Contemplative Democracy Shannon L. Mariotti,2024-12-18 In Contemplative Democracy Shannon L Mariotti explores how contemplative practices represent a form of world building that is valuable for meaningful democracy and an overlooked form of ordinary political theory Reimagining

the work of political theory employing feminist approaches and with a focus on educational spaces and democratic modes of pedagogy Mariotti examines contemplative practices as spaces where ordinary people do the work of democracy creating new political imaginaries finding new selves and founding new states of being Further this book reveals how the larger body politic may be reshaped by the everyday work people do in their own bodies *Kids Who Murder* Ellie Hayes,2023-01-23 Generally naive about their world children are thought to be nearly incapable of serious wrongdoing and are rarely suspects in violent crimes Yet from the 1960s to the mid 90s the U S saw several waves of juvenile murders that caused widespread public concern The phenomenon created longstanding debates about the sources or causes of a child killer s mindset Some blame external triggers like video games rock music or pornography while others argue the causes are deeper issues such as an underdeveloped brain experiencing abuse and neglect The quest to uncover the causes of these crimes is ongoing and how the American justice system should handle these young killers remains a controversy This book assesses ten murder cases in modern American criminal history examining the minds of the children who perpetrated them Chapters compile decades of research on the psychology of child murderers in hopes of creating a more coherent understanding of why kids kill *The Animal Lover's Guide to Changing the World* Stephanie Feldstein,2018-06-05 This book belongs on every animal lover s shelf and it s a particularly great gift for young people who are on fire to save animals but are unsure where to start Hooray Sy Montgomery author of *The Good Good Pig* and *The Soul of an Octopus* *The Animal Lover s Guide to Changing the World* is the inspiring accessible and empowering book for everyone who loves animals and wants to live a more animal friendly life even if they aren t ready to join a movement or give up bacon With more than 7.5 billion people on the planet wildlife is going extinct at the fastest rate since the dinosaurs Three to four million dogs and cats are killed in shelters every year billions of chickens pigs and cows are killed for food and countless animals are killed in research labs or their habitat The numbers are daunting but there s good news too Even one person truly can make a difference without breaking the bank With Stephanie Feldstein s straightforward and encouraging guidance readers will learn how to take action to create a better world for the animals we love It starts with changes as simple as taking a shorter shower skipping meat once a week wearing this not that and extends all the way to online activism and politics The animals need us so let s get on with some world changing *Who Really Cares* Arthur C. Brooks,2007-12-04 We all know we should give to charity but who really does In his controversial study of America s giving habits Arthur C Brooks shatters stereotypes about charity in America including the myth that the political Left is more compassionate than the Right Brooks a preeminent public policy expert spent years researching giving trends in America and even he was surprised by what he found In *Who Really Cares* he identifies the forces behind American charity strong families church attendance earning one s own income as opposed to receiving welfare and the belief that individuals not government offer the best solution to social ills But beyond just showing us who the givers and non givers in America really are today Brooks shows that giving is crucial to our economic prosperity as well as to our

happiness health and our ability to govern ourselves as a free people
