The summer of 1860 found me stationed at the head quarters of the First United States Artillery at Fort Moultrie South Carolina I was captain of Company E and second in command to Brevet Colonel John L Gardner who was lieutenant colonel of the regiment The regimental band and Captain Truman Seymour s company H also formed part of the garrison The other forts were unoccupied except by the ordnance sergeants in charge Charleston at this period was far from being a pleasant place for a loyal man Almost every public assemblage was tainted with treasonable sentiments and toasts against the flag were always warmly applauded As early as July there was much talk of secession accompanied with constant drilling and threats of taking the forts as soon as a separation should occur To the South Carolinians Fort Moultrie was almost a sacred spot endeared by many precious historical associations for the ancestors of most of the principal families had fought there in the Revolutionary War behind their hastily improvised ramparts of palmetto logs and had gained a glorious victory over the British fleet in its first attempt to enter the harbor and capture the city [Reminiscences of Forts Sumter and Moultrie in 1860-61 \(Classic Reprint\)](#) Abner Doubleday, 2015-07-10 Excerpt from Reminiscences of Forts Sumter and Moultrie in 1860 61 Now that the prejudices and bitter partisan feeling of the past are subsiding it seems a fitting time to record the facts and incidents connected with the first conflict of the Rebellion Of the eleven officers who took part in the events herein narrated but four now survive Before the hastening years shall have partially obliterated many circumstances from my memory and while there is still an opportunity for conference and friendly criticism I desire to make from letters memoranda and documents in my possession a statement which will embody my own recollections of the turbulent days of 1860 and 1861 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do

ranging from the aged John Adams to seven year old Theodore Roosevelt Historian Wesley Moody charts Robert Anderson's path from an upbringing on the Kentucky frontier to a West Point education and a military career that saw him fighting in nearly every American conflict from the Black Hawk War to the Civil War catching malaria fighting the Seminoles taking several bullets while serving in Mexico writing the textbook for field artillery used by both Union and Confederate forces mentoring William Tecumseh Sherman Central to Anderson's story was his deft and decisive handling of the Fort Sumter crisis Had Major Anderson been the aggressor as many of his command urged President Abraham Lincoln would have been unable to rally the Northern states to war Had Anderson handed his command over to the Confederate troops a demoralized North would have offered little resistance to secession To understand this pivotal moment in US history one has to understand the man at its center and to understand that man and his masterful performance under extraordinary pressure one can do no better than to read Moody's thoroughly absorbing richly detailed biography

Sumter After the First Shots Derek Smith, 2015-07-15 Everyone knows the story of how the Civil War began at Fort Sumter but what happened to the fort after the first shots were fired there The North wanted to restore Sumter to its rightful place in the Union and close the vital Confederate supply port of Charleston while the South needed to defend its birthplace and keep the supplies flowing thus making Fort Sumter one of the most fervently attacked and most tenaciously defended pieces of real estate in the United or Confederate States of America throughout four years of war
