a campaign for freedom under God that culminated in the election of their ally Dwight Eisenhower in 1952 The new president revolutionized the role of religion in American politics He inaugurated new traditions like the National Prayer Breakfast as Congress added the phrase under God to the Pledge of Allegiance and made In God We Trust the country s first official motto Church membership soon soared to an all time high of 69 percent Americans across the religious and political spectrum agreed that their country was one nation under God Provocative and authoritative One Nation Under God reveals how an unholy alliance of money religion and politics created a false origin story that continues to define and divide American politics to this day The Supreme Court in the Intimate Lives of Americans Howard Ball,2002-08-01 Choice Outstanding Academic Title 2003 Personal rights such as the right to procreate or not and the right to die generate endless debate This book maps out the legal political and ethical issues swirling around personal rights Howard Ball shows how the Supreme Court has grappled with the right to reproduce and to abort and takes on the issue of auto euthanasia and assisted suicide from Karen Ann Quinlan through Kevorkian and just recently to the Florida case of the woman who was paralyzed by a gunshot from her mother and who had the plug pulled on herself For the last half of the twentieth century the justices of the Supreme Court have had to wrestle with new and difficult life and death questions for them as well as for doctors and their patients medical ethicists sociologists medical practitioners clergy philosophers law makers and judges The Supreme Court in the Intimate Lives of Americans offers a look at these issues as they emerged and examines the manner in which the men and women of the U S Supreme Court addressed them *Encyclopedia of American Civil Liberties* Paul Finkelman,2021-02-25 Originally published in 2006 the Encyclopedia of American Civil Liberties is a comprehensive 3 volume set covering a broad range of topics in the subject of American Civil Liberties The book covers the topic from numerous different areas including freedom of speech press religion assembly and petition The Encyclopedia also addresses areas such as the Constitution the Bill of Rights slavery censorship crime and war The book s multidisciplinary approach will make it an ideal library reference resource for lawyers scholars and students
