Now Is The Time To Open Your Heart Uk

Annie Davison

Now Is The Time To Open Your Heart Uk:

Alice Walker Maria Lauret,2011-02-01 Alice Walker Pulitzer Prize winning author of *The Color Purple* is one of America's major and most prolific writers. She is also among its most controversial. How has Walker's work developed over the last forty years? Why has it often provoked extreme reactions? Does Walker's cultural, political and spiritual activism enhance or distort her fiction? Where does she belong in the evolving tradition of African American literature? *Alice Walker* second edition examines the full range of Walker's prose writings: her novels, short stories, essays, activist writings, speeches and memoirs. It has been thoroughly revised in the light of the latest scholarship and critical developments, bringing coverage of Walker's work right up to date with a new chapter on *Now is the Time to Open Your Heart* 2004 and discussion of her recent non-fictional writing including *Overcoming Speechlessness* 2010. It traces Walker's lineage back to nineteenth-century visionary black women preachers and activists, assesses Walker's prose oeuvre both in terms of its literary and its activist merits and shortcomings. Ideal for students and scholars alike, this established text remains an essential guide to the work of a key US author as it explains her unique place in contemporary American letters.

Alice Walker's Womanist Fiction Iman Hami,2023-04-26 A theory formulated by Alice Walker, womanism focuses on the unification of men and women with Nature and Earth. This book explores womanism with regards to its specific concerns with African American women's rights, identities and self-actualisation and points towards its more overarching concerns with human relations and sexual freedom as expressed in each of Walker's seven novels. Although Walker introduced the term womanism in 1983, this book traces the development of the concept across her canon of fictional works. By analysing the novels written in the 1970s, this book establishes how the term came to be coined and demonstrates how womanism went on to be further developed and complexly wrought throughout Walker's literary career.

Narrative Inquiry and Psychotherapy Jane Speedy,2017-09-16 Speedy provides a necessary introduction to the purposes, possibilities and processes of narrative research methods in therapy practices. Merging social science and arts-based research methods makes this book ideal for therapy students and practitioners as well as those providing counselling in other related professional areas.

The Naked Coach David Taylor,2010-02-04 Bestselling author David Taylor returns with his take on business coaching. No fuss, No jargon, Just great ideas. *The Naked Coach* is the back-to-basics book on coaching that will make sense of coaching and place it back at the very heart of the business agenda. It will make understanding, learning and teaching coaching simple. *The Naked Coach* tells real, practical, fun, exciting and above all

else relevant stories that you can apply straightaway David Taylor strips away the hype jargon and mystery to give coaching a clear definition in all its forms including mentoring training facilitation and interventions of every kind The Naked Coach explains coaching without being patronising defines without being arrogant and does it in a fun accessible way It is coaching from a different perspective yours The fundamental principle of The Naked Coach is to be yourself always Find what works for you and do it again and again and again Remember No fuss No Jargon Just great ideas Time to Change Annie

Davison,2011-11-16 The present moment marks a time of huge change an opportunity for mankind to metamorphose into a new kind of humanity at the dawn of a New Creation It is a time of extreme agitation in the world as a whole This book to all intents and purposes is channelled and yet in the sense that the author understands channelling it is entirely her own work The two here are seamless The book is intended as a simple discussion in a complex world of the ways things are at the present time It provides an opportunity for those who are feeling anxious and dissatisfied with their lives to recognise why

A Year with the Angels Jenny Smedley,2011-11-07 Many people have trouble focusing the right sort of thought power into connecting with angels The struggle of everyday life gets in the way they feel self conscious and unsure of themselves afraid that it s all in their head and their brains need a more logical and structured approach to the subject in order to succeed If only they could text or email their angel Of course this isn t possible but there are lots of practical steps that can help make the process easier and more rewarding Covering one month at a time A Year with the Angels gives the reader a strategy to follow and pinpoints the information people need to tame their modern day left centred brains and get their heads around a very real and lasting connection with the angels **International Who's Who of Authors and Writers 2008** Europa

Publications,2007-08-23 An invaluable source of information on the personalities and organizations of the literary world

Rise of Assyria (International UK English Edition) Philip Michael Jamersen,2010-07-13 A story two and a half thousand years in the making nineteen centuries before Columbus sailed for the New World a thousand years before the Fall of Rome and six hundred years before the Crucifixion of Christ the first world empire rose up spread across the known world then came a being from Creation s edge the slaughter began this fantasy novel based on a biblical story will transport you to a time when the world began to emerge from darkness and myth when angels and demons fought an eternal war in the celestial realm and great kings and emperors pitted their wits and armies against one another a world of romance intrigue politics deception This is the larger version of this product ideal as a gift or to treat yourself Visit www.lostcitybooks.com for more information

Virtuosa Organisation Graham Williams,2015-07-27 This is a book about people in organisations developing love for themselves others communities and nature It offers an opportunity to see afresh to envisage courageously and to position yourself differently To bring hearts minds and wills to bear on the world around us The life we live inside our organisations influences every other part of our lives Here is a way to embrace the philosophy and practice of becoming a virtuous organisation and giving a dazzling performance The book helps you to define where you are in your current experience of your organisation and how you can shift things within yourself and around you This is more than an adaptive or compliance process It is about necessary compelling and radical change and the authors show how it can and has been done Seeing the need Arriving at the right values Aligning individual and organisation values Determining appropriate behaviour indicators Entrenching the values so that they become spontaneously lived virtuesThe mind set methods and techniques used during the process are important in

each of these steps especially the last where precious few have succeeded Virtues drawn from the life and works of Leonardo da Vinci and which span all cultures and generations illustrate what is possible The book includes 1 Choosing and prioritising values 2 How are you living your personal values 3 Are we a congruent organisation 4 Using anecdote circles to find out what shape your business is in 5 Personal mindfulness checklist 6 Do we have organisational blind spots 7 Journaling 8 What shadow side factors should we be aware of in our organisation 9 How integrated are we as an organisation 10 The seeds of love 11 Ethical behaviour 12 Putting balance into the balance scorecard 13 Readiness for the journey Sevens Heaven Ben Ryan, 2018-05-31 SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR 2018 The uplifting feel good autobiography of Ben Ryan the coach of the Olympic gold medal winning Fijian rugby team It is late summer 2013 Ben Ryan a red haired 40 something spectacle wearing Englishman is given 20 minutes to decide whether he wants to coach Fiji s rugby sevens team with the aim of taking them to the nation s first ever Olympic medal He has never been to Fiji There has been no discussion of contracts or salary But he knows that no one plays rugby like the men from these isolated Pacific islands just as no one plays football like the kids from the Brazilian favelas or no one runs as fast as the boys and girls from Jamaica s boondocks He knows too that no other rugby nation has so little no money and no resources only basic equipment and a long sad history of losing its most gifted players to richer greedier nations Ryan says yes And with that simple word he sets in motion an extraordinary journey that will encompass witchdoctors and rugby obsessed prime ministers sun smeared dawns and devastating cyclones intense friendships and bitter rows phone taps and wild nationwide parties It will end in Rio with a performance that not only wins Olympic gold but reaches fresh heights for rugby union and makes Ben and his 12 players living legends back home
