It is a constitutional inability. Schlafrock und Pantofeln. Not that Never I don't know whether I dare boast like a certain South American General who used to say that no emergency of war or peace had ever found him with his boots off, but I may say that whenever the various periodicals mentioned in this book called on me to come out and blow the trumpet of personal Opinions or strike the pensive lute that speaks of the past, I always tried to pull on my boots first. I didn't want to do it. God knows. Their Editors, to whom I beg to offer my thanks here, made me perform mainly by kindness, but partly by bribery. Well, yes, I Bribery. What can you expect? I never pretended to be better than the people in the next street or even in the same street. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Notes on Life And Letters Joseph Conrad, 2020-01-27 One of the greatest English writers of the 19th century was a Polish-born man who couldn't even speak English fluently until he had entered adulthood. Nevertheless, Joseph Conrad (1857-1924) went on to have a well-regarded literary career that bridged Romanticism and Modernism while also covering the zenith and twilight of the British empire. Conrad used his experience within the British empire to write novels and stories that often used the sea and navy as a setting, juxtaposing the individual human spirit with the collective duty and honor of the British navy. And though it was a second language, Conrad mastered English prose. *Notes on Life and Letters* Joseph Conrad, 1949

as premature The fact is that I wanted to do it myself because of a feeling that had nothing to do with the considerations of worthiness or unworthiness of the small but unbroken pieces collected within the covers of this volume Of course it may be said that I might have taken up a broom and used it without saying anything about it That certainly is one way of tidying up But it would have been too much to have expected me to treat all this matter as removable rubbish All those things had a place in my life Whether any of them deserve to have been picked up and ranged on the shelf this shelf I cannot say and frankly I have not allowed my mind to dwell on the question I was afraid of thinking myself into a mood that would hurt my feelings for those pieces of writing whatever may be the comment on their display appertain to the character of the man
