The Translator in the Text Rachel May,1994-11-23 What does it mean to read one nation s literature in another language The considerable popularity of Russian literature in the English speaking world rests almost entirely upon translations In *The Translator and the Text* Rachel May analyzes Russian literature in English translation seeing it less as a substitute for the original works than as a subset of English literature with its own cultural stylistic and narrative traditions **Facets of Russian Irrationalism between Art and Life** ,2016-04-08 Russia is an enigmatic mysterious country situated between East and West not only spatially but also mentally Or so it is traditionally perceived in Western Europe and the Anglophone world at large One of the distinctive features of Russian culture is its irrationalism which revealed itself diversely in Russian life and thought literature music and visual arts and has survived to the present day Bridging the gap in existing scholarship the current volume is an attempt at an integral and multifaceted approach to this phenomenon and launches the study of Russian irrationalism in philosophy theology literature and the arts of the last two hundred years together with its reflections in Russian reality Contributors Tatiana Chumakova David Gillespie Arkadii Goldenberg Kira Gordovich Rainer Gr bel Elizabeth Harrison Jeremy Howard Aleksandr Ivashkin Elena Kabkova Sergei Kibal nik Oleg Kovalov Alexander McCabe Barbara Olaszek Oliver Ready Oliver Smith Margarita Odesskaia Ildik M ria R cz Lyudmila Safronova Marilyn Schwinn Smith Henrieke Stahl Olga Stukalova Olga Tabachnikova Christopher John Tooke and Natalia Vinokurova *Funny Dostoevsky* Lynn Ellen Patyk,Irina Erman,2024-06-13 Tapping into the emergence of scholarly comedy studies since the 2000s this collection brings new perspectives to bear on the Dostoevskian light side Funny Dostoevsky demonstrates how and why Dostoevsky is one of the most humorous 19th century authors even as he plumbs the depths of the human psyche and the darkest facets of European modernity The authors go beyond the more traditional categories of humor such as satire parody and the carnivalesque to apply unique lenses to their readings of Dostoevsky These include cinematic slapstick and the body in *Crime and Punishment* the affective turn and hilarious and deadly impatience in *Demons* and ontological jokes in *Notes from Underground* and *The Idiot* The authors coincidentally all women including some of the most established scholars in the field alongside up and comers address gender and the marginalization of comedy culminating in a chapter on Dostoevsky s

funny and furious women and explore the intersections of gender and humor in literary and culture studies Funny Dostoevsky applies some of the latest findings on humor and laughter to his writing while comparative chapters bring Dostoevsky's humor into conjunction with other popular works such as Chaplin's Modern Times and Lin Manuel Miranda's Hamilton Written with a verve and wit that Dostoevsky would appreciate this boldly original volume illuminates how humor and comedy in his works operate as vehicles of deconstruction pleasure play and transcendence

Dostoevsky Sober Hope Finding Faith in the Bleak Midwinter As winter descends to end the year 2023 it is a time for contemplation a time to revel in the joys and find balm for the woes of the past year a time to find the courage to hold on and the hope to thrive in the new year Fyodor Dostoevsky 1821-1881 faced his own bleak and Russian winters from childhood play amongst the impoverished at his father's medical clinic to a last minute reprieve from the Tsar's firing squad for discussing banned books followed by ten years of prison camp and military service in exile While his novels such as Crime and Punishment and The Brothers Karamazov demonstrate human depravity they also give glimmers of grace love and beauty which have made him one of the most beloved novelists of all time It is our hope that as you find time to relax during the holiday season making it a habit for the new year that you will find these discussions deeply meaningful Awaiting for you within are discussions of his characters from novels and short stories alike Dostoevsky inspired poems and reviews of films books and even contemporary music which reflect the light and warmth he dared to find in his own bleak winter

The Oxford Guide to Literature in English Translation Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging

awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators
