Prose Literature Of Gaelic:

Gaelic Prose in the Irish Free State Philip O'Leary,2010-07-01 This is an authoritative account of the a major but neglected aspect of the Irish cultural renaissance prose literature of the Gaelic Revival The period following the War of Independence and Civil War saw an outpouring of book length works in Irish from the state publishing agency An Gum The frequency and production of new plays both original and translated have never been approached since This book investigates all of these works as well as journalism and manuscript material and discusses them in a lively and often humorous manner Publisher description

The Prose Literature of the Gaelic Revival, 1881-1921 Philip O'Leary,1994-04-15 The Gaelic Revival has long fascinated scholars of political history nationalism literature and theater history yet studies of the period have neglected a significant dimension of Ireland s evolution into nationhood the cultural crusades mounted by those who believed in the centrality of the Irish language to the emergent Irish state This book attempts to remedy that deficiency and to present the lively debates within the language movement in their full complexity citing documents such as editorials columns speeches letters and literary works that were influential at the time but all too often were published only in Irish or were difficult to access Cautiously employing the terms nativist and progressive for the turnings inward and toward the European continent manifested in different authors this study examines the strengths and weaknesses of contrasting positions on the major issues confronting the language movement Moving from the early collecting or retelling of folklore through the search for heroes in early Irish history to the reworking of ancient Irish literary materials by retelling it in modern vernacular Irish O Leary addresses the many debates and questions concerning Irish writing of the period His study is a model for inquiries into the kind of linguistic literary movement that arises during intense nationalism **Rosg**

Gaidhlig William J (William John) 18 Watson,2023-07-18 This collection of Gaelic prose showcases the richness and diversity of the Scottish Gaelic literary tradition With works from both well known authors and lesser known figures it offers a comprehensive survey of the genre Each text is accompanied by notes and translations making this book accessible to readers of all levels A must have for anyone interested in Gaelic culture and literature This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Literature of the Highlands* Magnus Maclean,1904 *Library of Congress Subject Headings* Library of Congress. Irish Literature in Transition, 1880-1940: Volume 4 Marjorie Elizabeth Howes, 2020-03-12 The years between 1880 and 1940 were a time of unprecedented literary production and political upheaval in Ireland It is the era of the 1916 Easter Rising the Irish Revival and a time when many major Irish writers Yeats Joyce Beckett Lady Gregory profoundly impacted Irish and World Literature Recent research has uncovered new archives of previously neglected texts and authors Organized according to multiple categories ranging from single author to genre and theme this volume allows readers to imagine multiple ways of re mapping this crucial period The book incorporates different even competing approaches and interpretations to reflect emerging trends and current debates in contemporary scholarship As ongoing research in the field of Irish studies discovers new materials and critical strategies for interpreting them our sense of Irish literary history during this period is constantly shifting This volume seeks to capture the richness and complexity of the years 1880 1940 for our current moment

Advertising, Literature and Print Culture in Ireland, 1891-1922 J. Strachan, C. Nally, 2012-08-07 This is the first study of the cultural meanings of advertising in the Irish Revival period John Strachan and Claire Nally shed new light on advanced nationalism in Ireland before and immediately after the Easter Rising of 1916 while also addressing how the wider politics of Ireland from the Irish Parliamentary Party to anti Home Rule unionism resonated through contemporary advertising copy The book examines the manner in which some of the key authors of the Revival notably Oscar Wilde and W B Yeats reacted to advertising and to the consumer culture around them Illustrated with over 60 fascinating contemporary advertising images this book addresses a diverse and intriguing range of Irish advertising the pages of *An Claidheamh Soluis* under Patrick Pearse's editorship the selling of the Ulster Volunteer Force the advertising columns of *The Lady of the House* the marketing of the sports of the Gaelic Athletic Association the use of Irish Party politicians in First World War recruitment campaigns the commemorative paraphernalia surrounding the centenary of the 1798 United Irishmen uprising and the relationship of Murphy's stout with the British military Sinn Féin and the Irish Free State

Contemporary Scottish Literature Matt McGuire, 2008-11-24 This Guide examines the critical construction of the genre of contemporary Scottish literature and assesses the critical responses to a wide range of contemporary Scottish fiction poetry and drama The Guide is structured thematically with each chapter addressing a specific area of debate within the field of contemporary Scottish Studies
