

Presidents And Protesters

Karin Nielsen-Saines

Presidents And Protesters:

The Presidency and the Rhetoric of Foreign Crisis Denise M. Bostdorff, 1994 *The Presidency and the Rhetoric of Foreign Crisis* examines presidential crisis management or the way U S presidents portray foreign crises to the American public as a potent tool for the accumulation and at times the forfeiture of political power Arguing that it is largely through presidential communication that foreign crises become real for American citizens Bostdorff does not claim that presidents fabricate crises but rather that they vigorously advance their version of the crisis to the American public in order to rally support for their foreign policies Bostdorff contends that presidential language can heighten the significance of events that otherwise would attract little public attention such as a coup on the tiny Caribbean island of Grenada and thereby persuade citizens to support U S military intervention and to view the commander in chief as a decisive victorious leader To prove her assertions Bostdorff presents case studies from six successive administrations Beginning with Kennedy and the Cuban missile crisis of 1962 she examines Johnson and the Gulf of Tonkin Nixon and Cambodia Ford and the Mayaguez Carter and Iran and Reagan and Grenada Concluding with an evaluation of Bush and Panama Bostdorff identifies the recurring themes that defined crisis rhetoric explains how that rhetoric encourages particular public reactions and raises disturbing questions about the implications for the American polity

A President's Daily Brief: Year 4 Micah Fisher-Kirshner, What was daily life under the Trump presidency really like An accessible ebook with short thematic entries showing the corruption of the Trump presidency *A President's Daily Brief Year 4 The Day by Day Lurch of Trump's Norm Breaking Presidency* is the fourth in Micah Fisher Kirshner's series representing the fourth and final year of Trump's time in power and the subversion that occurred More than a compiled list of significant events that portray Trump as the most corrupt American president this digestible and scannable read of in the moment posts pulled from news outlets and credible sources provides an intimate look at how the administration went about breaking the presidential norms on a daily basis Readers also will have access to citations to fact check claims This quick read on a Trump presidency that started off with outrage and graduated to righteous indignation is a must have for those who enjoy history politics and government or simply want to read about the most notorious presidency in history

From Protest to President George A Pruitt, 2022-12-09 *From Protest to President* describes an inspirational odyssey of a young Black activist coming of age in Mississippi and Chicago in the tumultuous 1960s and 70s culminating in a notable thirty five year presidency at Thomas Edison State University From barbershop encounters with Malcolm X to death threats at Illinois State University and gunfire at Towson State Pruitt provides a powerful narrative poised at the intersection of social justice higher education and politics He recounts leadership experiences at HBCUs and public universities across the country as he advocated for autonomy at Morgan State and fought to preserve Tennessee State University His steadfast activism integrity and courage led to groundbreaking work in providing access to higher education for working adults and the military From his days as a student protester in high school and

college to his appearances on Capitol Hill Pruitt has earned the reputation as a candid and influential leader in higher education

Retirement Tumultuous Events & Why US Presidents Are Impeached Cyrus Tahernia, MD, FAAP, FACC, 2020-12-16 Retirement Tumultuous Events Why US Presidents Are Impeached By Cyrus Tahernia MD FAAP FACC Retirement Tumultuous Events Why US Presidents Are Impeached details adventures and exotic places that author Cyrus Tahernia MD FAAP FACC has been throughout his retirement while also providing commentary on global events that have occurred Through detailed reports Tahernia provides an in depth look into domestic and foreign politics and expands our world view through his travels abroad

The Press, Presidents, and Crises Brigitte Lebens Nacos, 1990 *The Cult of the Presidency* Gene Healy, 2024-09-10 The modern presidency has become the central fault line of polarization in America because the president increasingly has the power to reshape vast swaths of American life In *The Cult of the Presidency* Gene Healy argues that We the People are to blame Americans on each side of the red blue divide demand a president who can create jobs teach our children well tend to the national soul and vanquish their culture war enemies Our political culture has invested the office with preposterously vast responsibilities and as a result the officeholder wields powers that no human being ought to have In a new preface to the 2024 edition Healy argues that the rise of partisan hatred lends new urgency to the cause of re limiting executive power In the years since *Cult* was first published politics has gone feral with polls showing that substantial majorities of Democrats and Republicans view members of the other party as a serious threat to the United States and its people At the same time the most powerful office in the world has grown even more so That s raised the stakes of our political differences dramatically the issues that divide us most are now increasingly settled by whichever party manages to seize the office In our partisan myopia we ve laid down the infrastructure for autocratic rule and sectarian warfare making the presidency powerful enough to tear the country apart Interweaving historical scholarship legal analysis and trenchant cultural commentary *The Cult of the Presidency* traces America s decades long drift from the Framers vision for the presidency a constitutionally constrained chief magistrate charged with faithful execution of the laws Restoring that vision will require a Congress and a Court willing to check executive power but Healy emphasizes that there is no simple legislative or judicial fix Unless Americans change what we ask of the office no longer demanding what we should not want and cannot have we ll get what in a sense we deserve

Popular Protest, Political Opportunities, and Change in Africa Edalina Rodrigues Sanches, 2022-02-15 This book offers a fresh analysis of third wave popular protests in Africa shedding light on the complex dynamics between political change and continuity in contemporary Africa The book argues that protests are simultaneously products and generators of change in that they are triggered by micro and macrosocial changes but they also have the capacity to transform the nature of politics By examining the triggers actors political opportunities resources and framing strategies the contributors shed light onto tangible e g policy implementation liberal reforms political alternation and intangible e g perceptions imagination awareness forms of change elicited by protests It reveals the relevant

role of African protests as engines of democracy accountability and collective knowledge Bringing popular protests in authoritarian and democratic settings into discussion this book will be of interest to scholars of African politics democracy and protest movements *GAO Documents* United States. General Accounting Office,1988-04 Catalog of reports decisions and opinions testimonies and speeches **The Political Portrait** Luciano Cheles,Alessandro Giacone,2020-06-10 The leader s portrait produced in a variety of media statues coins billboards posters stamps is a key instrument of propaganda in totalitarian regimes but increasingly also dominates political communication in democratic countries as a result of the personalization and spectacularization of campaigning Written by an international group of contributors this volume focuses on the last one hundred years covering a wide range of countries around the globe and dealing with dictatorial regimes and democratic systems alike As well as discussing the effigies that are produced by the powers that be for propaganda purposes it looks at the uses of portraiture by antagonistic groups or movements as forms of resistance derision denunciation and demonization This volume will be of interest to researchers in visual studies art history media studies cultural studies politics and contemporary history **The Political Power of Protest** Daniel Q. Gillion,2013-04-15 This book is the first to provide quantifiable evidence that protest shifts the policy positions of national political leaders for each branch of government Drawing on daily presidential rhetoric roll call votes of congressional leaders and Supreme Court decisions the book demonstrates that national politicians take cues from minority protest activity that later lead to major shifts in public policy rivaling the influence that minorities have through elections and public opinion *Pro Football and the Proliferation of Protest* Stephen D. Perry,2019-03-20 Pro Football and the Proliferation of Protest Anthem Kneeling and Standing in a Divided America examines the take a knee NFL protests a trend that has led to deep political divisiveness in America The author explores this phenomenon by incorporating analysis of media coverage impact on attitudes and behaviors and racial religious gendered and political perspectives The analysis allows readers to recognize both positive and negative prejudice and to proscribe possible solutions for political divisiveness Protesting anthems ceremonies and media coverage all demonstrate that this issue is a communication issue This book examines the voices on both sides of the kneeling controversy in order to uncover the points at which one side is communicating and the other side refuses to listen The studies in this volume look at the protest through four lenses historically through media coverage through impact on public behaviors and attitudes and from racial religious gendered and political identification perspectives The contributors worked in conjunction with one another incorporating different viewpoints into each chapter as they were completed All studies were conducted under the guidance of the book s editor to separate the work effectively and to end in a set of voices that complement each other and allow for overall conclusions and recommendations This book is useful for a wide range of scholars including race religion political studies gender studies and communication studies **Hatred of America's Presidents** Lori Cox Han,2018-06-15 This work examines expressions of personal hostility and animosity toward presidents even beloved ones throughout

American history and their impact on policymaking politics and culture People involved or simply interested in politics often ask whether today's political environment is more toxic than ever before *Hatred of America's Presidents: Personal Attacks on the White House from Washington to Trump* presents an impartial and authoritative history of invective toward the White House so readers can determine the answer for themselves The book focuses on the most representative and commonplace attacks of a vitriolic and personal nature detailing who instigated and trafficked in the attacks and how presidents' administrations and political parties defended themselves It also illustrates how honest disagreements about policy such as FDR's New Deal Ronald Reagan's Central America policies George W Bush's invasion of Iraq and Barack Obama's Affordable Care Act fueled expressions of hatred and condemnation Finally the book includes perspectives from both the right and the left on the legitimacy of these attacks and the victims' defenses as well as their impact on American politics and policy

Protesters Theodore Windt, 1990 **Protests Against U.S. Military Base Policy in Asia** Yuko Kawato, 2015-04-08 Since the end of World War II protests against U.S. military base and related policies have occurred in several Asian host countries How much influence have these protests had on the policy regarding U.S. military bases What conditions make protests more likely to influence policy *Protests Against U.S. Military Base Policy in Asia* answers these questions by examining state response to twelve major protests in Asia since the end of World War II in the Philippines Okinawa and South Korea Yuko Kawato lays out the conditions under which protesters' normative arguments can and cannot persuade policy makers to change base policy and how protests can still generate some political or military incentives for policy makers to adjust policy when persuasion fails Kawato also shows that when policy makers decide not to change policy they can offer symbolic concessions to appear norm abiding and to secure a smoother implementation of policies that protesters oppose While the findings will be of considerable interest to academics and students perhaps their largest impact will be on policy makers and activists for whom Kawato offers recommendations for their future decision making and actions **Palgrave Dictionary of**
Public Order Policing, Protest and Political Violence P. Joyce, Neil Wain, 2014-11-04 Protest and political violence are concerns of global importance in the twenty-first century This dictionary brings together in one comprehensive volume a number of key issues relating to the conduct of protest and political violence and the response of the state and police to such activities Public Papers of the Presidents of the United States, George W. Bush, 2007-03 Contains public messages and statements of the President of the United States released by the White House from January 1 to June 30 2002
