

Politics Of European Integration

Dimitri Almeida

Politics Of European Integration:

The Politics of European Integration Michael O'Neill, 2002-09-11 The debate over European integration is a central issue in the study of contemporary Europe This book seeks to guide the student through the most important of the integration theories and academic literature on this vital topic The reader starts with an expansive and wide ranging introductory essay which offers a clear overview and analysis of the shifting terms of the debate on European integration during the post war period Part two provides key extracts from the seminal authors who have contributed to and fashioned this debate throughout its duration It brings together the most important parts from the most essential and influential literature on this important topic This reader will be of value to the growing number of students at both undergraduate and postgraduate level who are undertaking courses in European studies and European politics It will be especially useful to those who require some knowledge of the origins and developments of this important issue at the centre of the debate over Europe

International Relations Theory and the Politics of European Integration Morten Kelstrup, Michael Charles Williams, 2000 International Relations Theory and the Politics of European Integration focuses on the roles of community power and security within the European Union It features contributions from highly respected international scholars and covers subjects such as sovereignty and European integration the EU and the politics of migration the internationalisation of military security the EU as a security actor money finance and power the quest for legitimacy with regards to EU enlargement

Surpassing Realism Mark Gilbert, 2003-05-16 A second edition of this book is now available This accessible text provides a concise political history of European integration from the end of World War II to the present The European project raises fascinating and important questions How did Europe's states overcome their traditional rivalries and quarrels to build supranational institutions What were the economic and geopolitical forces that drove them Which individual statesmen contributed most to defining the European project What are the issues that confronted the EU in the last decade and what problems will the EU face as its leaders consider even more advanced forms of political integration All these questions are addressed by this engaging text which offers a clear and readable account of the complex historical process by which Europe's unique polity has been built

European Integration Chris J. Bickerton, 2012-12-13 European Integration outlines in empirical detail the mysteries and paradoxes of European integration It challenges the convention of studying individual aspects of EU policymaking in isolation from the wider whole and situates the EU within the broader conceptual universe of the changing nature of the state in Europe

Europeanised Politics? Klaus H. Goetz, Simon Hix, 2012-12-06 This comparative examination of the impact of European integration on the politics and government of EU member states covers the parties the legal system voters and public administration

The Politics of European Integration in the Twentieth Century David Arter, 1993 Traces continuity and discontinuity in the integration of European states focusing on three main fault lines World War I World War II and the events of 1989 This study aims to replace a parochialist outlook with broader

approaches to the challenges ahead as the new century approaches **The Politics of Southern Europe** José María Magone, 2003-02-28 Annotation This volume offers a comparative overview of modern politics in Spain Portugal Italy and Greece focusing in particular on the process of integration of these countries into the European Union and on the impact of European public policy The author analyzes the development of Southern European political systems from the establishment of democratic governments to the most recent political events looking at each individual system and finding patterns similarities of development as well as differences between them **The Impact of European Integration on Political Parties** Dimitri Almeida, 2012-04-27 This book traces the positions of national partisan actors towards the development of the European polity in an in depth comparative analysis covering all member states of the European Union over a period of 60 years The author examines the approach of the social democratic radical left liberal Christian democratic and radical right party families eliciting a comprehensive analysis of partisan positions on European integration Demonstrating that attitudes and programmatic changes towards European integration must be understood both as the product of long term ideological traditions and domestic opposition or incumbency seeking strategies this book examines how far common ideological traditions lead to the emergence of convergent European policies Based on an interdisciplinary approach that encompasses political science history and area studies this book provides background and analysis and develops theory in an open and accessible style that expands the understanding of party behaviour Using party programmes and quantitative data the book reveals considerable cross family variations regarding the extent to which parties genetic origins shape partisan responses to Europe The Impact of European Integration on Political Parties will be of interest to students and scholars of European politics European integration comparative politics and political parties **Understanding European Integration** R. Pavananthi Vembulu, 2003 In The Background Of New Questions Of Identity Culture And Community Emerged After Maastricht Treaty This Book Explores The European Integration Process Since It Throws Immanent Challenge To The Existing Theoretical Paradigms Such As Nationalism And Globalization Drawing Influence From This Intellectual Climate This Book Tries To Understand The Integration Process Within The Cultural History Of Europe The Study Structured Itself Along Three Axes First It Circled Down On The Problematic Over Defining What Europe Means Here The Efforts Were On To Highlight The Constant Flux And Contingent Nature Of The Definition Of Europe Second How This Contingent Nature Of Europe Has Compelled The European Union To No Longer Skirt Away The Question Of Identity If It Is To Consolidate The Process And Expand Its Boundary Towards East By Focusing Upon The Cultural Policy Of The Union The Study Brought Forth The Various Efforts Of The Union Particularly The European Commission To Transform The Loyalties And Identities Of People From The National Crucible To A Broader European Spectrum Thirdly The Study Critically Evaluates These Policy Initiatives And Highlights How They Are Structured Around The Nineteenth Century Colonial Discourse Of Europe **Social Democracy and European Integration** Dionyssis G. Dimitrakopoulos, 2016-05-13 This book examines why social

democratic political parties respond differently to the crucial question of the future of the European Union exploring the preferences of Germany France the UK Sweden and Greece in comparative perspective *Politicizing European Integration* Dominic Hoeglenger, 2016-01-26 This book offers a comprehensive treatment of the timely question of the politicization of European integration It shows how this issue s complex linkages with traditional political divides pose a tough challenge to politicians and lead to bitter framing contests about its actual meaning *The Economics and Politics of European Integration* Ivan T. Berend, 2020-12-29 The Economics and Politics of European Integration offers a comprehensive history of European integration from the conceptualization of a United States of Europe to the present day The special role of the United States in this process of integration and the expansion and evolution of the European Union is critically analyzed The book also thoroughly discusses the current view of the EU and the complex crises emerging from the COVID 19 pandemic While the book focuses primarily on Europe the role of other countries is also examined The rise of hostile enemies from Turkey Russia the US and China is explored and the history and outcome of Brexit also receives unique focus Maps are used throughout to clearly depict the enlargement process This illuminating text will be valuable reading for students and researchers across international economics economic history political economy and European studies **The Political Economy of European Integration** Erik Jones, Amy Verdun, 2004-11-04 This book provides a balanced introduction to diverse political economy perspectives on different aspects of European integration demonstrating both the importance and the potential of research in this area The volume includes three types of chapters broad literature reviews narrower applications of existing arguments and new syntheses of competing claims The authors also present a critical appraisal of how scholars in the EU and US use theory to understand European integration and examine issues such as citizens attitudes perceptions and preferences of actors the role of non state actors principle agent questions and the role and the autonomy of European institutions This empirically informed and methodologically rigorous volume will be of great interest to students and researchers in the fields of comparative political economy EU studies international political economy and international organizations *Europe Today* Ronald Tiersky, 2004 This engaging book a true twenty first century enterprise is the only text that offers both country case studies and discussion of the European Union in one sustained volume Now thoroughly revised for 2004 it is the first European politics text to offer current analysis on the invasion of Iraq NATO and European security U S European relations and enlargement issues All chapters from the first edition have been comprehensively updated and completely new chapters have been added on Germany France Great Britain Spain Poland monetary union security and migration With its strong international emphasis and focus on Europe before and after Iraq professors will be able to use this text to lead students toward a coherent view of intra European conflicts Europe and the United States and Europe s international responsibilities A new website devoted exclusively to the book with regularly updated statistics analysis and links for each chapter will provide a rich resource for students seeking additional information and researching

classroom assignments *National Political Elites, European Integration and the Eurozone Crisis* Nicolò Conti, Borbála Göncz, José Real-Dato, 2018-06-18 The global financial economic and sovereign debt crisis since 2008 has led to increases in political disaffection among citizens a loss of legitimacy of political institutions the discredit of mainstream parties and the rise of extremist or anti system political alternatives This comparative volume sheds greater light on this critical juncture in the recent history of the European Union EU by focusing on the evolution of attitudes of national political elites It examines whether the crisis has affected the legitimacy of the EU integration project as perceived by national political elites and consequently if the elite consensus that constituted one of the most solid fundamentals supporting that project has been eroded Analysing these changes across the different dimensions in which support for the EU is organized and its relationship with the evolution of support towards European integration among citizens in member states the book addresses a basic question How have these events affected the perceptions of the EU of national political elites Ultimately it sheds light on the evolution of the relationship between the perception of the EU and the national contexts as well as the likely evolution of the project of European integration in the near future This book will be of key interest to scholars and students of political elites EU politics European integration political parties and more broadly to comparative politics European studies and sociology

European Integration and the Communist Dilemma Giorgos Charalambous, 2016-07-22 European Integration and the Communist Dilemma assesses the response of communist parties to European integration using three contrasting and comparatively significant case studies from Greece Cyprus and Italy These parties in common with other radical parties in Europe face a continuing strategic dilemma with regard to Europe through which larger questions about communist ideology and identity can be illuminated Exploring the tendency of communist parties to face a trade off between domestic legitimacy and electoral concerns and their nature as parties professing opposition to the systemic currents of capitalism and European integration the author provides a fascinating study of the nuances in deciding whether to adopt ideological consistency or undergo moderation Blending advances in party politics communist history and Europeanization research the book devises a framework that overcomes the deficiencies of uni dimensional approaches to the study of parties and Europe In this manner wider insights on the national party politics of European integration are drawn **The History of European Integration**

Tibor Iván Berend, 2016 The foundation of the European Union was one of the most important historical events in the second half of the 20th century In order to fully appreciate the modern state of the EU it is crucial to understand the history of European integration This accessible overview differs from other studies in its focus on the major roles played by both the United States and European multinational corporations in the development of the European Union Chronologically written and drawing on new findings from two major archives the archives of the US State Department and Archive of European Integration this book sheds crucial new light on the integration process The History of European Integration offers a major contribution to our understanding of Europe s postwar history and will be essential reading for any student of postwar

European History Contemporary History European Politics and European Studies **European Integration Theory** Antje Wiener, 2019-12-19 With coverage of both traditional and critical theories and approaches to European integration and their application this is the most comprehensive textbook on European integration theory and an essential guide for all students and scholars interested in the subject Throughout the text a team of leading international scholars demonstrate the current relevance of integration theory as they apply these approaches to real world developments and crises in the contemporary European Union **The Political Economy of European Integration** Finn Laursen, 2023-12-11 The study of European integration produced much scholarly debate in the 1950s and 60s The following two decades saw few works on European integration that included more elaborate discussions of theory and methodology most studies in that period were fairly descriptive In recent years there has been renewed theoretical interest in European integration This book however is one of the first to discuss and apply various political economy approaches explicitly to integration including classical integration theory and modern public choice theories Areas covered include common policies and decision making as well as the external relations of the EU The influence of the European Parliament the concept of subsidiarity trade policy Economic and Monetary Union reform of the Common Agricultural Policy relations with EFTA and Eastern European countries as well as enlargement are all discussed Audience Of interest to both scholars and policy makers concerned with these issues *Politics in the European Union* Ian Bache, Stephen George, 2006 This text provides an accessible and comprehensive introduction to all aspects of the European Union and the process of European integration It covers at the core elements of an introductory undergraduate course on the European Union theory history institutions and policies The second edition has been thoroughly updated and revised and combines a review of current academic debates with empirical data BOOK JACKET
