Nothing Stays The Same Forever:

Love at the Fall Festival Kate Tilney, 2023-09-17 It s the most wonderful time of the year in New England Autumn These rugged blue collar mountain men are about to embark on their greatest season yet as they fall in love with the curvy women who light up their lives at their annual fall festival It s the epitome of smutty Hallmark HUNTER While serving my country one thought kept me going my family s apple orchard in the Vermont mountains When I return home to take the helm I find out my parents have already hired some corporate wannabe with a fancy degree to run the show I m determined to send her packing but the moment we meet there s no denying the spark between us She may prove to be a temptation too sweet to resist WESTON I must be crazy That can be the only reason why I agree to pretend to date my best friend s sister during the fall festival while her ex is in town She promises to help at my short staffed pumpkin patch so it seems like a fair deal Until my fake feelings start to become real Now I have to plant the seeds to grow something more permanent with her before it s too late ARCHER I didn t choose to be a farmer but I owe it to my family s legacy to keep it going That doesn t mean I m happy about turning my fields into a corn maze for the town s fall festival And I m not happy about the bossy city slicker running the show Until I meet her in person and she turns my world upside down and gives it new life She s only in town for a short time but I m determined to make her stay Love at the Fall Festival is a steamy trio of romantic shorts set during autumn in New England Read Hunter Weston and Archer if you enjoy enemies to lovers fake relationships and grumpy sunshine romances No cliffhangers Happily ever after guaranteed
