Aesthete becoming the talk of London going off to tour America lecturing on the craftsmanship of Cellini to the silver miners of Colorado condemning the ugliness of cast iron stoves to the ladies of Boston Here is the domestic Wilde building sandcastles with his sons and the generous Wilde underwriting the publication of poets lending and spending with no thought of tomorrow And here is the romantic Wilde enthralled with Lord Alfred Douglas in an affair that thrived on laughter smitten with Florence Balcombe flirting with Violet Hunt obsessed with Lillie Langtry loving Constance his wife Vividly evoked are the theatres clubs restaurants and haunts that Wilde made famous More than previous accounts Belford s biography evaluates Wilde s homosexuality as not just a private matter but one connected to the politics and culture of the 1890s Wilde s timeless observations which make him the most quoted playwright after Shakespeare are seamlessly woven into the life revealing a man of remarkable intellect energy and warmth Too often portrayed as a tragic figure persecuted imprisoned sent into exile and shunned Wilde emerges from this intuitive portrait as fully human and fallible a man who realizing that his creative years were behind him committed himself to a life of sexual freedom which he insisted was the privilege of every artist Even now we have yet to catch up with the man who exhibited some of the more distinguishing characteristics of the twentieth century s preoccupation with fame and zeal for self advertisement Wilde s personality shaped an era and his popularity as a wit and a dramatist has never ebbed NOTE This edition does not include a photo insert

The Publishing History of Aubrey Beardsley's Compositions for Oscar Wilde's Salome Joan Navarre, 1999 This study claims that scholars need to examine all twenty seven English illustrated editions of Wilde's and Beardsley's *Salome* to understand whether Beardsley's compositions do or do not illustrate Wilde's words For the last one hundred years scholars have addressed the aesthetic function of Beardsley's compositions whether or not Beardsley's compositions illustrate Wilde's words and each scholar sees something different Beardsley's compositions are irrelevant to Wilde's words Beardsley's compositions are relevant to Wilde's words Beardsley's compositions are both irrelevant and relevant What is at issue here is that this traditional dance of signification scholars' interpretations of the aesthetic function of Beardsley's compositions relies upon an interpretive strategy that disavows the history of textual transmissions To put this another way what scholars see depends upon the particular English illustrated edition's they read Beardsley's compositions are physical objects conditioned by a physical setting i.e. the components of total book design Yet for many the visible appears invisible The motivation for this study arises from previously unexamined phenomena the genesis and textual transmission of Beardsley's compositions for *Salome* 1894-1994 As historical textual scholarship this study uses the methodologies central to descriptive bibliography the English illustrated editions of Wilde's and Beardsley's *Salome* are treated as socially constructed physical objects Binding format and paper are a few of the signifying systems described Specifically this investigation draws upon the model presented by Philip Gaskell in *A New Introduction to Bibliography* The necessary tasks include transcribing the title page analyzing the format examining the appearance of the binding detailing the kind of paper used and noting other information such as titles As the centenary of Wilde's and Beardsley's *Salome* commences this is the opportune time to trace the publishing history of Beardsley's compositions to update existing descriptive bibliographies and to turn to an empirical method for a socialized model of literary production

Postal Pleasures Kate Thomas,2012 In 1889 uniformed post boys were discovered moonlighting in a West End brothel frequented by men of the upper classes The Cleveland Street Scandal erupted and Victorian Britain faced the possibility that the Post Office a bureaucratic backbone of nation and empire was inspiring and servicing subversive sexual behavior However the unlikely alliance between sex and the postal service was not exactly the news the sensational press made it out to be Postal Pleasures explores the relationship between illicit sex and the Royal Mail from reforms initiated in 1840 up to the imperial end of the nineteenth century With a combination of historical details and literary analyses Kate Thomas illustrates

how the postal network its uniformed employees and its material trappings envelopes postmarks stamps were used to signal and circulate sexual intrigue For many the idea of an envelope promiscuously jostling its neighbors in a post boy s bag or the notion that secrets passed through the eyes and fingers of telegraph girls was more stimulating than the actual contents of correspondence Writers like Anthony Trollope Eliza Lynn Lynton Henry James Oscar Wilde Arthur Conan Doyle and others invoked the postal system as both an instrument and a metaphor for sexual relations that crossed and double crossed lines of class marriage and heterosexuality Postal Pleasures adds a new dimension to studies of the era as it uncovers the unlikely linkage between the Victorian Post Office and the queer networks it inspired *Monstrous Martyrdoms* Eric

Willa Cather,1970-01-01 One of the few really helpful words I ever heard from an older writer Willa Cather declared in 1922 I had from Sarah Orne Jewett when she said to me Of course one day you will write about your own country In the meantime get all you can One must know the world so well before one can know the parish Although Cather s first novel about her own country O Pioneers did not appear until 1913 the process of knowing the world and of mastering her craft so far as it can be traced in her published writing already had been going on for some twenty years The World and the Parish Willa Cather s Articles and Reviews 1893 1902 is the fourth in a series collecting the work of these years of experiment and discovery More specifically it offers a representative collection of Cather s nonfiction writing for newspapers and periodicals during her first decade as a professional writer Selected from 520 articles and columns the text is divided into three parts corresponding to major developments in Cather s career the period from 1893 to 1896 when she first began to write regularly for Lincoln newspapers the years in Pittsburgh when she was working for the Home Monthly and the Leader and sending her famous Passing Show column back to Nebraska and the period from the spring of 1900 to 1903 when she freelanced in Pittsburgh and Washington taught in a Pittsburgh high school and made her first trip abroad The text has been edited with three main objectives 1 to enable the reader to trace Cather s development as a writer 2 to group the material so that the reader interested in a particular subject the theatre or music or literature for example can readily locate pertinent selections and 3 to provide a context sufficient to relate these pieces to Willa Cather s life and to the times and to suggest some of their connections with the body of her work Chronologies have been included for each of the three parts and the Bibliography is the most complete yet available for the for the nonfiction writing up to 1903 Not the least remarkable feature of this collection is the range and variety of forms and subject matter reviews of books plays operas concerts art exhibits lectures feature stories interviews straight reportage columns of miscellaneous comment and travel letters Seemingly with no apparent effort Willa Cather could adjust her sights to any assignment and any audience And if it is astonishing that she

could write so much about so many matters at so many levels it is perhaps even more astonishing that so much of it was so good Undeniably however the chief interest to the general reader and the peculiar value to the scholar of these journalistic writings reside in their manifold and crucial connections with Cather's later work and in the unparalleled insights they afford into the process by which a gifted writer becomes a great artist *Names and History* George Redmonds,2007-03-15

Fascinating detective stories into the connections between names and related subjects **My Name is Not Wigs!** Angela Cobbin,2021-11-11 An enthralling journey through time fashion and theatreland from hairdressing student in the early 1960s to theatrical wig creator for the biggest shows of our time over five decades from the West End to Broadway Box Brownie to Cinemascope *My Name Is Not Wigs* is the ultimate read for fans of witty behind the curtains memoirs especially those with a penchant for the bright lights of stage and screen tears and accolades aplenty A unique backstage story honest and good humoured like the author Sir Ian McKellen A glorious cavalcade of theatrical gossip and professional achievement in a department of our profession that largely goes unsung Frances de la Tour A wonderful read and so well written with plenty of fascinating stories Sir Michael Gambon
