First Timers and Old Timers Kenneth L. Untiedt,2012 The Texas Folklore Society has been alive and kicking for over one hundred years now and I don't really think there's any mystery as to what keeps the organization going strong The secret to our longevity is simply the constant replenishment of our body of contributors We are especially fortunate in recent years to have had papers given at our annual meetings by new members young members many of whom are college or even high school students These presentations are oftentimes given during sessions right alongside some of our oldest members We've also had long time members who've been around for years but had never yet given papers thankfully they finally took the opportunity to present their research fulfilling the mission of the TFS to collect preserve and present the lore of Texas and the Southwest You'll find in this book some of the best articles from those presentations The first fruits of our youngest or newest members include Acayla Haile on the folklore of plants Familiar and well respected names like J Rhett Rushing and Kenneth W Davis discuss folklore about monsters and the classic widow's revenge tale These works and the people who produced them represent the secret behind the history of the Texas Folklore Society as well as its future Kenneth L Untiedt
