Religion And The Culture Wars Dispatches From The Front:

Religion and the Culture Wars John Clifford Green, 1996-09-05 As the 20th Century draws to a close cultural conflict plays an increasingly dominant role in American politics with religion acting as a catalyst in the often bitter confrontations ranging from abortion to public education These insightful essays by leading scholars in the field examine the role of religion in these culture wars and present a mixed assessment of the scope and divisiveness of such conflicts Culture Wars and Local Politics Elaine B. Sharp, 1999 This collection offers alternative explanations of local actions with a focus on conflict It features examples of experiences selected from various cities It examines how the responses of local governments to specific issues are influenced by such factors as political culture and institutions Cultural Wars in American Politics Rhys H. Williams, That contemporary American politics is divided into two differing ideological moral and lifestyle groups a divide so severe as to constitute a cultural war is a widely held popular belief The most systematic academic version of the culture wars claim has appeared in two influential books by sociologist James Davison Hunter the earlier dating from 1991 Hunter's formulation of the myth serves the contributors to this volume as a point of departure They add more measured analyses to the rhetorical overstatement in Hunter's claim assessing its accuracy with a broad range of evidence based on individual attitudes subcultural values political party dynamics and culture wide ideological currents On every level of analysis the contributors find that Hunter's bipolar axis obscures the variety of ways in which culture actually functions in current politics That variety receives the nuanced treatment it deserves in this collection Examining the full range of sources of cultural politics and offering competing models for understanding the current ideological landscape this volume will be useful in a variety of classroom and seminar settings from political sociology and social movements to contemporary American culture and the sociology of religion **Evangelicals and the Continental Divide** Samuel Harold Reimer, 2003 In *Evangelicals and the Continental Divide* Sam Reimer finds surprising levels of uniformity among evangelicals on both sides of the border He shows that both American and Canadian evangelicals share highly similar religious identities central beliefs moral and subcultural boundaries and social attitudes Reimer found that American evangelicals did not distinguish themselves through greater conservatism or greater commitment but did connect politics and faith to a much greater extent than their Canadian counterparts while evangelicals in Canada evinced greater tolerance He argues that these differences point to an enduring importance of national historical and cultural differences whereas regional differences are not as significant Using data obtained from 118 in depth interviews with evangelicals in both countries as well as a representative poll of 3 000 Canadians and 3 000 Americans Reimer details the inner workings of the evangelical subculture and gives us an understanding of evangelical similarities and differences across the two nations **Developing Cultures** Lawrence E. Harrison, Jerome Kagan, 2013-05-13 *Developing Cultures* Essays on Cultural Change is a collection of 21 expert essays on the institutions that transmit cultural values from generation to generation The essays are an outgrowth of a research project begun by Samuel

Huntington and Larry Harrison in their widely discussed book *Culture Matters* the goal of which is guidelines for cultural change that can accelerate development in the Third World The essays in this volume cover child rearing several aspects of education the world's major religions the media political leadership and development projects The book is companion volume to *Developing Cultures Case Studies* 0415952808

The Oxford Handbook of American Public Opinion and the Media Robert Y. Shapiro, Lawrence R. Jacobs, 2013-05-23 With engaging new contributions from the major figures in the fields of the media and public opinion The Oxford Handbook of American Public Opinion and the Media is a key point of reference for anyone working in American politics today

Politics and Religion in the White South Glenn Feldman, 2005-09-30 Politics while always an integral part of the daily life in the South took on a new level of importance after the Civil War Today political strategists view the South as an essential region to cultivate if political hopefuls are to have a chance of winning elections at the national level Although operating within the context of a secular government American politics is decidedly marked by a Christian influence In the mostly Protestant South religion and politics have long been nearly inextricable *Politics and Religion in the White South* skillfully examines the powerful role that religious considerations and influence have played in American political discourse This collection of thirteen essays from prominent historians and political scientists explores the intersection in the South of religion politics race relations and southern culture from post Civil War America to the present when the Religious Right has exercised a profound impact on the course of politics in the region as well as the nation The authors examine issues such as religious attitudes about race on the Jim Crow South Billy Graham's influence on the civil rights movement political activism and the Southern Baptist Convention and Dorothy Tilly a white Methodist woman and her contributions as a civil rights reformer during the 1940s and 1950s The volume also considers the issue of whether southerners felt it was their sacred duty to prevent American society from moving away from its Christian origins toward a new secular identity and how this perceived God given responsibility was reflected in the work of southern political and church leaders By analyzing the vital relationship between religion and politics in the region where their connection is strongest and most evident *Politics and Religion in the White South* offers insight into the conservatism of the South and the role that religion has played in maintaining its social and cultural traditionalism

Exploring the Public Effects of Religious Communication on Politics Brian Calfano, 2021-08-03 Though not all people are religious believers religion has played important historic roles in developing political systems parties and policies affecting believers and nonbelievers alike This is particularly true in the United States where scholars have devoted considerable attention to a variety of political phenomena at the intersection of religious belief and identity including social movements voting behavior public opinion and public policy These outcomes are motivated by identity boundary making among the religiously affiliated The contributors to this volume examine two main factors that influence religious identity the communication of religious ideas and the perceptions of people including elites in communicating said ideas Exploring the

Public Effects of Religious Communication on Politics examines an array of religious communication phenomena These include the media s role in furthering religious narratives about minority groups religious strategies that interest groups use to advance their appeal the variable strength of Islamophobia in cross national contexts what qualifies as an evangelical identity and clergy representation of religious and institutional teachings The volume also provides ways for readers to think about developing new insights into the influence religious communication has on political outcomes

How the Tea Party Captured the GOP Rachel M. Blum, 2020-09-30 This incisive and timely study of American party politics reveals how a fringe group within the Republican party came to wield outsized power The rise of the Tea Party redefined both the Republican Party and how we think about intraparty conflict What initially appeared to be an anti Obama protest movement of fiscal conservatives matured into a faction that sought to increase its influence in the Republican Party by any means necessary Tea Partiers captured the party s organizational machinery and used it to replace established politicians with Tea Party style Republicans eventually laying the groundwork for the nomination and election of a candidate like Donald Trump In *How the Tea Party Captured the GOP* Rachel Marie Blum offers a novel theory of political party factions framing them as miniature parties within parties Using this framework she demonstrates how fringe groups can leverage factions to increase their political influence in the American two party system In this richly researched book Blum uncovers how the electoral losses of 2008 sparked disgruntled Republicans to form the Tea Party faction and the strategies the Tea Party used to wage a systematic takeover of the Republican Party This book not only illuminates how the Tea Party achieved its influence but also provides a blueprint for identifying other factional insurgencies

Seeking the Promised Land David E. Campbell, John C. Green, J. Quin Monson, 2014-07-31 Mormons have long had an outsized presence in American culture and politics but they remain largely unknown to most Americans Recent years have seen the political prominence of Mormons taken to a new level including the presidential candidacy of Republican Mitt Romney the prominent involvement of Mormons in the campaign for California s Proposition 8 anti gay marriage and the ascendancy of Democrat Harry Reid to the position of Senate Majority Leader This book provides the most thorough examination ever written of Mormons place in the American political landscape what Mormons are like politically and how non Mormons respond to Mormon candidates However this is a book about more than Mormons As a religious subculture in a pluralistic society Mormons are a case study of how a religious group balances distinctiveness and assimilation a question faced by all faiths

The Evangelicals Frances FitzGerald, 2017-04-04 Initially a populist rebellion against the established Protestant churches evangelicalism became the dominant religious force in the country before the Civil War but the northerners and southerners split over the issue of slavery After the Civil War the northern evangelicals split eventually causing a conflict between fundamentalists and modernists Only after the Second World War would conservative evangelicalism gain momentum thanks in large part to Billy Graham s countrywide revivals FitzGerald shows how the conflict between religious conservatives and others led to national culture wars and a Southern

Republican stronghold and how a new generation of evangelicals is challenging the Christian right by preaching social justice and the common good FitzGerald suggests that because evangelicals are splintering America the most religious of developed nations will eventually look more like secular Europe Evangelicals and Immigration Ruth M. Melkonian-Hoover, Lyman A. Kellstedt, 2018-10-31 The topic of immigration is at the center of contemporary politics and from a scholarly perspective existing studies have documented that attitudes towards immigration have brought about changes in both partisanship and voting behavior However many scholars have missed or misconstrued the role of religion in this transformation particularly evangelical Protestant Christianity This book examines the historical and contemporary relationships between religion and immigration politics with a particularly in depth analysis of the fault lines within evangelicalism divisions not only between whites and non whites but also the increasingly consequential disconnect between elites and laity within white evangelicalism The book's empirical analysis relies on original interviews with Christian leaders data from original church surveys conducted by the authors and secondary analysis of several national public opinion surveys It concludes with suggestions for bridging the elite laity and racial divides Ruth M Melkonian Hoover Ph D Emory University is Chair and Professor of Political Science at Gordon College Massachusetts She has contributed chapters to Faith in a Pluralist Age 2018 and Is the Good Book Good Enough 2011 She has published in a wide range of journals including Social Science Quarterly The Review of Faith International Affairs Latin American Perspectives Political Research Quarterly Comment and Capital Commentary Lyman A Kellstedt Ph D University of Illinois is Professor of Political Science emeritus at Wheaton College Illinois He has authored or coauthored numerous articles book chapters and books in religion and politics including Religion and the Culture Wars 1996 The Bully Pulpit 1997 and The Oxford Handbook of Religion and American Politics 2009

Sojourners in the Wilderness Corwin E. Smidt, James M. Penning, 1997 While the Christian Right has been the subject of a good deal of scholarly analysis it has not been adequately studied within a comparative context across time across different institutional systems or across different religious communities In Sojourners in the Wilderness a host of distinguished scholars examine these dimensions of the Christian Right The contributors analyze the Christian Right historically what is its relationship today with earlier manifestations How have its organizational structures and strategies changed over time Sociologically what are the current opportunities for Christian Right inroads within African American Catholic and Jewish communities and politically what accounts for the affinity between many evangelical Protestants and the Christian Right within the American political context while such an affinity appears to be lacking in other political contexts All of those interested in religion's role in politics and history will find this book valuable **Religious Interests in Community Conflict** Paul A. Djupe, Laura R. Olson, 2007 This volume investigates some of the most visible issues in American politics today including gay marriage and race along with ongoing concerns that often fly below the radar of the mass media such as healthcare and homelessness The book uncovers and explores the political motivations effectiveness and interplay of

organized religious interests as they confront public problems in their local communities

Politics and Religion in the United States Michael Corbett, Julia Corbett-Hemeyer, J. Matthew Wilson, 2014-04-11 There is a complex relationship between religiosity and secularism in the American experience America is notable both for its strict institutional separation of church and state and for the strong role that religion has played in its major social movements and ongoing political life This book seeks to illuminate for readers the dynamics underlying this seeming paradox and to examine how the various religious groups in America have approached and continue to approach the tensions between sacred and secular This much anticipated revision brings Corbett and Corbett's classic text fully up to date The second edition continues with a thorough discussion of historical origins of religion in political life constitutional matters public opinion and the most relevant groups all while taking theology seriously Revisions include fully updating all the public opinion data fuller incorporation of voting behavior among different religious and demographic groups enhanced discussion of minority religions such as Mormonism and Islam and new examples throughout

The Politics of Cultural Differences David C. Leege, Kenneth D. Wald, Brian S. Krueger, Paul D. Mueller, 2009-01-10 How did Republicans manage to hold the White House through much of the past half century even as the Democratic Party held the hearts of most American voters The authors of this groundbreaking study argue that they did so by doing what Democrats have also excelled at triggering psychological mechanisms that deepen cultural divisions in the other party's coalition thereby leading many of its voters either to choose the opposing ticket or to stay home The Politics of Cultural Differences is the first book to develop and carefully test a general theory of cultural politics in the United States one that offers a compelling new perspective on America's changing political order and political conflict in the post New Deal period 1960-1996 David Leege Kenneth Wald Brian Krueger and Paul Mueller move beyond existing scholarship by formulating a theory of campaign strategies that emphasizes cultural conflict regarding patriotism race gender and religion Drawing on National Election Studies data they find that Republican politicians deployed powerful symbols e.g. tax and spend liberals to channel targeted voters toward the minority party And as partisanship approached parity in the 1990s Democratic leaders proved as adept at deploying their own symbols such as a woman's right to choose to disassemble the Republican coalition A blend of sophisticated theory and advanced empirical tools this book lays bare the cultural dimensions of American political life

Trump, White Evangelical Christians, and American Politics Anand Edward Sokhey, Paul A. Djupe, 2024-03-05 In Trump White Evangelical Christians and American Politics political scientists Anand Edward Sokhey and Paul A. Djupe bring together a wide range of scholars and writers to examine the relationship between former President Donald Trump and white American evangelical Christians They argue that while this relationship which saw evangelicals supporting a famously unfaithful materialistic and irreligious candidate despite self-defining in opposition to these characteristics prompted many to wonder if Trump himself transformed American evangelical religion in politics this alliance reflected both change and the outcome of dynamics that were in place or building for decades

Contributors contextualize the Trump presidency within the story of religious demographic change the growth of politicized religion nationalistic religious expression and the ways religion and politics in the United States are enmeshed in the politics of race These investigations find that the idea of religious transformation is not accurate Instead the years 2015 to 2022 saw mainly minor changes to the ways religion appeared in public life but these changes ultimately complemented and advanced an existing white evangelical strategy to increase political and social power as they became a demographic minority in the United States Taken together this collection reveals new insights for readers seeking to understand the religious dimensions of Trump s rise the reasons evangelicals become political activists and the multifaceted alliances between secular politicians and conservative religious subcultures Contributors Abraham Barranca Ruth Braunstein Ryan P Burge David E Campbell Jeremiah J Castle Paul A Djupe John C Green Sarah Heise Geoffrey C Layman Andrew R Lewis Gerardo Mart Eric L McDaniel Napp Nazworth Shayla F Olson Enrique Quezada Llanes Kaylynn Sims Anand Edward Sokhey Hilde L vdal Stephens Kyla K Stepp Allan Tellis *Religion, Politics, and American Identity* David S. Gutterman, Andrew R. Murphy, 2008-03-01

Scholarship on the role of religion in American public life has taken on a new urgency in the increasingly contentious wake of the attacks of September 11 2001 This volume brings together an impressive group of scholars to build on past work and broaden the scope of this crucial inquiry in two respects by exploring aspects of the religion politics nexus in the United States that have been neglected in the past and by examining traditional questions concerning the religious tincture of American political discourse in provocative new ways Essays include examinations of religious rhetoric in American political and cultural discourse after September 11th the impact of religious ideas on environmental ethics religion and American law beyond the First Amendment religious responses to questions of gay and lesbian rights the Church of Jesus Christ of Latter Day Saints and issues of free speech and public space in Utah and the role of religious institutions and ideas on the political priorities of African American and Latino communities In addition Religion Politics and American Identity includes introductory and concluding essays by leading scholars in the field of religion and politics that assess present and future directions for study Faith in the Halls of Power D. Michael Lindsay, 2007-09-24 Drawing on personal interviews with an astonishing array of prominent Americans including two former Presidents dozens of political and government leaders more than 100 top business executives plus Hollywood moguls intellectuals athletes and other powerful figures D Michael Lindsay shows first hand how they are bringing their vision of moral leadership into the public square This riveting volume tells us who the real evangelical power brokers are how they rose to prominence and what they re doing with their clout

Ideology in America Christopher Ellis, James A. Stimson, 2012-04-16 This book explains why the American public thinks of itself as conservative but supports liberal positions on specific policy matters Much scholarly work and popular commentary discusses the ideology of the American public whether the public should be thought of as liberal or conservative and why This book is the first to focus squarely on the contradiction in public attitudes By doing so it can provide a broader

explanation of American political ideology and how American citizens connect their own beliefs and values to the choices presented by policy makers

Religion And The Culture Wars Dispatches From The Front Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion And The Culture Wars Dispatches From The Front has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion And The Culture Wars Dispatches From The Front has opened up a world of possibilities. Downloading Religion And The Culture Wars Dispatches From The Front provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion And The Culture Wars Dispatches From The Front has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion And The Culture Wars Dispatches From The Front. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion And The Culture Wars Dispatches From The Front. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion And The Culture Wars Dispatches From The Front, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion And The Culture Wars Dispatches From The Front has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About Religion And The Culture Wars Dispatches From The Front Books

What is a Religion And The Culture Wars Dispatches From The Front PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion And The Culture Wars Dispatches From The Front PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion And The Culture Wars Dispatches From The Front PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion And The Culture Wars Dispatches From The Front PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion And The Culture Wars Dispatches From The Front PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
