What is a maths meeting?

Maths meetings are short, 10-15 minute to 20-minute learning sessions. It really depends on what you are doing and what materials you have. They are a great opportunity for students to practise and extend what they have learned and to receive feedback. Maths meetings should be engaging and interactive, encouraging all pupils to take part in support to the whole class learning.

Regularised maths meetings are interactive opportunities that provide differentiated whole class, planning and understanding maths messages (see 1).
