Montessori The Special Child:

The ABCS of Montessori and Special Needs Renae M. Eddy, 2017-01-10 Maria Montessori began her journey in education working with children in an asylum and others who lived in the city slums Her method and materials were first developed based on observations of children she worked with in these settings So often parents and teachers wonder if Montessori is right for children with special needs After six years of experience using the Montessori Method with my own four special children with various developmental emotional and physical diagnoses I m here to say YES It s a perfect fit The key to success is understanding how the Montessori and special needs worlds work together Maria Montessori was years ahead of her time in her observations and solutions to problems educators face when teaching children with special needs Her work is only beginning to receive the recognition it deserves This book provides explanations resources and tips on how Montessori can help a child with special needs succeed in learning Montessori and the Special Child Reginald Calvert Orem, 1969

America's Early Montessorians Gerald L. Gutek, Patricia A. Gutek, 2020-09-05 This book traces the early history of the Montessori movement in the United States through the lives and careers of four key American women Anne George Margaret Naumburg Helen Parkhurst and Adelia Pyle Caught up in the Montessori craze sweeping the United States in the Progressive era each played a significant role in the initial transference of Montessori education to America and its implementation from 1910 to 1920 Despite the continuing international recognition of Maria Montessori and the presence of Montessori schools world wide Montessori receives only cursory mention in the history of education especially by recognized historians in the field and in courses in professional education and teacher preparation The authors in seeking to fill this historical void integrate institutional history with analysis of the interplay and tensions between these four women to tell this educational story in an interesting and often dramatic way
