

The background image is a religious painting depicting Jesus Christ standing in the center, wearing a long white robe with a sash. He has a beard and long hair, and his arms are slightly outstretched. He is looking down at a group of people kneeling on the ground in front of him. The people are also wearing robes and head coverings, and some have their hands raised in prayer. The setting appears to be a desert or a rocky landscape with a stone wall in the background. The overall color palette is warm, with shades of brown, tan, and white.

Rediscovering the Lord's Prayer Arthur Simon,2005 Simon offers his personal reflections on the Lord s Prayer describing how it can enrich one s spiritual life His story encourages all Christians to pray the prayer with more attentiveness and understanding of its power *Pray Like Jesus* Don Underwood,2017-01-12 The Lord s Prayer is the most famous prayer in the world and is remarkably simple and brief In only 70 words Jesus covers the breadth of the Christian message and experience Most Christians already know it by heart and can easily recite it In fact that might be part of the problem it is so well known and easily recited that most of us never even think about the words as we rattle them off silently or in a corporate worship setting In *Pray Like Jesus* pastor and author Don Underwood reexamines the content of the Lord s Prayer and discovers within it insightful spiritual guidance for developing a rich devotional life At the end of each chapter he suggest ideas for making the prayer a part of daily spiritual disciplines Endorsements Don Underwood combines pastoral experience with biblical and theological insight to help us rediscover the Lord s Prayer and allow it to become a living reality in our lives James A Harnish author of *A Disciple s Path A Disciple s Heart and Living with the Mind of Christ* Don points out that the disciples asked Jesus to teach them to pray not after hearing the Master give a powerful sermon but after watching him pray They saw what prayer did for him and they wanted it too James W Moore author of *Yes Lord I Have Sinned but I Have Several Excellent Excuses* *Pray Like Jesus Leader Guide* Don Underwood,2017-01-12 The Lord s Prayer is the most famous prayer in the world and is remarkably simple and brief In only 70 words Jesus covers the breadth of the Christian message and experience Most Christians already know it by heart and can easily recite it In fact that might be part of the problem it is so well known and easily recited that most of us never even think about the words as we rattle them off silently or in a corporate worship setting In *Pray Like Jesus* pastor and author Don Underwood reexamines the content of the Lord s Prayer and discovers within it insightful spiritual guidance for developing a rich devotional life And the end of each chapter he suggest ideas for making the prayer a part of daily spiritual disciplines The *Leader Guide* contains everything needed to guide a group through the six week study including session plans and discussion questions as well as multiple format options *Another Way to Pray* Andreas Baumann,2024-07-31 Do you know how to pray Jesus disciples knew a lot about prayer but then they were with Jesus They watched how Jesus lived in close relationship with his heavenly Father and how his intimate prayer was the center of all his life and ministry They realized that the way they had prayed before was not enough They longed to learn to speak with God as Jesus did So they asked Jesus to teach them his way of praying Jesus then taught them the Lord s Prayer Today we may know the words of this prayer and we may have repeated them in church But often it seems to be just a dry dead formula This book helps us to rediscover the hidden life the deep richness and the transforming power of the Lord s Prayer It is an inspiring guide for enriching your prayer life a treasure of Christian spirituality *The Man Who*

Rediscovered God Martin Luther, 2021-01-08 Martin Luther The Man Who Rediscovered God Complete Works by Martin Luther Theological Works Sermons Hymns The Ninety five Theses The Bondage of the Will A Treatise on Christian Liberty Prayers Hymns Letters and many more Martin Luther's theology is based on the Bible and not on dogmas Referring to Paul's Epistle to the Romans he claims that salvation is given through God's grace and not through deeds It was adopted by Lutheran Churches and also by the other Reformed Churches in principle Martin Luther was German theologian professor pastor and church reformer Luther began the Protestant Reformation with the publication of his Ninety Five Theses on October 31 1517 In this publication he attacked the Church's sale of indulgences He advocated a theology that rested on God's gracious activity in Jesus Christ rather than in human works Nearly all Protestants trace their history back to Luther in one way or another Luther's relationship to philosophy is complex and should not be judged only by his famous statement that reason is the devil's whore

Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and

sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates *Announcing the Reign of God* Mortimer Arias,2001-01-22 In *Announcing the Reign of God* Mortimer Arias proposes that the time has come to recover in its fullness the biblical perspective of the kingdom for the mission of the church today and particularly for our evangelistic witness *John Calvin Rediscovered* Edward Dommen,James D.
