**Nothing Like a Dame** Bernadette Clohesy, 2013-03-01 Dame Phyllis Frost was a remarkable woman who chaired countless organisations raised millions of dollars for charitable causes galvanised states into action after natural disasters and shamed countless politicians into action Far from being just a suburban housewife a phrase that she wielded like a weapon in her campaigns Dame Phyllis was a force to be reckoned with **Nothing Like a Dame** her biography by BERNADETTE CLOHESY reveals how Dame Phyllis fought for prison reform at a time when prisoners were locked away and forgotten how she established the Keep Australia Beautiful movement and how she became the national president of the Australian Freedom from Hunger Campaign This is an amazing story following one woman's battle for social reform *From Servants of the Empire to Everyday Heroes* Tobias Harper, 2020-02-13 In the twentieth century the British Crown appointed around a hundred thousand people military and civilian in Britain and the British Empire to honours and titles For outsiders and sometimes recipients too these jumbles of letters are tantalizingly confusing OM MBE GCVO CH KB or CBE Throughout the century this system expanded to include different kinds of people while also shrinking in its imperial scope with the declining empire Through these dual processes this profoundly hierarchical system underwent a seemingly counter intuitive change it democratized Why and how did the British government change this system And how did its various publics respond to it This study addresses these questions directly by looking at the history of the honours system in the wider context of the major historical changes in Britain and the British Empire in the twentieth century In particular it looks at the evolution of this hierarchical deferential system amidst democratization and decolonization It focuses on the system's largest and most important components the Order of the British Empire the Knight Bachelor and the lower ranks of other Orders By creatively analysing the politics and administration of the system alongside popular responses to it in diaries letters newspapers and memoirs Tobias Harper shows the many different meanings that honours took on for the establishment dissidents and recipients He also shows the ways in which the system succeeded and failed to order and bring together divided societies
