The Science of Getting Rich, Great And Well Wallace D. Wattles,2012 The purpose of the lessons in this book is to raise the mental and spiritual vibrations of the student to inspire hope faith courage to awaken larger thought within the mind inspire greater plans and purposes and awaken the dormant energy in the life to fire the enthusiasm and call into active service hidden talent which the student possibly does not dream at his present stage of unfoldment he possesses In short our purpose is to awaken men from mental slumber show the unlimited resources in human nature the unseen yet open doors to mental wealth first then as a natural sequence to wealth in material conditions and thus enlarge and ennoble the life as well as add to its material expressions This extended edition comes with a preface by B F Austin who talks about the benefits of Wattles writings and how to make the best out of them This edition includes all three of Wattles masterworks The Science of Getting Rich The Science of Being Great The Science of Being Well      *The Science of Being Great* Wallace D. Wattles,2009-01-01 The Science of Being Great is from the author Wallace Delois Wattles 1860 1911 whose work inspired the cult phenomenon book and film The Secret He was a widely popular and pioneering writer in the self help and success genres According to Wattles there is a Principle of Power in every person By the intelligent use and direction of this principle man can develop his own mental faculties Man has an inherent power by which he may grow in whatsoever direction he pleases and there does not appear to be any limit to the possibilities of his growth      *The Science of Being Great: The Practical Guide to a Life of Power* Wallace D. Wattles,2024-03-26 The Science of Being Great The Practical Guide to a Life of Power is another book by Wallace D Wattles published in 1910 following his earlier work The Science of Getting Rich While The Science of Getting Rich focuses primarily on wealth creation The Science of Being Great delves into the principles of

personal greatness and self realization Here s an overview Principles of Greatness In this book Wattles outlines the principles and qualities that lead to greatness He argues that greatness is not reserved for a select few but is attainable by anyone who understands and applies certain fundamental principles The Power of Thought and Action Similar to his previous work Wattles emphasizes the power of thought in shaping one s reality He asserts that individuals have within them the power to become great and achieve their highest aspirations through the proper use of their mental faculties However he also stresses the importance of taking action aligned with one s goals and aspirations Self Confidence and Self Belief Wattles discusses the importance of self confidence and self belief in the pursuit of greatness He suggests that individuals must cultivate a strong sense of self worth and belief in their abilities in order to overcome obstacles and achieve their goals Service and Contribution A central theme in The Science of Being Great is the idea that true greatness comes from service to others Wattles argues that individuals must seek to contribute positively to the world around them and align their goals with the greater good in order to achieve lasting greatness Continuous Improvement Wattles emphasizes the importance of continuous self improvement and growth in the pursuit of greatness He suggests that individuals should strive to develop their talents and abilities to their fullest potential and be open to new ideas and experiences The Science of Being Great offers practical advice and timeless wisdom for individuals seeking to unlock their full potential and live a life of purpose and power While less well known than The Science of Getting Rich this book is highly regarded in the self help and personal development community for its insights into the principles of personal greatness and self actualization *Wallace D. Wattles Trilogy* Wallace D. Wattles,2010-01-01 Published here in one volume the Wallace D Wattles Trilogy includes The Science of Getting Rich The Science of Being Well and The Science of Being Great These books prescribe an exact method for readers to accomplish three basic goals that will make any person happy applying principles of metaphysics and New Thought to overcome human error Each book focuses on a subject wealth health and power and applies an exact science that will allow anyone to achieve their goal by following some basic steps in a specific order in a Certain Way Sacrificing explanations of philosophy for brevity Wattles provides readers a stripped down guide on shaping the universe to their benefit through the power of positive thinking WALLACE DELOIS WATTLES 1860 1911 overcame poverty and failure in his life to become a pioneer of the early self help movement His most famous book is The Science of Getting Rich part of a trilogy that also includes The Science of Being Well and The Science of Being Great The Bright Forever Lee Martin,2006-04-04 PULITZER PRIZE FINALIST A cleanly written and artful page turner San Francisco Chronicle about a nine year old girl s disappearance and the lasting impact it has on her close knit community Compelling both harrowing and deeply felt New York Daily News On an evening like any other nine year old Katie Mackey daughter of the most affluent family in a small town on the plains of Indiana sets out on her bicycle to return some library books This simple act is at the heart of The Bright Forever a suspenseful moving novel about the choices people make that change their lives forever Playing fact speculation and

contradiction off one another as the details unfold Lee Martin creates a fast paced story that s as gripping as it is richly human His beautiful clear eyed spartan prose builds to an extremely nuanced portrayal of the complicated give and take among people struggling to maintain their humanity in the shadow of loss Memorable for its perceptions and power The Bright Forever is a captivating and emotional tale about the human need to know even the hardest truths **Excellence in Preaching** Simon Vibert,2012-05-15 What do good preachers do well Simon Vibert has studied today s leading preachers to discover the dynamics of effective preaching Each chapter profiles a contemporary preacher and lifts out practical principles from the likes of Tim Keller John Piper and Nicky Gumbel Learn from the best And become the best preacher that you can be
