*ALL THE QUEEN'S MEN*

Byron Farwell

The outrageous, but often glorious, story  
of Britain's pre-World War I Army

# Mr Kiplings Army

**CL Gary**

## **Mr Kiplings Army:**

*Mr. Kipling's Army* Byron Farwell, 1981-01-01 This is an upstairs downstairs view of the Victorian Edwardian army one of the world's most peculiar fighting forces The battles it fought are household words but the idiosyncracies and eccentricities of its soldiers and the often appalling conditions under which they lived have gone largely unrecorded Byron Farwell explores here the lives of officers and men their foibles gallantry and diversions their discipline and their rewards Publisher *Mr. Kipling's Army* Byron Farwell, 1987 This is an upstairs downstairs view of the Victorian Edwardian army one of the world's most peculiar fighting forces The battles it fought are household words but the idiosyncracies and eccentricities of its soldiers and the often appalling conditions under which they lived have gone largely unrecorded Byron Farwell explores here the lives of officers and men their foibles gallantry and diversions their discipline and their rewards 'The Army Isn't All Work' James D. Campbell, 2016-03-16 Between the Crimean War and the end of the First World War the British Army underwent a dramatic change from being an anachronistic and frequently ineffective organization to being perhaps the most professional and highly trained army in the world Historians have tended to view that transformation through the successive political reform efforts of those years but have largely overlooked the ways in which the Army transformed itself from within This change was effected through the modernization of training operational and leadership doctrines The adoption of formal physical training and organized games played a central part in this process With its origins in elite public schools and upper class country homes the Army's philosophy of Athleticism was a part of the ethos of muscular Christianity widely held in contemporary British institutions Under the potent influence of this philosophy military sport went from a means of keeping soldiers from drink and the officers from duty to an institutionalized form of combat training This book documents the origins and development of formal physical training in the late Victorian Army and the ways in which the Army's gymnastic training evolved into a vital building block of the process of turning a civilian into a fighting man It also assesses the nature and extent of British military sport particularly regimental sports during this period of evolution for the Army Through an investigation of the Army's physical culture during this dynamic period one can gain an understanding of not only how the Army's change from within occurred but also of some of the important links between the Army and its parent society

**Navy and Army Illustrated** , **Army** ,1977 **Rudyard Kipling** Robert Thurston Hopkins,1914 *A Soldier's Kipling* Edward J. Erickson,2018-06-30 Rudyard Kipling was one of the most versatile writers of the Victorian age a journalist storyteller historian and poet One of the major subjects of his poetry was the British army and the way it waged its campaigns during Queen Victorias little wars and it is this aspect of his writing that Edward Erickson explores in this absorbing and perceptive study Kiplings military poems offer insights into the profession of arms and how soldiers were trained and fought in distant expeditionary campaigns they bring to life the world of the Victorian soldier in the most evocative way Although not a soldier himself Kipling wrote about timeless themes of military and wartime service the experience of combat unit cohesion and individual courage A Soldiers Kipling is an original contribution to the understanding of Kiplings work and his times and it

should lead to a fresh appreciation of a facet of his writing that has not been focused on so closely before *Rudyard Kipling* Roger Lancelyn Green, 2013-07-04 This set comprises 40 volumes covering 19th and 20th century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995 **The British Army Regular Mounted Infantry 1880-1913** Andrew Winrow, 2016-11-03 The regular Mounted Infantry was one of the most important innovations of the late Victorian and Edwardian British Army Rather than fight on horseback in the traditional manner of cavalry they used horses primarily to move swiftly about the battlefield where they would then dismount and fight on foot thus anticipating the development of mechanised infantry tactics during the twentieth century Yet despite this apparent foresight the mounted infantry concept was abandoned by the British Army in 1913 just at the point when it may have made the transition from a colonial to a continental force as part of the British Expeditionary Force Exploring the historical background to the Mounted Infantry this book untangles the debates that raged in the army Parliament and the press between its advocates and the supporters of the established cavalry With its origins in the extemporised mounted detachments raised during times of crisis from infantry battalions on overseas imperial garrison duties Dr Winrow reveals how the Mounted Infantry model unique among European armies evolved into a formalised and apparently highly successful organisation of non cavalry mounted troops He then analyses why the Mounted Infantry concept fell out of favour just eleven years after its apogee during the South African Anglo Boer War of 1899 1902 As such the book will be of interest not only to historians of the nineteenth century British army but also those tracing the development of modern military doctrine and tactics to which the Mounted Infantry provided successful if short lived inspiration **Delphi Collected Works of G. K. Chesterton,2007-12 *The Spectator* ,1899 [Lord Methuen and the British Army](#) Stephen M. Miller,2012-11-12 This

study analyzes the readiness of the British military establishment for war in 1899 and its performance in the South African War 1899-1902. It focuses on the career of Field Marshal Paul Sanford 3rd Baron Methuen whose traditional military training used so effectively in Queen Victoria's small wars was put to the test by the modern challenges of the South African War. A subsidiary aim of this work is to correct and refine the historical consensus that Methuen's campaigning in the South African War was plagued by practical errors and poor judgement. The South African War was a crucial transitional episode in the history of the British army. Unlike Great Britain's other expeditions it required the concentrated resources of the entire empire. It was a modern war in the sense that it employed the technology, the weaponry, the communications and the transportation of the second industrial revolution.

*Father Brown: The Works* G. K. Chesterton Gilbert Keith Chesterton, 2016-05-10. Creighton Mandell* and *Edward Shanks*, *The Man Who was Thursday*, *A Nightmare*, *The Wild Knight and Other Poems*, *Greybeards at Play*, *Literature and Art for Old Gentlemen*, *Lord Kitchener*, *The Wisdom of Father Brown*, *The Appetite of Tyranny*, *Including Letters to an Old Garibaldian*, *The Ballad of St Barbara and Other Verses* etc.

[The British Army 1815-1914](#) Harold E. Raugh, 2020-03-24. This collection of essays examines the evolution of the British Army during the century-long Pax Britannica from the time Wellington considered its soldiers the scum of the earth to the height of the imperial epoch when they were highly respected soldiers of the Queen. The British Army during this period was a microcosm and reflection of the larger British society. As a result, this study of the British Army focuses on its character and composition, its officers and men, efforts to improve its efficiency and effectiveness and its role and performance on active service while an instrument of British Government policy.

[The Army Quarterly](#), 1923

Mr Kiplings Army: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Mr Kiplings Army : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Mr Kiplings Army : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
