Subjects addressed include valuation, taxation, negotiations, M A conventions among many others from the buy side and sell side perspectives. Subtitled *Tales of A Deal Junkie*, this serious but occasionally irreverent book tells it like it is, including anecdotes to provide a feel for what really goes on in middle market transactions. The author, a former practicing CPA and a business valuation expert, is a veteran M A investment banker with years of real life experience. He also is a widely acclaimed instructor in the M A field and a nationally respected practitioner who has trained thousands of investment bankers.
