

Pat Nixon The Untold Story

JULIE NIXON EISENHOWER

Pat Nixon The Untold Story:

PAT NIXON THE UNTOLD STORY JULIE NIXON EISENHOWER, 1986 **Pat Nixon** Julie Nixon Eisenhower, 1987-11-01

This portrait follows the former First Lady from her birth in a boomtown mining shack to the White House and is full of anecdotes and behind the scenes glimpses of historical figures **Pat Nixon** Julie Nixon Eisenhower, 1986 This portrait follows the former First Lady from her birth in a boomtown mining shack to the White House and is full of anecdotes and behind the scenes glimpses of historical figures *Pat Nixon* Mary C. Brennan, 2011 The first biography of Pat Nixon in 25 years Moves beyond the over simplified appraisals of this oft misunderstood first lady Offers a far more complex interpretation than the standard Plastic Pat caricature and depicts a complicated conflicted but ultimately effective first lady who balanced public responsibilities and private pain The Mysterious Mrs. Nixon Heath Hardage Lee, 2024-08-06 A new revolutionary look into the brilliant life of Pat Nixon In America's collective consciousness Pat Nixon has long been perceived as enigmatic She was voted Most Admired Woman in the World in 1972 and made Gallup Poll's top ten list of most admired women fourteen times She survived the turmoil of the Watergate scandal with her popularity and dignity intact The real Pat Nixon however bore little resemblance to the woman so often described as elusive mysterious and plastic in the press Pat married Richard Nixon in June of 1940 As the couple rose to prominence Pat became Second Lady from 1953 1961 and then First Lady from 1969 1974 forging her own graceful path between the protocols of the strait laced mid century and the bra burning Sixties and Seventies Pat was a highly travelled First Lady visiting eighty three countries during her tenure After a devastating earthquake in Peru in 1970 she personally flew in medical supplies and food to hard hit areas meeting one on one with victims of the tragedy The First Lady's 1972 trips with her husband to China and to Russia were critical to the detente that resulted Back in the US Pat greatly expanded upon previous preservation efforts in the White House obtaining more art and antique objects than any other First Lady In the domestic arena she was progressive on women's issues favoring the Equal Rights Amendment and backing a targeted effort to get more women into high level government jobs Pat strongly supported nominating a woman for the Supreme Court She was pro choice supporting women's reproductive rights publicly even before the landmark Roe v Wade case in 1973 When asked to define her signature First Lady agenda she defied being put into a box often saying People are my project The Mysterious Mrs Nixon Heath Hardage Lee presents readers with the essential nature of this First Lady an empathetic adventurous self made woman who wanted no power or influence but who connected warmly with both ordinary Americans and people from different cultures she encountered world wide

Partners-in-crisis Helen M. Montgomery, 2003 Partners In Crisis is the most fascinating revealing inside story written by a Nixon campaign worker and personal friend It is filled with dramatic revelations of the human and spiritual Political and personal which Montgomery had known first hand new light is shed on the 1960 Kennedy Nixon presidential race which was the closest race in history not the Bush Gore race how Pat Nixon was a better campaigner than her husband and loved by

people until the day she died terrorism attacked the rule of law and how the CIA fed false information to the Washington Post to topple the President

Pat Nixon Mary C. Brennan, 2023-08-18 Pat Nixon may be the least understood of modern first ladies Although public opinion polls rated her one of our nation's most admired women few Americans really knew much about her This first scholarly biography of Thelma Ryan Nixon the first biography in thirty five years and the first to access her papers goes further than any other book to show readers the real Pat Nixon Lester David's *The Lonely Lady of San Clemente* painted her as a tragic figure while Julie Nixon Eisenhower's adoring *Pat Nixon The Untold Story* fell short of offering an objective portrait Now Mary Brennan moves beyond the oversimplified appraisals of this neglected first lady to provide a powerful study of a complex and fascinating presidential spouse Drawing on Mrs Nixon's recently opened papers as well as on recollections of both friends and adversaries Brennan debunks the myth of Plastic Pat and fleshes out the real woman behind the stories and stereotypes The Nixons had more in common with small town Americans than with Washington society and Brennan shows that part of Pat's difficulty in dealing with the political world was that she never quite left the normal Pat behind Political and social upheaval during her husband's presidency further complicated her role as first lady as she had to confront a shifting cultural terrain with the whole world watching Brennan emphasizes Pat's activism the first presidential wife to serve as official government representative as well as the most traveled and examines her complicated relationship with her husband Often seen as a good soldier Pat in reality engaged in constant warfare with her husband and his advisers as she tried to protect her own schedule from interference from the West Wing Blending empathy and objectivity Brennan shows that Pat Nixon was a strong woman caught up in circumstances beyond her control who did as her ancestors had done gritted her teeth and got the job done as best she could This account of an embattled first lady opens a new window on the Nixon years and finally allows Pat Nixon to take center stage in her own life

On Nixon's Madness Zachary Jacobson, 2023-03-28 Was Richard Nixon actually a madman or did he just play one When Richard Nixon battled for the presidency in 1968 he did so with the knowledge that should he win he would face the looming question of how to extract the United States from its disastrous war in Vietnam It was on a beach that summer that Nixon disclosed to his chief aide H R Haldeman one of his most notorious risky gambits the madman theory In *On Nixon's Madness* Zachary Jonathan Jacobson examines the enigmatic president through this theory of Nixon's own invention With strategic force and nuclear bluffing Nixon attempted to coerce his foreign adversaries through sheer unpredictability As his national security advisor Henry Kissinger noted Nixon's strategy resembled a poker game in which he pushed so many chips into the pot that the United States' foes would think the president had gone crazy From Vietnam Pakistan and India to the greater Middle East Nixon applied this madman theory Foreign relations were not a steady march toward peaceful coexistence but rather an ongoing test of mettle Nixon saw the Cold War as he saw his life as a series of ordeals that demanded great risk and grand gestures For decades journalists critics and scholars have searched for the real Nixon behind these acts Was he a Red baiter

a worldly statesman a war criminal or in the end a punchline Jacobson combines biography and intellectual and cultural history to understand the emotional life of Richard Nixon exploring how the former president struggled between great effusions of feeling and great inhibition how he winced at the notion of his reputation for rage and how he used that ill repute to his advantage

King Richard Michael Dobbs, 2021-05-25 ONE OF USA TODAY'S BEST BOOKS OF THE YEAR A riveting account of the crucial days hours and moments when the Watergate conspiracy consumed and ultimately toppled a president from the best selling author of *One Minute to Midnight* In January 1973 Richard Nixon had just been inaugurated after winning re election in a historic landslide He enjoyed an almost 70 percent approval rating But by April 1973 his presidency had fallen apart as the Watergate scandal metastasized into what White House counsel John Dean called a full blown cancer

King Richard is the intimate utterly absorbing narrative of the tension packed hundred days when the Watergate conspiracy unraveled as the burglars and their handlers turned on one another exposing the crimes of a vengeful president Drawing on thousands of hours of newly released taped recordings Michael Dobbs takes us into the heart of the conspiracy recreating these traumatic events in cinematic detail He captures the growing paranoia of the principal players and their desperate attempts to deflect blame as the noose tightens around them We eavesdrop on Nixon plotting with his aides raging at his enemies while also finding time for affectionate moments with his family The result is an unprecedentedly vivid close up portrait of a president facing his greatest crisis Central to the spellbinding drama is the tortured personality of Nixon himself a man whose strengths particularly his determination to win at all costs become his fatal flaws Rising from poverty to become the most powerful man in the world he commits terrible errors of judgment that lead to his public disgrace He makes himself and then destroys himself Structured like a classical tragedy with a uniquely American twist *King Richard* is an epic deeply human story of ambition power and betrayal

Nixon's White House Wars Patrick J. Buchanan, 2018-04-03 From Vietnam to the Southern Strategy from the opening of China to the scandal of Watergate Pat Buchanan speechwriter and senior adviser to President Nixon tells the untold story of Nixon's embattled White House from its historic wins to its devastating defeats In his inaugural address Nixon held out a hand in friendship to Republicans and Democrats alike But by the fall of 1969 massive demonstrations in Washington and around the country had been mounted to break his presidency In a brilliant appeal to what he called the Great Silent Majority Nixon sent his enemies reeling Vice President Agnew followed by attacking the blatant bias of the media in a fiery speech authored and advocated by Buchanan And by 1970 Nixon's approval rating soared to 68 percent and he was labeled The Most Admired Man in America Then one by one the crises came from the invasion of Cambodia to the protests that killed four students at Kent State to race riots and court ordered school busing Buchanan chronicles Nixon's historic trip to China and describes the White House strategy that brought about Nixon's 49 state landslide victory over George McGovern in 1972 When the Watergate scandal broke Buchanan urged the president to destroy the Nixon tapes before they were subpoenaed and fire Special Prosecutor Archibald Cox as Nixon ultimately did in the

Saturday Night Massacre After testifying before the Watergate Committee himself Buchanan describes the grim scene at Camp David in August 1974 when Nixon's staff concluded he could not survive In a riveting memoir from behind the scenes of the most controversial presidency of the last century Nixon's White House Wars reveals both the failings and achievements of the 37th President recorded by one of those closest to Nixon from before his political comeback through to his final days in office
