## **Remembering The Darkness Women In Soviet Prisons:**

**Remembering the Darkness** Veronica Shapovalov, 2001-08-24 This engrossing collection of prison memoirs by Russian women is the first to portray the direct experiences of the wide range of women who were incarcerated in Soviet prisons and camps. Comprising the stories of women from all classes and backgrounds, this book covers the entire span of the Gulag's existence from the 1920s to the 1980s, including the little-known periods of political repression of the 1960s and 1980s. These memoirs and letters provide a rich portrait of how women led everyday life in prison and in the camps, of the strategies of accommodation and resistance they employed, and the challenges they faced when they reentered Soviet society. Although readers will hear the voices of women who were in excruciating physical and emotional pain, they will also find remarkable testimonies to the agency and resilience of women who struggled against incredible odds. Written by women from all stations in life and from drastically different backgrounds, these stories reconstruct not only the world of the Gulag but also its meaning for society at large. The documents excerpted here point to areas of Soviet history and culture that have yet to be fully investigated, as they illuminate women's experiences of friendship, work, hope, inspiration, loss, and terror. All the works selected for the collection are united by their authors' sense of group and individual identity. To varying degrees, all of them associate their experiences with events and people beyond their personal experiences and immediate surroundings, thus expanding the traditional perspective of women's writing. These riveting stories, never before published in English or Russian, will appeal to scholars and students of Soviet history and literature as well as general readers interested in women's history.

**Criminal Subculture in the Gulag** Mark Vincent, 2020-05-14 Despite growing academic interest in the Gulag, our knowledge of the camps as a lived experience remains relatively incomplete. *Criminal Subculture in the Gulag* is a sophisticated analysis of crime, punishment, and everyday life in Soviet labour camps that rectifies this. From Gulag journals and song collections to tattoo drawings and dictionaries of slang, Mark Vincent draws on often overlooked archival material from the Moscow Criminological Bureau to reconstruct a fuller picture of Gulag daily life and society. In thematic chapters, Vincent maps the Gulag penal arc of prisoners across initiation, tests, means of communication, the importance of card playing, punishment rituals, and the notorious 1948 '52 cyka' bitches internal prison war between military veterans and 'vory v zakone'. Most importantly, this timely examination of crime and punishment in modern Russia also highlights the lines of continuity between the Gulag systems, late Imperial Katorga, and today's Russian mafia. As such, this impressively interdisciplinary volume is important reading for all scholars of 20th-century Russia as well as those interested in international criminality and penology.
