Dave Evan Woods,Catherine Gervais,2010-06 The year is 1972 the age of hippies screaming for peace sweeps the land Long haired boys and young girls wearing mini skirts and having painted flowers on their faces were trying to find themselves by way of drugs or the new morality The news reported on protests at campuses across the country where peace was fought for over violent clashes with police even as the Vietnam War raged But a shy seventeen year old boy in the Deep South is fascinated by a different movement spreading throughout the land They called themselves Jesus People and were speaking of a personal relationship with the Lord as though one could converse with Him as with a close friend He hungered and searched for a deeper walk something that went beyond the borders of mere religiosity His search for God eventually led him to a group that met weekly in the nearby town of Biloxi and was simply called the Farm So enthralled with the apparent sincerity of these folks he left the traditional church he had been raised in and encouraged his family to do the same Thinking that he d finally found the answer to the loneliness and disappointments of his life he was drawn toward the teachings of these Believers But slowly that idyllic dream began to turn into a horrifying nightmare The heavy burdensome teachings formed chains of bondage around his spirit which seemed impossible to escape However the Lord is true to His Word and reveals Himself to all who seek after Him The help from heaven came to this boy through unexpected sources people whom he had been taught to think of as unenlightened But Jesus often uses the simple to confound the wise creating a humble heart within us and enabling us to see the truth
