Remedies Robert S. Thompson, John A. Sebert, 1989 **Remedies** Robert S. Thompson, 1983 Teacher's Guide to Remedies Robert S. Thompson, John A. Sebert, 1984 **Current Publications in Legal and Related Fields**, 1991
Bowker's Law Books and Serials in Print 1993 Bowker Editorial Staff, 1993-02 **Problems in Remedies** Dan B. Dobbs, Kathleen Kavanagh, 1993 The problems embodied in this book differ from the usual academic presentation in several ways First students are not initially confronted with an authoritative statement of law but with facts and human problems Second except in the four introductory chapters the problems are not organized to present an orderly sequence of remedies rules Instead they are organized around diverse factual settings so the issues come to the student just as they come to lawyers in practice helter skelter Requires students to work analytically not in an organization dictated by the logic of a casebook *Bibliographic Guide to Law*, 1990 **Dobbs Law of Remedies** Dan B. Dobbs, 1993 *Recording for the Blind & Dyslexic, ... Catalog of Books*, 1996 **Forthcoming Books** Rose Arny, 1994-02 **Justifying Private Law Remedies** C.E.F. Rickett, 2008-06-26 In August 2006 the third Australian Obligations Conference was hosted in Brisbane by the TC Beirne School of Law The theme of the Conference was Justifying Private Law Remedies This book contains a number of the papers delivered at that Conference presented under several categories but all dealing with the fundamental issue of justification General Concepts Performance Compensation Punishment and Restitution and Disgorgement The authors are largely drawn from the legal academy and include Canadian Australian British and New Zealand scholars The collection will be of interest to all those concerned with the role nature and place of remedies in the private law of the common law world
Law of Remedies Dan B. Dobbs, 1993 Rev ed of Handbook on the law of remedies 1973 **Bulletin** Indiana University, Bloomington. School of Law, 1965 Accounting for Profit for Breach of Contract Katy Barnett, 2012-05-31 This book defends the view that an award of an account of profits or disgorgement damages for breach of contract will sometimes be justifiable and fits within the orthodox principles and cases in contract law However there is some confusion as to when such an award should be made The moral bases for disgorgement damages are deterrence and punishment which shape the remedy in important ways Courts are also concerned with vindication of the claimant's performance interest and it is pivotal in these cases that the claimant cannot procure a substitute performance via an award of damages or specific relief The book argues that disgorgement damages should be available in two categories of case second sale cases where the defendant breaches his contract with the claimant to make a more profitable contract with a third party and agency problem cases where the defendant promises the claimant he will not do a certain thing and the claimant finds it difficult to supervise the performance Moreover disgorgement may be full or partial and reasonable fee damages for breach of contract are best understood as partial disgorgement rather than restitutionary damages Equitable bars to relief should also be adopted in relation to disgorgement damages as should allowances for skill and effort This book will be of interest to contract and

commercial lawyers and will be especially valuable to anyone with an interest in contract remedies and restitution It draws on case law in a number of common law jurisdictions primarily England and Wales and Australia *Books in Print Supplement* ,1984 **A Modern Approach to Property** Richard H. Chused,1978 *Equity & Trusts* Paul S. Davies,Graham Virgo,2016 Paul Davies and Graham Virgo present the most engaging and student focused text cases and materials approach to equity and trusts providing an authoritative account of the law in a single volume **Indiana University Bulletin** ,1964 **The Indiana University Catalogue ... Register ... Announcements** Indiana University,1944 Current Law Index ,2005
