Adam Mandelbaum,2002-03-26 A former intelligence professional sheds new light on the obscure intersection of the military and the paranormal the Military Occult Complex and reveals the incredible story of psychic abilities turned into a weapon of war by the world s soldiers and spies In the annals of military and espionage history there have been many strange tales to be told but none can match the saga of psychic espionage the history of the Military Occult Complex With the flavor of fiction but the foundation of fact The Psychic Battlefield is the complete history of the use of man s extrasensory powers in search of the information needed to win wars hot and cold The Psychic Battlefield spans the five thousand year history of espionage from the attempted overthrow of the Pharaoh Rameses by magic to the CIA use of military trained psychics during the Cold War It is a story as true as it is incredible This book reveals the story of the

sacred Templar skull the Angelic communications of John Dee intelligence agent of Queen Elizabeth I the psychic stranglehold of Rasputin on the Romanovs and the occult endeavors of the Nazis and the Soviets The Psychic Battlefield contains the names and rites of the old demons of war contacted by military strategists in search of supernatural support It explains and discusses different methods of divination used by armies throughout history and reveals the various ways of making a soldier into a superman The cast of characters includes such noteworthy names as sorcerer poet Aleister Crowley author Ian Fleming spoon bending General Stubblebine and Psychic Warrior David Morehouse In addition the book features an exclusive interview with top psychic spy Joseph McMoneagle Most remarkable of all is Mandelbaum s fascinating expos of the paranormal research and remote viewing experiments conducted by the CIA as well as the real effectiveness of the government s Stargate program Attorney psychic former intelligence professional and dark side investigative reporter W Adam Mandelbaum clearly demonstrates that the final frontier of future wars and spies is the mind The Imagineers of War Sharon Weinberger,2018-02-20 The definitive history of the Defense Advanced Research Projects Agency the Pentagon agency that has quietly shaped war and technology for nearly sixty years Founded in 1958 in response to the launch of Sputnik the agency s original mission was to create the unimagined weapons of the future Over the decades DARPA has been responsible for countless inventions and technologies that extend well beyond military technology Sharon Weinberger gives us a riveting account of DARPA s successes and failures its remarkable innovations and its wild eyed schemes We see how the threat of nuclear Armageddon sparked investment in computer networking leading to the Internet as well as to a proposal to power a missile destroying particle beam by draining the Great Lakes We learn how DARPA was responsible during the Vietnam War for both Agent Orange and the development of the world s first armed drones and how after 9 11 the agency sparked a national controversy over surveillance with its data mining research And we see how DARPA s success with self driving cars was followed by disappointing contributions to the Afghanistan and Iraq wars Weinberger has interviewed more than one hundred former Pentagon officials and scientists involved in DARPA s projects many of whom have never spoken publicly about their work with the agency and pored over countless declassified records from archives around the country documents obtained under the Freedom of Information Act and exclusive materials provided by sources The Imagineers of War is a compelling and groundbreaking history in which science technology and politics collide **All Women Are Psychics** Diane Stein,2011-03-30 Fascinating stories of psychic occurrences by over 70 women interwoven through the text illustrate the powers available to you when you discover your psychic powers ALL WOMEN ARE PSYCHICS is an inspiring book that will help you reclaim this innate gift Learn how to Travel astrally See other people s auras Regress to past lives Interpret dreams Test yourself for ESP Predict the future Contact your spirit guides Dream lucidly A Short History of (Nearly) Everything Paranormal Terje G. Simonsen,2020-06-09 A superb survey of the paranormal and a travelogue through the twilight zone of human consciousness hailed by experts as the best introduction to psychic

phenomena Herbie Brennan New York Times bestselling author This is the most entertaining and broad survey of the paranormal ever made combining forgotten lore evidence from parapsychological experiments and the testimonies of scientists archaeologists anthropologists psychologists physicists and philosophers Exploring the possibility that paranormal phenomena may be objectively real this travelogue through the twilight zone of human consciousness is both scientifically rigorous and extremely entertaining Readers may be surprised to learn that reputable scientists among them several Nobel laureates have claimed that Telepathy is a reality Cleopatra's lost palace and Richard III's burial place were recovered with clairvoyance The US military set up an espionage program using psychics Could it be that what we usually call supernatural is a natural but little understood communication via this mental internet The winner of the most prestigious award in the field the Parapsychological Association Book Award A Short History of Nearly Everything Paranormal is an engaging entertaining and informative analysis of a controversial subject

Forbidden Science J. Douglas Kenyon, 2008-02-11 Reveals the cutting edge of New Science and shows how established science disallows inquiry that challenges the status quo even when it produces verifiable results Contains 43 essays by 19 researchers denoting cutting edge heretical or suppressed scientific research including Immanuel Velikovsky Nikola Tesla Rupert Sheldrake and Masaru Emoto Edited by Atlantis Rising publisher J Douglas Kenyon Following the model of his bestselling Forbidden History and Forbidden Religion J Douglas Kenyon has assembled from his bimonthly journal Atlantis Rising material that explores science and technology that has been suppressed by the orthodox scientific community from the true function of the Great Pyramid and the megaliths at Nabta Playa to Immanuel Velikovsky's astronomical insights free energy from space cold fusion and Rupert Sheldrake's research into telepathy and ESP There is an organized war going on in science between materialistic theory and anything that could be termed spiritual or metaphysical For example Masaru Emoto's research into the energetics of water although supported by photographic evidence has been scoffed at by mainstream science because he has asserted that humans affect their surroundings with their thoughts The materialism or absolute skepticism of the scientific establishment is detrimental to any scientific inquiry that thinks outside the box This mentality is interested in preserving funding for its own projects those that will not rock the establishment From Tesla's discovery of alternating current to Robert Schoch's re dating of the Sphinx this book serves as a compelling introduction to the true history of alternative and New Science research

Hidden Depths Robin Waterfield, 2013-01-22 In Hidden Depths Robin Waterfield explores the fascinating world of hypnosis tracing the history of this often misunderstood craft beginning with a passage in the book of Genesis and continuing through his own personal experiences today Waterfield uses the history and controversy surrounding the practice of hypnosis to gain insight into our behavior and psychology and considers how hypnotic techniques have been absorbed into society through advertising media and popular culture

Freedom Justice Community John G Root Jr, 2024-06-12 Money makes the world go round This should be Money goes round the world We have a world economy that could be benefiting everyone Money is like manure it is only good when it is spread around Everyone's work needs to be fertilized with the right amount of money for society to be healthy Money is the root of all evil or the love of money is the root of all evil Do we assume that the problem is human nature not money itself This book demonstrates that the problem is not human nature and it is not money itself The problem is who issues the money how it is issued and what it is issued for Monetary reform is necessary but not sufficient to bring about the world we know in our hearts To bring about the world we know in our hearts we must share that knowing

with each other This book aims to show that when the individual is Free to express the love that wells up naturally to fulfill their life s purpose when society is Just because it is based on the people s active consent and participation in adjudicating remediating harm and when everything that the people provide each other to satisfy their needs and desires is the result of a voluntary initiative inspired and supported by the Community and funded as a right then the individual will be sovereign and will be creating contributing to and maintaining a society that benefits everyone
