Becoming a master is a goal many chessplayers seek And for most it is an unfulfilled dream Now for the first time the topic is  
squarely addressed Not by a super grandmaster or high powered international master but by a regular national master a  
master who earned his stripes in the trenches battling his way to the title In **Reaching the Top** author Peter Kurzdorfer  
shares his journey to the coveted 2200 Elo mark Using his own games major topics covered by the author include Learning  
From Past Mistakes Choose Openings to Suit Your Style Handling Material Inequality Practical Endgames How Sound Do  
Your Openings Need to Be When Things Go Terribly Wrong Overcoming Difficulties and How to Win This guide shows what it  
takes to play at the master level What you need to know What you do not need to know It is a practical presentation that will  
not only help aspiring masters but also any player seeking to improve his game So come on in and sit by the side of a chess  
master as he plies his craft marveling at the wonderful intricate combinations and positional ideas and shuddering at the  
opportunities that supposedly strong chess players missed time and time again However there is one requirement you do  
have to love the game and give it your best shot every game every move Mix in some discipline and concentration and you  
too may be able to play master level chess About the Author After a 30 year adventure spent immersed in chess beginning in  
the early 1970s Mr Kurzdorfer is back He is a longtime national master chess teacher certified coach and tournament
